

Arrangements, the challenge: video C

Nathalie: "So Hakim, both of us are going to play a game. Would you like to play a game with me?"

Hakim: "Let's do it, I want to."

Nathalie: "Yes... great... right then let's do it... I am... I have seen for myself that you have been very very busy all day, and you have to do things quickly. I also bet that you speak very quickly, that you know how to speak very quickly."

Hakim: "Ah! That does happen!"

Nathalie: "Me I'm useless [at it]! So I'm going to ask you to repeat very quickly 'I want and I insist'."

Hakim: "I want and I insist... I want and I insist... I want and I insist... I want and I insist..."

Nathalie: "Hmm...OK we are going to try another OK? At least ten times and very quickly! 'Raw plum, cooked plum'."

Hakim: "Raw plum, cooked plum... raw plum, cooked plum... raw plum, cooked plum... raw plum, cooked plum..."

Nathalie: "That's good, not bad that! Yeah. Not bad!"

Hakim: "So not too bad in fact... I said it five times!"
