C.O. Form 14

From Mrs. Mary Whitehouse.  
Forwarded at.....

4th day of September 1968  
To Ch. Supt., Special Branch.  
Received at 1555 Hrs.

I have received information from an American friend of mine that an organisation called "THE DOORS" who are a political extremist organisation, are now in England. They are singing at The Roundhouse, Chalk Farm this Saturday and Sunday evening. With the student plans for demonstrations next month, I do not think that their arrival here in the United Kingdom is a coincidence.
