

Walks, the challenge: video C

Nathalie: "You're going to try and recognise birds (from their songs). That's hard!"

Serge: "I know a bit...but not that much
But let's give it a go, ok!"

Nathalie: "Yes! You want to? OK now concentrate, the first bird."

Nathalie: "So I will..."

Serge: "... a chaffinch maybe?"

Nathalie: "You said chaffinch? Does a chaffinch resemble a common chiffchaff?"

Serge: "Oh, really! I don't know the song of the common chiffchaff!"

Nathalie: "No? OK now the second one!"

Serge: "That could be a bird of prey, like we heard earlier! That could be a falcon."

Nathalie: "Very good, you are not far off, it's a buzzard!"

Serge: "Yes yes well, there you are!"

Nathalie: "Well done. Now listen for the third bird!"
It's night-time!"

Serge: "Yes but I...I only know...I don't know the...What I can hear is a bit like a common Scops owl, that kind of thing, you know! They go bouboubou."

Nathalie: "Ah, the little Scops owl, you're there, you're there...keep going, keep going!"

Serge: "So this is some kind of owl?"

Nathalie: "Well done! It is a tawny owl!"

Serge: "Ah right OK!"

Nathalie: "Well done! But it took you some time all the same!"

Serge: "Yes but wait a minute, I'm not very very good."
