14. **GRAMS: Titanic ANW1966 023 A-Past-Of-Pride-4-(60) FROM TOP**
15. HAROLD: Goodbye my love! Your face will be etched upon my mind as I descend the icy depths. But I shan't feel the cold, for the fire of our love will-
16. EMILY: Catch you in a bit.
17. HAROLD: Sorry, can I just-
18. **GRAMS: VIOLINS CUT OFF**
19. EMILY: What is it now?
20. HAROLD: I don't mean to keep you from safety, my sweet petal that shimmers in the morning sun. It's just, erm... You won't catch me later will you?
21. EMILY: Why not?
22. HAROLD: Because, I'm not sure if you've noticed, [ANGRY] but the ship is sinking [NICELY] my love, who constricts my heart with a tenderness that rivals Aphrodite herself...
23. EMILY: Oh yeah...

24. HAROLD: So perhaps you might wish to say something more everlasting to your true love...
25. EMILY: Ok...erm... [SILLY VOICE] Byeeeeeeee.
26. HAROLD: More everlasting than that!
27. EMILY: Kind regards?
28. HAROLD: A little cold.
29. EMILY: Ciao bella!
30. HAROLD: Bit silly.
31. EMILY: In a while crocodile-

33. EMILY: Erm... Colin?
34. HAROLD: Good lord you're not my wife.
35. EMILY: I'm so sorry it just got too awkward to say anything.

FRAMING 1

1. STEVIE: Great work everyone, let's just keep it going into the next sketch which is...Kiell what are you doing
2. KIELL: Planting a tree?
3. STEVIE: I can see that but I need you on stage
4. KIELL: And I need to offset the carbon of this show
5. STEVIE: I don't think a radio show episode creates that much carbon
6. FREYA: You flew here by private jet
7. SEAN: What? How much do you get paid?
8. STEVIE: Pretty much the same as you, like 750k an episode?
9. SEAN: WHAT
10. KIELL: It's ok, it's ok, I'm offsetting the jet with this sapling.
11. STEVIE: How long is that going to take
12. KIELL: You can't rush nature.
13. KATIE: I could wear this solar panel
14. STEVIE: We're indoors?
15. KIELL: There are stage lights?

16. STEVIE: Ohhh ok. So are you all gonna wear solar panel hats or
17. SEAN: No no I'm going to hold a wind turbine
18. FREYA: (muffled) And I'll be inside this water mill
19. STEVIE: The audience won't be able to hear you
20. FREYA: (not muffled) what if I stick my head out the window
21. STEVIE: Yeah great great fine. We need to keep going with the show go go go.

TAKING CARE OF GRANDMA

1. **FX: KEY TURNS IN LOCK, DOOR OPENS**
2. ALEX: Hey Cam, welcome back!
3. CAM: Thanks! How's it been taking care of Grandma?!
4. ALEX: (CHANGING SUBJECT) Where did you stay in Thailand?
Somewhere nice?
5. CAM: Where's Grandma?
6. ALEX: Lovely tan. What sort of temperatures did you get over there?
7. CAM: Alex, what's happened to my grandma?
8. ALEX: Listen. I didn't know she was going to be so fast.
9. CAM: What?
10. ALEX: That woman can move. You said she was a 91-year-old lady.
The moment you left, she started climbing the garden fence. It
took three of us to get her down.
11. CAM: Where is she now? (CALLS OUT) Grandma! Grandma! (SORT
OF WHISTLING LIKE WHEN YOU'RE TRYING TO GET A
DOG TO COME OVER TO YOU)

12. ALEX: She moved around the house like a lizard. I couldn't catch her. At one point she was putting her dentures in while hanging from the ceiling. This has been the most stressful week of my life.
13. CAM: Well did you do the things I suggested – long walks, hide her meds in a piece of ham?
14. ALEX: Nothing I did worked. I think she didn't like my smell.
15. CAM: What about using treats?
16. ALEX: Well, on Tuesday I sat her down in front of the Antiques Roadshow.
17. CAM: Great!
18. ALEX: But then she kept saying that she wanted to be free; wanted to feel the wind rushing through her hair. And I thought, it's too cruel to keep her here.
19. CAM: Oh Alex, tell me you didn't fall for her scratching at the door.
20. ALEX: I'm sorry! I looked into her eyes and I smiled. And she smiled. I opened the door. She sniffed the air. Woosh. She was off. Racing on all fours down the road, leaping over fences, howling with pleasure. Little wink back at me to say thank you. She was free.

