

DOCTOR WHO
SERIES 12
EPISODE EIGHT
THE HAUNTING OF VILLA DIODATI
PROGRAMME NUMBER: DRAA750H/01

10:00:00 BBC WORLDWIDE STING

10:00:05 EXT. LAKE GENEVA, SWITZERLAND, 1816 - DAY

CAPTION: LAKE GENEVA: June, 1816

Dark clouds roll in over the mountainous landscape, blocking the unnaturally weak rays of the June sun. A deep, guttural rumble of thunder as we find the elegant Villa Diodati, perched high above the sloping banks of the lake.

Light pulses across the low grey sky - a violent electrical storm is coming. We close in on the imposing facade. Rain hammers down. Wind rises all around - almost as if the house is inhaling an anxious breath of its own --

CUT TO:

10:00:15 INT. VILLA DIODATI DRAWING ROOM - DUSK

MARY WOLLSTONECRAFT GODWIN (18, intelligent, witty, self possessed) looks out with dismay at the foul weather, her four month old son WILLIAM cradled in her arms. A morose LORD BYRON (28, brooding, dashing, mercurial) and a tired looking DR JOHN POLIDORI (20, extremely handsome, bad tempered) lounge close by. CLAIRE CLAIRMONT(17, bold, single-minded) lights candles. Byron's valet FLETCHER, stands in the corner beside a gaunt HOUSEMAID ready to wait on them.

BYRON

Confined again. I cannot bear it.

MARY

The very world itself seems sick.

POLIDORI

A most ungenial summer. I've never known air as dank and frigid.

BYRON

Dank and frigid. Now, who does that remind me of? I wonder.

BYRON makes a show of pretending to consider then points at POLIDORI, as if enlightened. POLIDORI shoots him daggers. One of CLAIRE's candles suddenly extinguishes itself.

Puzzled, she will light it again. MARY hands WILLIAM to his nursemaid ELISE, fond.

MARY

Sleep well, sweet boy.

ELISE carries him out.

CLAIRE

Perhaps Lord Byron or Doctor Polidori would read to us?

BYRON

(a little weary)

And what does Miss Clairmont wish to hear?

CLAIRE would reply but passionate MARY jumps in first.

MARY

Something to awaken thrilling horror.

10:01:02 Music

in 'M1 Thrilling Horror'

BYRON comes alive. POLIDORI sits up and takes notice.

BYRON

Yes Mrs Shelley!

MARY

(keen)

To make us dread to look around.
To curdle the blood - and quicken
the beatings of the heart!

BYRON

I have just the thing!

He grabs a copy of 'Fantasmagoriana' from a pile of books.

BYRON (CONT'D)

(relish)

Tales of the Dead.

MARY's thrilled. Long suffering FLETCHER rolls his eyes.
The maid who was standing next to him has VANISHED.

CUT TO:

10:01:31. INT. VILLA DIODATI STAIRCASE - DUSK

ELISE carries WILLIAM up an imposing staircase - unaware as things begin to move in her wake: candles flicker, portraits shift, shadows grow -

CUT TO:

10:01:43 INT. VILLA DIODATI CORRIDOR - DUSK

The subtle, eerie movement continues after ELISE with WILLIAM. A floorboard creaks. After a very long beat, the doorknob twists abruptly.

CUT TO:

10:01:59 INT. VILLA DIODATI DRAWING ROOM - NIGHT

Night has fallen. BYRON reads expertly - all captivated, especially MARY.

BYRON

'At midnight we took a torch to the chapel. With pallid countenance and trembling limbs, we descended to the vault. Hildegarde's leaden coffin loomed before us. The Count was seized with the sensations of terror. He opened the coffin with a stifled cry of dread, and inside we saw -

BANG! BANG! BANG! From the door - everyone startled.

The others are a little spooked. FLETCHER not so much.

FLETCHER

I shall send whoever calls away, my lord.

BYRON

No Fletcher!

MARY

(horrified whisper)

What if it is she? Hildegarde the death-bride!

BYRON

If something infernal is on my
doorstep, I should be the one to
go and greet it.

CLAIRE

(nervy)

Infernal? Surely not?

BYRON

Who is brave enough to come and
see?

CUT TO:

10:02:31 INT/EXT. VILLA DIODATI ENTRANCE HALL/DOORWAY -
NIGHT

MARY leads BYRON, CLAIRE and POLIDORI cautiously through
the shadowy entrance hall towards the door. They halt when
a KNOCK comes again, firm and demanding.

