

Booking a gîte, the challenge: video C

Nat: "Fred and Nathalie, would you like to play a little game with me?"

Fred & Nathalie: "Yes..."

Nat: "OK? Look at these gîtes in France and locate the region they come from!"

Sylvie: "Yes... well I'd say Brittany."

Fred: "Brittany, yes."

Nat: "Uh uh not bad... and the one at the top?"

Fred: "That is Alsace."

Nathalie: "Yes."

Nat: "OK... and the last one."

Fred: "And the last..."

Nathalie: "In the south of France?"

Nat: "Right. Your final answers?"

Fred: "So, the first gîte is in Alsace."

Nat: "Why?"

Fred: "Because of the architecture, the exposed beams.

The second is in Brittany, with visible stonework and the chimney and the third... the third, I'm not sure... I'm thinking the Southwest near the Pyrenees."

Nat: "OK, Right I'll give it to you... you have one out of three!"

Fred: "That already isn't bad!"

Nat: "The Basque region."

Nathalie: "I've never been!"

Nat: "Brittany, well done! And the Quercy!"

Nathalie: "With the swimming pool ... it wasn't a detail that helped us!"
