

# 16-34 Asians Survey - July 2007

**Fieldwork Dates:- 4th-11th July 2007**

Absolutes/col percents

Table 1

**Q.1 You may have previously come across the term 'coconut' which Asian people take to mean a person who acts or thinks like a white person. To what extent do you agree or disagree that Asian people in Britain today need to act and think white in order to fit in/get on?**

**Base: All respondents**

|                            | Gender             |           |            | Age        |            | Ethnic Background |            |                |             | Religion   |           |           |            |          | Work Status        |                    |              |