POLIDORI

I'll wager it's Shelley. Amusing
himself with a trick.

MARY

Shelley is not one for tricks.

Wary CLAIRE clings to Byron. They're all unaware that a
dark, indistinct figure now stands hidden in the back of
shot almost part of the furniture.

BYRON strides forward -

BYRON

There is nothing to be afraid of -

He opens the door and BOOM! An epic fork of lightning rips
through the sky, bathing four figures on the doorstep in a
sinister blinding glow.

BYRON, CLAIRE, MARY and POLIDORI all SCREAM in terror! THE
DOCTOR, YAZ, GRAHAM and RYAN (drenched) all SCREAM back in
shocked response!

10:03:30 Music out 'M2 Opening Titles'

CUT TO:

10:03:30 INT/EXT. VILLA DIODATI ENTRANCE HALL/DOORWAY -
NIGHT

10:03:30 Music in 'M3 Soak Up The Atmos'

THE DOCTOR

Good evening! Not quite the welcome I was hoping for, but I'll admit we've looked better.

Pleasure to make your acquaintances, I'm -

She holds out the psychic paper - also dripping wet. The others stare back with puzzlement - it's blank to them. (The figure in the hall now gone).

THE DOCTOR (CONT'D)
Nothing? Weird. Probably needs a
blow dry.

YASMIN KHAN
Got a bit caught in the downpour.

GRAHAM is LOVING playing the stiff collared dandy:

GRAHAM O'BRIEN
Because it is a truth universally
acknowledged --

THE DOCTOR
(hushed hiss)
Wrong writer!

GRAHAM O'BRIEN
- that one's driver will always
park the carriage imprudently far
from whence one is going.

Side eye at THE DOCTOR who huffs. The others are even more puzzled now. The rain pours. Ryan takes the direct approach.

RYAN SINCLAIR
Can we please just come in before
we drown to death, please?

The gang all smile, soggy and hopeful.

CUT TO:

10:04:16 EXT. LAKE GENEVA, SWITZERLAND, NIGHT

Dark clouds and thunder roll over the villa at night.

CUT TO:

10:04:22 INT. VILLA DIODATI STAIRS/ENTRANCE HALL - NIGHT

The (drier) gang head downstairs and through the hall.

THE DOCTOR
One hour, tops.

GRAHAM O'BRIEN
Plus drying time.

THE DOCTOR

Okay, so there was a spot of rain.
And gale force wind. Also a super
long walk. But I got us here
didn't I? And Mary Wollstonecraft
Godwin, soon-to-be Shelley, just
screamed in your face. Quality
historical experience that. Gold.

YASMIN KHAN

(spooky voice)

On the night that inspired
Frankenstein!

FLETCHER suddenly steps into view causing GRAHAM to flinch dramatically. The others are amused.

FLETCHER

If you'd be so kind.

He motions they should follow him towards the drawing room.

THE DOCTOR

Excuse me Yaz, I was very clear on
the rules.

RYAN SINCLAIR

Nobody mention Frankenstein.
Nobody interfere.

YASMIN KHAN

Nobody snog Byron.

GRAHAM O'BRIEN

In, out, soak up the atmosphere.

They're oblivious to a dark, indistinct man who looms
behind them as they walk - arms outstretched and pleading -
before vanishing.

THE DOCTOR

Witness some of the most
enlightened minds of a generation
at the pinnacle, the absolute
zenith of their creativity --

FLETCHER swings the drawing room doors open - to reveal the group playing a raucous game of blind man's buff, all hilarity and shrieking. BYRON collapses in an elegant heap at their feet and pushes up his blindfold, appreciative.

BYRON

What would you all care to drink?

CLAIRE

We must teach them the dance!

10:05:14 Music out 'M3 Soak Up The Atmos'

CUT TO:

10:05:14 INT. VILLA DIODATI DRAWING ROOM - NIGHT

10:05:14 Music in 'La Tempete'

Party atmosphere as the eight of them now dance an energetic quadrille - FLETCHER on the pianoforte. BYRON partnered with THE DOCTOR (an expert), MARY with RYAN (struggling), CLAIRE with GRAHAM (surprisingly good) and YAZ (muddling through) with POLIDORI. Montage of their snatched conversation as they meet and cross through the dance:

BYRON

(to THE DOCTOR)

I detest all gossip you
understand. Utterly abhor it. But-

-

POLIDORI

(to YAZ)

Mary goes by Mrs Shelley, however
she and Percy are not married.

