Frank jigs it back to Newport

I'm looking forward very much indeed to being among friends old and new when we come to the Irish Club. I've been coming to Newport since I was a lad.

Two or three times a year my mam and I used to catch the green double decker from outside the Cross Inn in Rumney and look out over Wentloog flats to the Bristol channel beyond. In no time we were in Newport town centre and looking for a pair of grey flannel trousers and a couple of white shirts for school. A "rig-out" she'd call it.

I've also had a long association with the Irish community in Newport. Dave Burns and I would often accompany St Colmcille's

- a great south Wales based hurling team, on their travels to places like Gloucester and Birmingham and sing all the way there and back on the team coach. We would pick up players and supporters in Newport and drop them off on the way back and without fail would have a couple of pints in the Irish Club before completing our journey back to Cardiff. The minority sport of baseball brought us together once again. The Welsh baseball team was made up almost entirely of Newport and Cardiff players from teams like Alexandra Old Boys and Grange Albion.

In 1981 I was asked by BBC Wales to write a song to mark the 75th anniversary of the world famous Newport transporter bridge.

I spent a happy sunny afternoon swinging to and fore across the Usk, filming the engineering marvel in action.

I'll be performing with the Hennessys at the Irish Club on Thursday 26 October at 7pm and we'll be playing that song. We'll also be joined by Huw Chidgey and Cath Handley, Mike Lease and Jane Ridout and One String Loose. We're looking forward to a great session among some of your most talented local musicians.

I hope you'll join us.

Atgofion melyn Siân

Mae 'da fi ddiddordeb byw mewn archaeoleg a phan o'n i'n blentyn o'n i'n dwli ymweld ag ardaloedd o amgylch Casnewydd gan fod cynifer o olion Rhufeinig a hanes yna. Bob hyn a hyn fe fydder timau archwilio yn gwahodd y cyhoedd i helpu mas gyda'r 'digs' ac fe fydder nhad a finne'n mynd lawr i'r safleoedd o dan sylw ac yn archwilio'r tir gyda'n brwsus dannedd. Fel 'na oedd angen neud er mwyn gwneud yn siŵr bo ni'n colli dim! Dwi'n meddwl ei fod e'n wirioneddol anhygoel fod 'na gynifer o olion yn cael eu ffeindio yn yr ardal ac mae'n dangos nad oes rhaid mynd yn bell i gael gwir flas o hanes.

Pan glywes i bod fy rhaglen i'n mynd i gael ei darlledu o ardal Casnewydd fe nes i ofyn

yn syth os allen i ei chyflwyno o'r Amgueddfa Llang Rufeinig yng Nghaerllion. O'dd e i weld yn gyfle rhy dda i golli - a bydd 'da fi esgus arall i fynd am dro o amgylch olion yr amffitheatr.

Dwi'n edrych 'mlaen hefyd i fynd i ardal Casnewydd gan fod cymaint o frwdfrydedd tuag at yr iaith yna. Ma' canran uchel o'r bobl yng nghystadlaeth Dysgwr y Flwyddyn yr Eisteddfod yn dod o'r ardal ac fel rhywun sy'n ymhel â'r maes, mae'n braf 'da fi weld cymaint o ddiddordeb yno.

Cofiwch alw mewn i ngweld i yn yr Amgueddfa Llang Rufeinig ddydd Mercher 18 Hydref ac fe gewch chi wrando hefyd ar fy rhaglen o'r Ganolfan Tennis yn y Pentref Chwaraeon ar ddydd Llun 9 Hydref.
