| <p><b>Learning hint</b></p> | <p>Remembering Spanish words can be easier if you relate them to your own life. So, when you're out walking or driving by yourself, talk through your journey in Spanish as you go, using <b>a la derecha</b>, <b>a la izquierda</b> and <b>todo recto</b> and naming some landmarks. Ideally this should be out loud – although it may not always be possible! Then you could practise directing someone in Spanish to six different destinations in your home town.</p> |