21. CAM: Alex! She might be on the M25 by now!

22. ALEX: Are you angry at me? Where are you going?

23. **FX:** **DOOR OPENS**

24. CAM: (CALLING) Grandma! Grandma! It's ok, she's underneath the car!

SELF CARE TOP TIPS

1. **GRAMS:** **Self Care ANW4062 005 Higher**

2. LUCY: Hi guys and welcome back to my YouTube Channel - 'Health and Nourish Flourish Happy Something Good Feeling Times'! Here are my Top Five ways I maintain my self-care routine since quitting secure employment to become an online influencer for less than no money.

3. **FX:** **GENTLE, SUBTLE ALARM CLOCK**

4. LUCY Number 1: Early risers are happier so it's time to rise and shine! I enjoy waking up so much I do it several times a night - firstly at 3am, then 4am, then again at 5:37am, when I've had that nightmare about the big skeleton who throws me into the sea.

5. **FX:** **MICROWAVE HUMS, THEN, DING!**

6. LUCY Number 2: Eat a balanced diet! It's important to nourish yourself with carbs, fats and protein; you can find all three in a packet of beef Hula Hoops. Green tea is also packed with health benefits so I always make a cup then immediately throw it away when I remember it tastes like sock.

7. **FX:** **BAR ATMOS**

8. Number 3: Be social! Connecting with people is a great way to give your mental health a boost. But remember, if you're using social media, set limits: only stalk friends and exes who've become less successful than you. This tip has reduced my screen time to zero.

9. **ATMOS:** **GYM ATMOS**

10. LUCY Number 4: Exercise. Most days I do three minutes of boring Pilates before getting my steps in wandering around the weight machines at Pure Gym looking confused. Jog home in time for The Chase, to train your brain with knowledge while waiting for Bradley Walsh to laugh at the word 'fanny'. Remember: crying really works those abs.

11. **GRAMS:** **GENTLE LULLABY TYPE MUSIC**

12. LUCY Number 5: Set a bedtime routine. Each night I meditate for 2 hours in front of the Netflix menu before choosing an enriching documentary like 'Brits Banged Up Abroad'. I end the day drifting into unconsciousness fully clothed on the sofa and...oh, sorry guys, I'll have to leave it there.

13. **FX:** **WAVES LAPPING. DISTANT GROAN OF DEMONIC SKELETON, BONES JANGLING.**

14. LUCY It's the big skeleton who throws me into the sea. Don't forget to subscribe and if you're the skeleton, leave a comment if you want to go on a date.

8. GARY: Menacing? How? Is it something I said?
9. BOSS: It's not what you say. It's how you say it. As you know we record all our phone calls for safety and training purposes. Let's take a look at a call from last week.
10. **FX CLICK.**

11. GARY ON PHONE:

Look after yourself Mr Delaney. We wouldn't want any accidents happening. Or would we?

12. GARY: He said he was going on holiday. I was just hoping him a safe trip.

13. BOSS: What about this clip from yesterday.

14. GARY ON PHONE:

I'm sorry your bill's higher than expected. You must have been so shocked you thought you might die. Muah ha ha ha haaa!

15. GARY: I was merely expressing sympathy.

16. BOSS: You were cackling like a cartoon vampire.

17. GARY: Everything sounds weird out of context.

18. BOSS: Gary, we really can't have you signing off in these ambiguous, sinister undertones.

19. GARY: Well I can tell where I'm not wanted so you can stick your job. I've been headhunted for another job anyway.

4. SEAN: Freya's having a bath

(in the distance, splashing and Freya humming a tune)

5. STEVIE: But she's meant to be doing the next sketch. Katie can you fill in for her? Katie?

7. STEVIE: Get them both back here
8. SEAN: OK I'll charter your plane
9. STEVIE: KEEP YOUR HANDS OFF MY JETS
10. KIELL: It's fine, it's fine I'm offsetting that by rewilding stage left
11. STEVIE: Could you do some comedy on it instead? The audience are getting impatient listen (audience and then a few bird sounds) hang on is that...

12. KIELL: Aw it's a sparrow

HEALTH AND SOCIAL CARE SURPRISE

1. TEACHER: Right year 12 – settle down! Let's go through the results of your parenting simulation experiment. Have you all got your Real Baby 3000s?

