

Flowers and messages, the challenge: video C

Nathalie: "So Marie-Paule, would you like to play a game with me?"

Marie-Paule: "Of course I would, absolutely!"

Nathalie: "Yes? Are you ready?"

Marie-Paule: "Yes, yes."

Nathalie: "OK. I am going to set you a challenge. You have to assemble a bouquet very very quickly for the winner of the Tour De France, in Marseilles where he won. What would you give him? Tell me that!"

Marie-Paule: Well mainly ... I'd give him big flowers because it needs to be striking! With just gladioli, lilies, snapdragons, roses, as simple as that.

Nathalie: "All arranged?"

Marie-Paule: All arranged... roses, snapdragons, big flowers, lilies and that's it."

Nathalie: "And the kiss?"

Marie-Paule: Ah yes! Well of course! That's what's we do! Absolutely!"
