For bookings and advice call: 07802 185962 or e-mail: paul.naughton@bbc.co.uk

Studio 1 is a compact television studio located in the iconic BBC Broadcasting House building in the centre of Belfast

At 200m² Studio 1 is ideal for magazine style programmes, events of up to 100 people, intimate interview sets, radio recordings or transmissions and single camera shoots. It can also be used for media training exercises or premier events.

Production Control

The television production control for Studio 1 is provided by either an on site gallery or by either BBC NI2 or NI4, both high specification multi-format HD production vehicles.
