EXT. RUN DOWN ESTATE SOMEWHERE IN LONDON

1

Drone shots of run-down inner city estate.

Rapman will rap for approximately a minute introducing the viewers to the world and hints about what's about to go down.

While Rapman is rapping there will be a montage of shots showing Timmy looking upset because he doesn't want to go to his new school. Shots will include him adding water to his milk to eat his cereal, with shots of Rapman performing visible to the audience but not to the cast, and some shots of Timmy's mum excited preparing for Timmy's first day of school. Its important we see the poverty he lives in on top of how anti is towards going to his new school.

2

INT. TIMMY'S FLAT - MORNING

2

*

Timmy's mum is putting a school tie on him getting him ready for his first day of school. He doesn't look happy.

TIMMY

I don't want to go to this school
mum I won't know anybody there. All
of my friends are going to Crofton
why can't I just go there?

TIMMY'S MUM

Timmy, we have already spoke about
this. Sacred Heart is a very good
school they have an outstanding
Ofsted report 90% of their
students[leave with 5 or more A -
Cs 70% Bs and above. I just want
what's best for you.

TIMMY

But what about my friends?

TIMMY'S MUM

You will make new friends better
ones. Only God knows where that
Kiron friend of yours will end up
always getting into trouble.

TIMMY

That's my best friend and now I
will never see him again.

TIMMY'S MUM

Good. Hurry and get your blazer and
coat we're already running late.

TIMMY

Mum I know how to get there you
don't need to come with me I will
call you after

TIMMY'S MUM

What type of mum would I be if I missed your first day? I nearly forgot my camera.

3 EXT. DAYTIME. 8:30AM ANOTHER ESTATE, SLIGHTLY SMARTER 3
Locating shots of the estate.

4 INT. MARCO'S FLAT - MORNING 4 *

Marco's flat is a little more modern then Timmys

Marco is in his room playing computer games. Toast in one hand the controller in the other when he gets a text -

Had to leave early for work. Hope you have a great first day I left some money on the kitchen top call me after school. Xx

Marco texts back -

Ok mum x

Marco creeps into his brother's room.

MARCO

Jordan, Jordan are you awake it's my first day at school?

SWITCHER

Why would I be awake get out. You better not be trying take any of my stuff. Where's my Put Da Work in cap? Marco, Marco!

Marco quickly runs out the house. He can hear his brother yelling as he runs off laughing.

5 I/E. SCHOOL / DINNER HALL - DAY 5 *

Hakeem and Dwayne are walking to the lunch room

DWAYNE

Finally, lunch time! I'm starving!

HAKEEM

So am I. I hope the foods good. Look that's the boy who came in with his mum. Oi fam why you making your mum bring you to school are you a baby

TIMMY

No

DWAYNE
What bag is that?

TIMMY
It's just a bag.

Hakeem and Dwayne break out laughing

HAKEEM
His bag ain't even got a name

DWAYNE
Bet he's got an iPhone3

HAKEEM
What iPhone you got?

TIMMY
I don't have an iPhone, I have a
Nokia.

The boys laugh even harder. Timmy is beginning to get angry
he clinches his fist

DWAYNE
I think he's poor

HAKEEM
His mum looked poor.

That was the final straw Timmy steps forward to attack Hakeem
but is stopped by Marco

MARCO
Hakeem shut up how can you say his
mum looks poor after your mum
couldn't pay for the school journey
and you had to stay in school for a
week with the year fives

HAKEEM
She had the money just forgot to
pay.

MARCO
And Dwayne you can talk about no
names like you wasn't rocking them
Ocean Pacific trainers until year 6

DWAYNE
I had Jordan's as well but I only
wore them on weekends

HAKEEM
Come Dwayne man I don't know why
Marco is backing him

Hakeem and Dwayne go to walk away but Timmy blocks Hakeem in his path

TIMMY

Don't ever talk about my mum again.

He moves aside to let him go past

MARCO

Look like you were going to bang him in his face. I don't blame you if he was talking that way about my mum I would have fucked him up. I beat him up a few times in primary school

TIMMY

Did you all go to the same primary school?

MARCO

Yeah all of us went Peckham primary most kids in our year group did. What Primary school did you go?

TIMMY

Tidemill

MARCO

Where's that?