BYRON

(to THE DOCTOR)

It really is quite the scandal.

MARY

(to RYAN)

Lord Byron is separated from his
wife. The rumours are so
disastrous he cannot return to
England.

POLIDORI

(to YAZ)

Now he keeps company with Mary's
step sister, Miss Clairmont.

CLAIRE

(jealous glance at THE
DOCTOR, TO GRAHAM)

We have an exceptionally strong
attachment.

BYRON

(to THE DOCTOR)

She scrambled five hundred miles
from England to see me here. I
could hardly turn her away.

They switch partners GRAHAM to THE DOCTOR now:

GRAHAM O'BRIEN

Excuse me fair lady, I must pop -
eth to the little boys room.

10:06:04 Music out 'La Tempete'

He ducks out, leaving THE DOCTOR partner-less, suffering
RYAN passes, two left feet.

THE DOCTOR

So, that was marvellous, but is
anyone up for, I don't know - I'm
spit balling here - writing the
most gruesome, spine chilling
ghost story of all time?

10:06:10 Music in 'M4 A Man Down'

CUT TO:

10:06:15 INT. VILLA DIODATI BEDROOM/CORRIDOR - NIGHT

ELISE

Sleep tight Master William

WILLIAM lies awake in his crib. ELISE leaves the room and
gently shuts the door. The corridor almost sighs as a cold
breeze rushes through. She moves along it, wary, until a

vase throws itself violently against the wall. She jumps with shock!

CUT TO:

10:06:38 INT. VILLA DIODATI DRAWING ROOM - NIGHT

THE DOCTOR's trying to drum up enthusiasm.

THE DOCTOR

You know, blood and guts? Maybe throw in a corpse for good measure. That float anyone's boat? Mary?

MARY

Or perhaps another quadrille? I shall choose the music.

MARY moves to the pianoforte which FLETCHER vacates. THE DOCTOR covers worry.

YASMIN KHAN

(hushed, to THE DOCTOR)

Excuse me Doctor! You broke a rule. Next you'll be snogging Byron.

They look over at impossibly handsome BYRON. He smiles back, giving all three of them the eye.

THE DOCTOR

I was trying to get them back on track. Something's wrong here.

CLAIRE furtively picks up a knife from a platter of fruit and slips out of the room - YAZ notices.

THE DOCTOR

This night, June eighteen sixteen. Byron challenges Mary, Polidori and Percy Shelley to come up with a ghost story. Spot the difference.

They look at the others enjoying themselves.

YASMIN KHAN

Not much writing going on. And no Shelley.

THE DOCTOR

Bingo. They're a man down. Why?

CUT TO:

10:07:13 INT. VILLA DIODATI CORRIDOR - NIGHT

Edgy ELISE clears up the broken vase, pausing when she hears something. GRAHAM is suddenly beside her and ELISE cries out, petrified.

GRAHAM O'BRIEN

Sorry love! Got myself lost somehow. I am in search of the Lavatory.

ELISE just points with terror at the portrait.

ELISE

Terrible Monsieur! Diabolique!

She crosses herself and flees. GRAHAM's bemused.

GRAHAM O'BRIEN

Never mind. I can hold it. Big house like this - there's got to be a lav somewhere.

He heads off out of sight. We remain in the empty corridor for a long, tense beat. Rain lashes against the windows. Floor boards creak.

All at once the portrait drops heavily to the ground. We stay on it. Something strains against the canvas. Stillness again. Then - RIP! - a SKELETAL HAND bursts through the picture towards us! It lands, flexes, then scurries off again at speed -

CUT TO:

10:07:50 INT. VILLA DIODATI CORRIDOR - NIGHT

GRAHAM makes his way along a dark corridor, feeling a sudden chill to the air. He doesn't notice the gaunt

HOUSEMAID stands hidden watching him from the shadows as he finds himself back where he started, confused. A swift flash of white passes behind him as he attempts to get his bearings.

GRAHAM O'BRIEN
Going round in circles here.

Frustrated, he opens a door and finds William's room - no luck. As the door closes we catch a brief glimpse of a pale little girl in a white nightdress hidden behind it.

CUT TO:

10:09:36 INT. VILLA DIODATI CORRIDOR - NIGHT

CLAIRE attempts to pick the lock of the door we saw earlier with the knife. Track in with slow stealth - POV of something approaching - until we hear that creak again.

She looks up. We anticipate a full on scare - but she sees no one, threat apparently gone. Then - jump scare when we least expect it - YAZ is revealed, watching her from the opposite direction.