2. ELLA & FINN: Yes miss.

3. **FX** **BABY NOISES**

4. MAX: Miss, mine doesn't seem like it's quite right...

5. TEACHER: Oh yes, that one's been in the department about 50 years, so it might be a bit different to the others

6. DAD BABY: (DAD NOISES) ooofff, ah, me back's in bloody bits

7. MAX: It's a fully grown man!

8. TEACHER: I'm sure it won't impact the results that much. So year 12, how did the experiment impact your sleep?

9. FINN: Mine slept like a baby. I mean, obviously, cos it's a baby.

10. ELLA: My baby didn't sleep. It woke me up five times a night.

11. MAX: Mine stayed up till 2 watching Darts on eurosport. Then it would wake me up at 6am, hocking up spit in the sink and slamming cupboard doors in the kitchen.
12. DAD BABY: Luke Littler, he's got the world at his feet that lad.
13. TEACHER: Okay.... Erm. How did the crying affect you?
14. FINN: Mine cried when it was hungry.
15. ELLA: Mine cried when it pooped.
16. MAX: Mine was pretty emotionally repressed. It only cried when Tottenham lost.
17. DAD BABY: Just square it to Richarlison, it was an open goal!
18. TEACHER: Was communication an issue? How was it dealing with something that couldn't talk?
19. FINN: I got good at guessing what it wanted
20. ELLA: I found it really confusing.
21. MAX: Mine never shut up. It went on and on about how you can't say anything these days. And told stories about their neighbour's old cat that were weird and, I'm pretty sure, a little bit racist.

22. TEACHER: Were there any tantrums?
23. FINN: When it needed burping
24. ELLA: When it was teething
25. MAX: When it couldn't find the remote and accused me of sitting on it.
In its defence, I was sitting on it to be fair.
26. TEACHER: What did you do when the tantrums got too much?
27. FINN: I let her play Candy Crush on my iPad.
28. ELLA: Me too.
29. MAX: Yeah that actually worked for me too.
30. TEACHER: And what did you learn from this experiment?
31. FINN: Having babies is hard.
32. ELLA: I don't want to be a parent for a long time.
33. MAX: I can't wait to be a mum!
34. DAD BABY: That's my girl! Righto, off for a snooze with the telly on full
blast. (Dad noises getting out of a chair) oof my back is playing
silly buggers today

35. MAX: They're so cute at this age.

THE PROMISE

1. **GRAMS:** **Artillery and gunfire of the Western Front.**
2. CAPTAIN: It's nearly time Jones. We're going over the top and there's a ruddy good chance I won't be coming back.
3. JONES: Don't say that, Captain. You'll be fine.
4. CAPTAIN: I want you to promise me something sergeant.
5. JONES: Anything.
6. CAPTAIN: If I don't make it, I want you to make sure my darling Alice gets my wedding ring. Here take it.
7. JONES: It would be an honour, sir-
8. CAPTAIN: And my pocket watch.
9. JONES: Of course-
10. CAPTAIN: Also, this shoe I found.
11. JONES: Right.
12. CAPTAIN: And the novel I've been working on entitled the Erotic Adventures of Robin Hood.

13. JONES: And...where does Alice actually live?
14. CAPTAIN: And this small stone that's shaped like a willy. This necklace of rat skulls I made. Look I painted them, aren't they pretty?
15. JONES: I'm gonna need a postcode, at the very least.
16. CAPTAIN: And my love prediction from the Zoltar the Magnificent Machine. My soiled trousers in which an image of Christ has appeared. This talking crab.

17. **FX** **CRAB PINCERS**

18. CRAB: Good morning.
19. CAPTAIN: This massive potato-I mean seriously look at the size of it. A piece of the true cross. This cursed hat. Twenty-four gallons of unpasteurized milk.
20. JONES: Wait here Captain, I'm going to get a couple of bags for life.
21. CAPTAIN: And tell her I love her. And also tell her, "look after your customers, and they'll look after you". And also, my favourite verse of poetry, which goes: "There was a young woman from Kent—"
22. JONES: Captain, I'll have to stop you there, as the other men have gone over the top.

23. CAPTAIN: There's just one more thing sergeant...

24. **FX** **EXPLOSION**

25. **FX** **A TICKING GRANDFATHER CLOCK.**

26. JONES (VO): I dutifully collected the Captain's possessions, and wrote down all his messages. Even though most of them were bollocks.
(ALT Even though not one of them made sense). When the war was over, after months of searching, I was able to find Alice...

27. VICAR: My dear child, I am so terribly sorry to hear about your husband Alice.

28. ALICE: Thank you, Vicar. The war was a truly ghastly business.

29. VICAR: But as I always say— good God, is that a massive potato?
And...Oh my... there seems to be a gentleman inside your drinks cabinet.

30. ALICE: That's Sergeant Jones. Bequeathed to me by my late husband.
I'm just keeping him there until I can get a lovely display case made.

31. **FX:** **CABINET DOOR SQUEAKS OPEN**

32. JONES: Oh, by the way Alice, he also wanted me to tell your sister that he loved her?