TIMMY

Deptford

MARCO

Never heard of it, sounds far though

TIMMY

It's kind of far.

MARCO

What's your name?

Timmy's attention is taken when he sees a pretty girl walk past. Marco sees how hard he is staring at her

MARCO

You like Leah yeah?

TIMMY

Is that her name Leah?

MARCO

Yeah she went to my primary school.
She's nice but she's too stoosh
that's why I never let her be my
girlfriend

*

TIMMY

She wanted to be your girlfriend?

MARCO

Every girl wants to be my
girlfriend bro look at the swag

TIMMY

You have a very good swag. My name
is Timmy

MARCO

I'm Marco

The pair spud fists then walk off towards the lunch hall
talking

**Rapman will rap for approximately a minute breaking down the
first quarter of the film with hints of what is yet to come.**

*While Rapman is rapping there will be a montage of shots
showing the boys friendship develop. We will show them play
fighting, laughing together, talking to girls, and eating
dinner and playing computer games at each others homes. The
aim of the montage is to show the strong bond formed between
Timmy and Marco over the years.*

TIMMY

But why are they Pagans? What does

MARCO

I don't know I just know if you're

MARCO

My bros cool with you

TIMMY

You got my virginity

TIMMY

And you got mine and I always hoped
my first time would be with you but

LEAH

What you thought I was some slut
who just sleeps with anyone

TIMMY

No of course not but I didn't think
you was a virgin you were going
with Kyle for ages

LEAH

That's why we broke up because I
wouldn't sleep with him.
It's like even though we were
together for long it just didn't
feel right. It felt right with you

TIMMY

I want you to be my girl

LEAH

I can do that

TIMMY

So now you're mine?

MARCO

I only have one brother and that ain't you. I was calling you bare times just before it happened but you didn't pick up. You probably knew what was happening and just left me

TIMMY

I was busy when you called I tried to call back but I couldn't get through, when have I ever left you when you've been in a madness we always have each other's back

MARCO

Alright if you're really with me and not them show me where the Killy guy lives

MARCO

See my brother said you wouldn't tell me, he said you would wanna protect your Ghetto boys you're a snake

LEAH

Marco I don't know why your letting
your brother brainwash you. You
know Timmy is not a part of any
gang and you know he would never
want you to get hurt so just stop
being silly

MARCO

Get out of my face what's this got
to do with you

TIMMY

You don't need to talk to her like
that

MARCO

So you finally fucked yeah ok no

battles

TIMMY

Look I can see your still upset

down.

MARCO

Leah turns around and pokes him in the head.

The crowd reacts with oohs and aahs

LEAH

Who are you calling a hoe?(*she taps
him on his shoulder*)

Marco slaps Leah.

MARCO

Rapman will rap for approximately 1 minute breaking down everything that has occurred with hints of what is to come

While Rapman is rapping we will see a montage of shots showing how life has changed since the friendship ended. We will see how Timmy is no longer in the group. Showing a scene where Marco, Dwayne and Hakeem walk past him without saying a word.

We will see that Timmy is always with Leah. Different shots of them spending time together. We will also see Marco getting closer to his brother and his world, hanging out with more gang members doing more illegal activities like smoking weed a carrying weapons

Madder is talking about as there have been a few.

KILLY

Oh yeah that yout I thought it was
just some any prick from Peckham
trying to walk through the ends. I
knew he looked familiar. Fam if we
would have known he would have been
dead you already know how I stay
how you even hear about that?

MADDER

Don't worry about that, what was he
doing on the ends

KILLY

Checking his boy I think. My old
bredrin from primary days

MADDER

That yout must know where Switcher

him but you gotta just leave him
alone every time you approach him
he tries to fight you he doesn't
deserve you as a friend

TIMMY

I just don't understand how he can
turn on me like that. And it's not
even just him everyone in school
treats me different now Dwayne
don't talk to me and Hakeem barely
says two words I swear you're the
only one that likes me

their face all covered jump out and surround him before he
gets the chance to run. He sees they want trouble so he goes
on the attack and punches one of them which leads to the
others jumping him. Timmy tries his best to fight back but is
clearly out done. Leah sees what's happening from the
distance and runs over to try and help him

LEAH

Leave him alone!