CLAIRE
It is impolite not to announce
oneself Miss Khan.

YASMIN KHAN
Breaking and entering's worse.

CLAIRE
I am not at fault if Lord Byron
selfishly keeps it locked.

YASMIN KHAN
What are you after?

CLAIRE
Letters. If he's written about me
I can ascertain his true
sentiments.

The lock won't budge. She's thwarted. YAZ sits. CLAIRE sinks down beside her.

YASMIN KHAN

Or you could try asking him?

CLAIRe

I have. His answers only increase
the enigma.

YAZ can't help but think of THE DOCTOR.

YASMIN KHAN

I know someone like that.

A flash of lightning from the a window reveals the SKELETAL
HAND now clinging to the wall just above their heads!

CLAIRe

Mary reproaches me. Insists I
should choose a more reliable
prospect. Not that she can talk.

YASMIN KHAN

Perhaps she's right? His eye does
seem to wander.

CLAIRe considers, but steels herself.

CLAIRe

This enigmatic person of yours.
Would you trade them for reliable,
and dull?

YASMIN KHAN

My person's a bit different -
(breaking off, concern)
do you see that?

The indistinct man now stands at the end of the corridor -
blending in with the shadows, reaching out -

CLAIRe

What?

Lightning flashes. Only the edge of a grandfather clock is
illuminated. YAZ pushes down unease.

YASMIN KHAN

Nothing. Trick of the light.

Lightning flashes again. THE HAND above them is gone too.

CUT TO:

10:10:09 INT. VILLA DIODATI LIBRARY - NIGHT

THE DOCTOR pokes around, a subtle sonic here - a hand to the wall there. She pauses, taken aback - something feels distinctly off. She's about to stick her ear to the wall when flirtacious BYRON appears in the doorway.

BYRON

She walks in beauty, like the
night.

THE DOCTOR

Of cloudless climes and starry
skies.

BYRON

I am intensely flattered you're
familiar with my work, Mrs Doctor.

She doesn't flirt back.

THE DOCTOR

Just Doctor, is fine. Quite into
Shelley's stuff too - he about?

He bristles a little - jealousy? Or something more
sinister?

BYRON

Indisposed I'm afraid. He won't be
joining us. May I be candid?

THE DOCTOR

Go for it.

BYRON

I sent my man out to fetch your
carriage. But it seems to have
disappeared.

He eyes her, suspicious.

10:10:53 Music in 'M4 A Man Down'

CUT TO:

10:10:53 INT. VILLA DIODATI DRAWING ROOM - NIGHT

10:10:53 Music in 'Chopsticks'

RYAN's now at the pianoforte, playing a quick amateur blast of 'Chopsticks'. POLIDORI winces at the noise, but MARY's delighted.

10:11:07 Music out 'Chopsticks'

MARY

Such a jaunty air. Is it popular
in the colonies?

10:11:12 Music in 'M5 Unrelentingly Evil'

RYAN SINCLAIR

Er, yeah. My Nan taught me. I get
the keys wrong, but she always
said it was no reason not to try.

MARY

I should practise more, but I
confess I prefer to write. Even
though my efforts are weak. I
could never hope to match the
achievements of my parents.

RYAN SINCLAIR

My Nan would say stick with it.

MARY smiles and plays another tune for RYAN. POLIDORI looks over again, sour.

RYAN SINCLAIR (CONT'D)

What's his problem?

MARY

(hushed)

Oh, pay Dr Polidori no heed. He's
bad tempered because he does not
sleep.

He walks at night. A terrible affliction. Imagine never being able to truly rest.

POLIDORI looks back at him, intense.

CUT TO:

10:11:52 INT. VILLA DIODATI DINING ROOM - NIGHT

THE DOCTOR moves through to the dining room, continuing her investigation. BYRON in close pursuit.

BYRON

I am fully aware of what you want.

THE DOCTOR

Please reveal all.

BYRON

(beat, appalled fanfare)

My third canto.

THE DOCTOR looks underwhelmed. He's wrong footed.

BYRON (CONT'D)

Of Childe Harold's Pilgrimage. My work in progress.

THE DOCTOR

Nah, goes on a bit that one, no offence. Nice mention of Ada though. Big fan of hers.

BYRON

You know of my daughter?

THE DOCTOR

I will do. Gorgeous brain.

BYRON's mind is blown a little.

BYRON

(confused concern)

Why are you here?

