

Chemist's, the challenge: video C

Nathalie: "We are going to play a little game together!"

Bénédicte: "OK good! Tell me all then."

Nathalie: "Do you want to play it with me?"

Bénédicte: "Oh yes! Very happy to!"

Nathalie: "Close your eyes and when I say, open them OK? Is that alright? Got that? Close your eyes, no cheating!"

Bénédicte: "I'm not moving an inch! Promise!"

Nathalie: "No cheating!"

Bénédicte: "I hate doing that!"

Nathalie: "No cheating...right open your eyes."

Bénédicte: "Wow, wonderful!"

Nathalie: "They're mushrooms."

Bénédicte: "They're magnificent."

Nathalie: "So I've been told, in France, that you can find out whether they are alright by going to..."

Bénédicte: "Oh! Oh my God, I adore mushrooms, I find them really wonderful but I don't know about them at all."

Nathalie: "Well, try and guess then."

Bénédicte: "It would be a disaster!"

Nathalie: "Go on, take one!"

Bénédicte: "You know you never see them in towns anymore."

Nathalie: "Take one!"

Bénédicte: "Take one... Right, my little assistant..."

Nathalie: "What is it?"

Bénédicte: "will come and help me... What do you think of that... isn't it amazing!"

Assistant: "Yes. I think it's a mushroom of the coral family, something like that?"

Nathalie: "Very good, put down the coral mushroom...that was good...come on!"

Bénédicte: "And so you're a specialist!"

Nathalie: "Oh yes! Yes."

Bénédicte: "Totally casually she says it!... This, this a wild or Cep mushroom, but which one?"

Assistant: "This is a Bordeaux wild mushroom, a Bordeaux Cep mushroom."

Bénédicte: "Incredibly..."

Assistant: "Incredibly good!"

Bénédicte: "Edible!"

Nathalie: "I could eat them? I would not die?"

Assistant: "These you could!"

Bénédicte: "And these, these are...?"

Assistant: "These, these are Chanterelles...Chanterelles... very good, edible!"

Nathalie: "Well then, do you know them or not?"

Bénédicte: "No... It's my assistant who has just got out of university!"

Nathalie: "Look! Look at me!"

Bénédicte: "He has just got out of university!"

Nathalie: "Bénédicte, Look at me! And this one, if I found it what is it?"

Bénédicte: "Ah! A Fly-Agaric!"

Nathalie: "Could I eat it?"

Bénédicte: "Oh absolutely not!"

Nathalie: "Would I die?"

Bénédicte: "Oh yes! Help! No, no, forget that one quickly, quickly."

Nathalie: "Put it back..."

Bénédicte: "Yes, it's OK, above all don't mix good mushrooms with non-edible mushrooms. You're better off throwing away the whole basket. What a shame!"