She hits one of them he responds with a harsh slap she falls to the ground and bangs her head severely. Timmy sees that and tries to attack with his last bit of energy but is smashed across the face with a brick as he falls to the ground he holds onto the boy's mask and reveals it to be Marco. While he's on the ground he manages to turn his head, and sees Leah unconscious with her head bleeding. That's the last thing he sees before he passes out

MARCO

Its nothing to do with being in

her. It's been three years but it
still runs in my mind every day,
she was innocent had nothing to do
with this shit

SWITCHER

You didn't mean to do it though it
was an accident that's why you got
done for man slaughter not murder.
You've done your time. Man are out
here trying to kill you, you gotta
keep your head in the game

MARCO

I heard Timmy and the rest of them
Ghetto ones were on the ends again

Don't lie to me Hakeem

HAKEEM

I'm not lying I have not seen him since he's come out of prison. I don't even live in Peckham anymore im born again I've given my life to Christ. Leah's death affected us all in different ways. It wasn't fair what happened to her

TIMMY

That's why im gonna make him pay

HAKEEM

But killing Marco will not bring Leah back he has already done his time and God will deal with the rest

TIMMY

You think two and a half years is worth her life

HAKEEM

I'm not saying that but that is the justice system plus it was not his intention to kill her if you could just forgive him like God forgives us

TIMMY

She was trying to stop them from killing me and he hit her so hard that she smashed her skull on the ground and died. I will not forgive him until he's dead

*

Timmy gestures to Killy and the two get in the car and drive off leaving Hakeem startled.

TINY MADDER

How did you get him to give it back? You got him on lock enit, everyone's saying that you come like the older and that he's washed

TIMMY

Why?

TINY MADDER

Cause your always saving him like against Switcher. Your basically like the new Sparks cos your mad with your tool and your mad with your hands everyone's saying it.

Timmy and Tiny don't notice that Madder overheard their whole conversation

TIMMY

Don't listen to people they chat shit. And I don't mind if you wanna call yourself tiny madder but be your own man you don't have to be like me. Just stick to your music you could be the next Stormzy or something

RASHID

Alright Tiny let's go for another one

53

EXT. STREETS NEAR MARCO'S FLAT - DAY (NEXT DAY)

53 *

On the street in Peckham Skitz and others discussing current events just before Tyrone and Marco arrive

SKITZ

These ghetto ones are gonna feel it for putting Switch in a wheelchair I bun that Striker yout the other day in his belly but I heard he's gonna make it im pissed

SOLDIER

Its mad that Switcher can't walk anymore but if we keep pressing on them the way we have been were bound to duppy something

SKITZ

We go back up there tonight

TYRONE

No point going up there tonight

SKITZ

Who the fuck is this

Marco wheels in Switcher on his wheelchair.

The guys are startled as it's the first time they have seen their former leader in a wheelchair

SWITCHER

That's my big cousin he's from
Totty

SKITZ

Why you bring him here Switch we
don't need help we've got them on
the ropes right now

TYRONE

Yet the younger who put my cousin
in a wheelchair is still breathing.
I'm not saying you man ain't been
putting in work because its all in
the news but all its doing is
getting your mandem nicked and
making feds more on it. You gotta
move smarter

SKITZ

Wait are you calling man dumb? We
do things our way round here don't
know how you handle tings in
Tottenham but you need to deal with
them Hackney youts before you come
over here chatting shit. Alie
Bricker them man don't want smoke
let's just do what we been doing

BRICKER

Its true though Skitz we've been
cornering up everything but Timmy's
still out there walking around.

SKITZ

That's why you should have let me
wet him up back in the day. Alright
Big cousin what do you suggest we
do

TYRONE

We wait until one of them slips up
on a snapchat post showing their
location or something.

No more reckless shootings we just
wait. Every squad has a weak link
just gotta wait for one of them to
slip up

54 EXT. HANG OUT SPOT - DAY

54 *

The Ghetto gang are all grouped together on HANG OUT SPOT
when Madder, Killy and YM enter *

The group don't look like they want to do as Madder says but
grudgingly begin to move until Timmy speaks up

TIMMY

This is all long

MADDER

What's long about it?

TIMMY

It's all over the news only people
out there on their block will be
the feds don't make no sense us
going

MADDER

If you don't wanna come cool.
Everyone else meet man here in an
hour

TIMMY

It's just gonna get more of us
nicked we can't afford to lose
anymore man

MADDER

You don't talk for the gang.