THE DOCTOR

For a quick visit supposedly, but
I'm getting this really weird vibe
off your house.

BYRON

'Vibe'?

THE DOCTOR

Yeah. And I don't want to worry
you, but I'm sensing it's sort of,
unrelentingly evil.

CUT TO:

10:12:33 INT. VILLA DIODATI DRAWING ROOM - NIGHT

MARY plays, RYAN now sits close by - GRAHAM joins him.

GRAHAM O'BRIEN

(hushed)

It's like a maze up there. And
we're a few years shy of toilets.

FLETCHER is suddenly at his side, GRAHAM almost jumps sky
high in shock. FLETCHER points discreetly to a chamber pot
in an open cupboard - neither are impressed.

GRAHAM O'BRIEN (CONT'D)

Blimey! You've got to stop doing
that. Splendid. How very
convenient. Ryan, no
khazi for love nor money, and a
French woman who's got the right
hump about something.

Irritated by the music, stiff POLIDORI approaches.

POLIDORI

Mrs Shelley seems fatigued.

MARY

Only of waiting to dance.

RYAN SINCLAIR

You're the one who looks like
death.

POLIDORI

(a beat, irked)
Do you insult my visage sir?

RYAN SINCLAIR
Might want to stop shooting
daggers and take a nap mate.

POLIDORI
I beg your pardon?

GRAHAM O'BRIEN
He meant perhaps you should take a
rest.

POLIDORI
(insulted)
I'm a physician. I am in rude
health.

RYAN SINCLAIR
Okay. Whatever you say.

POLIDORI
(incensed)
Then I say choose sir!

Weary FLETCHER rolls his eyes. MARY's not surprised.

MARY
Sorry. He does this rather a lot.

POLIDORI
Choose your weapon!

GRAHAM and RYAN are both baffled.

RYAN SINCLAIR
What?

MARY
Isn't it obvious? He's challenging
you to a duel.

RYAN SINCLAIR
Okay, really don't want to fight
anyone.

POLIDORI
(authoritative)

Fletcher, you will be my second.

FLETCHER's heart sinks.

POLIDORI (CONT'D)

(to RYAN, re GRAHAM)

Will Mr O'Brien be yours?

GRAHAM O'BRIEN

No!

RYAN SINCLAIR

Cheers.

GRAHAM O'BRIEN

Because there won't be a duel. I
absolutely, utterly forbid it.

But POLIDORI strides to the door.

POLIDORI

I shall return with my pistol.

RYAN SINCLAIR

He's getting a gun. He's getting a
gun. He getting a gun!

As the door opens - the hand scurries into the room!
Shocked POLIDORI jumps out of the way.

MARY

(amazed)

Whatever is that?!

It comes to a stop. Curious GRAHAM, RYAN and MARY venture
closer. It flexes as if trying to decide what to do.

RYAN SINCLAIR

(puzzled)

I think it's a --

The HAND launches itself at RYAN's throat!

RYAN SINCLAIR (CONT'D)

(strangled)

-- hand! Definitely a hand!

Stunned GRAHAM and MARY move to his aid (POLIDORI's bravado
is gone. FLETCHER stands stricken with his tray).

GRAHAM O'BRIEN

Doctor!

RYAN's incomprehensible, the others try to prise it off.

MARY

It's so strong! And ferocious!

MARY bends a finger back with great difficulty -- the HAND pings away from gasping RYAN - flies across the room -- right at THE DOCTOR as she runs in with BYRON. She instinctively bats it away -- it ricochets over to FLETCHER!

FLETCHER delivers a decisive blow with his gold tray - smashing it to dusty smithereens mid air! Breathless shock all round.

THE DOCTOR

Great shot!

FLETCHER bows. Shocked, but pleased with himself.

CUT TO:

10:14:14 INT. VILLA DIODATI DRAWING ROOM - NIGHT

Everyone's gathered as THE DOCTOR examines the small heap of dust and bone fragments that was the hand. She dips her finger in, tastes it, and considers.

THE DOCTOR

Fourteenth, no, fifteenth century
- touch more umami.

Horrified MARY whispers aside to BYRON.

MARY

She licked it.

BYRON

(smitten)

She is the most baffling creature
I've ever been acquainted with.

CLAIRE's not impressed by his tone. THE DOCTOR sonics the dust. Everyone (apart from the gang) is taken aback. She's bemused by the reading.

THE DOCTOR
Human. Protein, collagen and --
nothing abnormal.

POLIDORI
What kind of implement is that?

