SAYING 'HE, SHE OR IT IS': ES

In Spanish, you use the same word to say 'he, she or it is' - **es**.

Es aquí

It's here

Es periodista

She/he's a journalist

Es biólogo

She/he is a biologist

By the way, when you talk about jobs you don't need to use the article – the words for a or an – **un, una**.

All of these statements can be made into questions simply by raising your voice at the end.

¿**Es** aquí?

Is it here?

¿**Es** periodista?

Is she/he a journalist?

Sometimes you'll hear the words for 'he' or 'she' used for emphasis.

Él es biólogo

He is a biologist

Ella es periodista

She is a journalist