TIMMY

Neither do you

MADDER

You know what if you agree with
younger and you don't wanna role
for whatever reason stand next to
him but if you're on this g shit
and ready to hit these pagans up
now stand next to me

The group scared to react all just look at each other not
knowing what to do

MADDER

No one ain't gonna get touched just
stand where you wanna be

Killy stands with Madder the rest walk over to Timmy

MADDER

That's how your going on younger

TIMMY

I'm not going on no way I just said
out loud what everyone was thinking

MADDER

You think you run tings? You think
your in charge now? There ain't
nothing you've done that I ain't
done you know. I've been putting in
the work for years while you were
still chilling with them pussyole
Peckham youts

TIMMY

I'm just saying it's not a good
idea to go up there today

MADDER

You don't want man to go cos you
wanna protect your Peckham boy
enit. Yeah I've clocked it now you
don't really wanna kill Bricker you
still fuck with him oi you man he's
probably a snake playing both sides
to set us up

TIMMY

You know what Bricker done

MADDER

What that he killed your girl? For
all we know that weren't even your
girl could have just been some any
slag that anyone was hitting

Timmy pulls out his knife and lunges at Madder but

Killy intercepts and pulls him back

It takes 5 of them to restrain Timmy who is filled with rage

MADDER

Why you man holding him let him go.
You wanna test me younger? Don't
get too big for your boots you know
I'll mess you up

KILLY

What's wrong with you man dead this
we got enough man trying to kill us
without us killing each other. You
man are like brothers

MADDER

Fuck him you brought him to me I
should of just duppied him then
like I was meant to

TIMMY

Come try duppy me now

KILLY

Fuck all this were a team. Madder
you was wrong for that bro you know
it

MADDER

Your picking him over me? Fuck all

in a different direction

KILLY

Yo YM where you going? Don't watch

INT. TIMMY'S FLAT - NIGHT

55 *

Timmy at home looking at pictures of Leah when his phone
rings.

TIMMY

Hello

MADDER

Yo, I'm outside. I want to talk to
you.

Timmy hangs up the phone picks up his knife and storms outside towards Madder

TIMMY

You better shoot me now before I
get close enough to put this in you

MADDER

Calm down I ain't got my ting on me

she wasn't no slag and I know you
ain't a snake I just said all of
them things to get you mad. Big man
ting I was wrong im sorry

TIMMY

Why was you moving like that?

MADDER

I was meant to be the one to put
Switcher down, I was meant to be
the next Sparks not you

TIMMY

So you would rather I let him kill
you? I don't wanna be the next any
body I just wanna put down the man
who killed my girl

*

MADDER

I know man its just I've spent my
whole life on this gangster shit.
I've done things I didn't wanna do
just so my name would ring out but
still with everything I've done I
have never got that love that you
get.

TIMMY

Everyone respects you

MADDER

Fear and respect ain't the same.
When I think about it Sneaks was
right about all this shit its all
long

TIMMY

Who's Sneaks?

MADDER

He used to be squad but he dropped
it all out after Galis died heard
he's a teacher now. Other then you
he was the only man that would
speak up if he thought I was wrong.

Truth is if I would have listened to him Galis would probably still be here.

TIMMY

You just came here to apologize?

MADDER

Yeah fam wanted to say it face to face

TIMMY

So why you come in the van?

MADDER

Na not even Killy's got the drop on Bricker he's on his way to some chicks yard on Old Kent road. Gonna grab Killy quickly dig up my ting then go down there.

TIMMY

He's definitely at this house?

MADDER

Killy ain't been wrong yet

TIMMY

KILLY

Yeah fair enough

The two swap positions Killy gets in the front and Timmy gets into the back

57 INT. MARCO'S FLAT - NIGHT

57 *

Inside Marcos house. He's getting ready to leave out when he gets a text.

"Your taking long where are you now?"

He replies. **"I'm coming now"**. As he is about to leave he hears sobbing coming from Switchers room. It's the first time he's heard his big brother cry it breaks his heart. He is filled with sadness and anger. He can't take hearing it anymore so he leaves to go where he was going

58 EXT. STREETS NEAR TIMMY'S FLAT - NIGHT

58 *

Madder, Timmy and Killy pull up near an empty garden yard. Madder jumps out opens the van door grabs the shovel and shuts it behind him not giving Timmy a chance to step out.

TIMMY

Yo I wanted to stretch my legs

MADDER

Keep an eye out

KILLY

Cool

TIMMY

Yoo Killy buss the door I wanna stretch my legs

Killy is taking a piss

KILLY

Yeah one second fam

Madder is in the yard with a shovel looking for the spot where he buried his guns he comes across the spot and begins digging until he comes across the box he buried. He opens it and sees its empty. Fully shocked he jogs back towards the car. When he gets out of the yard Killy is standing there with a weird look on his face.

MADDER

Someone already dug them up

KILLY

I know

He shows Madder one of the guns he was looking for

MADDER

I swear that's my ting. You dug them up? Where's the other one

Tyrone creeps out behind him with his other gun pointing at him.

TYRONE

You talking about this ting here? I think im gonna hold on to it

MADDER

Who the fuck are you?

TYRONE

Your younger put my cousin in a wheelchair

MADDER

Killy you fucking snake where's younger

KILLY

Fuck younger

Timmy is calling for Killy to let him out but is getting no reply so he begins to try kick open the door. We see a hooded figure walking towards the van that soon reveals to be Marco.

MADDER

You lined us up

KILLY

It's not an us ting your cool Mads but you said yourself he's getting too big for his boots. I was meant to be younger madder, I bring Timmy along and you just forget man. But I don't blame you though I know its YM fucking with your head turning you against me

59 EXT. STREETS NEAR TIMMY'S FLAT - CONTINUOUS

59

Timmy in the van

TIMMY

Yo Killy let me out what's taking so long

TIMMY

MARCO

TIMMY

MARCO

Marco begins pouring petrol all over the van

TIMMY

What's that smell what you doing is

MARCO

Timmy starts trying to kick open the door. Help! Fuck you

MARCO

You're the one who's fucked now

60

EXT. STREETS NEAR TIMMY'S FLAT - CONTINUOUS

60

Outside the yard Tyrone, Madder and Killy

MADDER

I don't know what the fuck your

love and so did younger but if you
go through with this your done on
the ends.

KILLY

Fuck the ends I need ps and my man
offered 4 boxes of Ami to line him
up he's already given me two and I
get the others after YMs dead. I'll
even give you one what you saying?

TYRONE

The deal was 3 boxes I only owe you
one

Before he could finish his sentence Madder hits him with the
shovel causing him to drop his gun and fall to the ground.
Madder sees Bricker pouring petrol on his van. He attempts to
rush over but is blocked by Killy pointing his gun at him

MADDER

Killy move out the fucking way

KILLY

You might be alright living in his shadow but I've been doing it since Primary and I ain't doing it no more, fuck him and furthermore fuck you.

He points the gun at him and pulls the trigger but nothing happens.

MADDER

You forgot I used the last shell in the park you prick

They both run for the gun that Tyrone dropped. They reach it around the same time and wrestle with it until the gun goes off and shoots Killy dead.

Marco has the lighter flame up ready to set the van alight but has a moment where he freezes looking unable to go through with it as memories of the good times with his old friend flash in his head but then they are quickly replaced with the bad memories like when Timmy tried to kill him and stabbed his brother. Marco sets the van on fire with Timmy trapped inside

*

Madder fires a shot towards Marco it ricochets off the van. Which is covered in flames, Marco shoots one back then runs off as his job to set the van on fire with Timmy inside is done.

Madder rushes over to the van with the shovel trying to protect himself from the flames and at the same time trying to open the door using the shovel.

Leah)

gonna see her again its ok. (Timmy
passes out)

MADDER

Younger stay awake just stay awake

Madder eventually manages to get the door open and pull him out. While trying to wake him up he doesn't notice the Police, fire brigade and ambulance have arrived. The police drag Madder away from Timmy and cuff him while the paramedics try to revive him. They attempt to put Madder in the police van but he is not going quietly.

MADDER

Get off me I just want to know if
he's ok ask them if he will be
alright please that's all I wanna
know

*

One of the Police officers goes over to the paramedics working on Timmy while Madder is being aggressively shoved into the van. The officer comes back over to Madder

OFFICER SMITH

They done all they can but his
lungs took in too much smoke im
afraid he didn't make it

The news has Madder frozen making it easy for the police to maneuver him into the van.