RYAN SINCLAIR
One that zaps your head off when
you threaten people with guns.

POLIDORI is suitably chastened.

MARY
I don't think they're really from
the colonies.

BYRON
No. She is from somewhere much,
much stranger.

POLIDORI
(agreeing, distaste)
The North.

YAZ studies the dust.

YASMIN KHAN
How did it come to life then? Is
it haunted or something?

THE DOCTOR
Unlikely.

BYRON
You did say the house was evil.

GRAHAM O'BRIEN
That's a development.

THE DOCTOR
Been getting a vibe.

POLIDORI
(serious)
If there is evil here, I know who
brought it in.

As we think he might confess, he looks pointedly at BYRON.

POLIDORI continues to glare. BYRON's caught.

BYRON (CONT'D)

(sheepish)

Very well. Fine. I might have a skeleton in my chamber.

THE DOCTOR

(to GRAHAM, re POLIDORI)

You keep an eye on trigger happy.

(to BYRON)

I'm going to need a squiz at your skeleton.

BYRON's not sure what that means but he's delighted.

CUT TO:

10:15:26 INT. VILLA DIODATI CORRIDOR/BYRON'S ROOM - NIGHT

BYRON leads THE DOCTOR, YAZ, MARY, CLAIRE and RYAN to his room.

BYRON

It's a collection.

RYAN SINCLAIR

Of old dead stuff?

BYRON

Relics of war. From my travels.

Several artefacts laid out amongst his luggage: a brass helmet with a plume, a sword, French medals from the battle of Waterloo. A single skull is perched on a shelf.

BYRON (CONT'D)

Reminders that we tread on the dust of Empires. Crops now grow where blood was spilt. An innocent fascination, I assure you.

THE DOCTOR surveys the collection - enthused as she spots the helmet and immediately tries it on.

THE DOCTOR

Waterloo. I love a good plume!

BYRON opens a box - the skeleton bones.

BYRON

A fifteenth century soldier. From
the battle of Morat. His final
remains.

YASMIN KHAN

One hand gone?

BYRON

Both hands gone.

THE DOCTOR

Great. There's another on the
loose. Keep your eyes peeled.

All uneasy as THE DOCTOR removes the helmet and starts
checking around warily with the sonic.

YASMIN KHAN

Anything else strange happened
since you've been here?

BYRON and CLAIRE look to MARY, who seems uncomfortable.

MARY

When the weather turned. Shelley
began having, visions.

CLAIRE

He's prone to them.

RYAN SINCLAIR

What did he see?

MARY

(reluctant)

An apparition of a figure.
Floating above the lake.

YAZ, THE DOCTOR and RYAN all sense big weirdness.

THE DOCTOR

(to BYRON)

You said he was indisposed before.
What did you mean?

BYRON

When he didn't join us. My mind naturally wandered to the idea of some torrid assignation in town.

MARY's unimpressed at his mischief.

MARY

Shelley often retires to our chalet to write. Maison Chapuis, on the shore.

YASMIN KHAN

We should probably pop down and have a chat.

10:16:58 Music out 'M5 Unrelentingly Evil'

CUT TO:

10:16:58 INT. VILLA DIODATI DRAWING ROOM - NIGHT

A grumpy looking POLIDORI sleeps awkwardly in a chair as GRAHAM reads by the fire. The soft sound of a child's giggle. He glances up from the page and almost drops the book when he sees the HOUSEMAID standing staring at him.

10:17:06 Music in 'M6 Down To The Top'

GRAHAM O'BRIEN

(recovering)

You're like ninjas you lot.

He spots a snack has been left on a nearby table.

GRAHAM O'BRIEN (CONT'D)

(delighted)

Food?! There's never food. You're a belter, thanks!

POLIDORI lets out a snore. They both look at him.

GRAHAM O'BRIEN (CONT'D)

Baby sitting duty. He won't be any trouble now though. Dead to the world.

She just stands, silent as GRAHAM tucks into the snack, happy. He doesn't notice POLIDORI twitch in his chair behind him.

CUT TO:

10:17:26 INT. VILLA DIODATI STAIRCASE - NIGHT

YAZ, RYAN and MARY head down the staircase.

YASMIN KHAN

This apparition, did Shelley describe it in any more detail?

MARY

Dark. Charred by fire. Suspended over the water like a death god rising from Hades.

RYAN and YAZ share an spooked look.

RYAN SINCLAIR

Right. Nothing too sinister then.

MARY

You can ask him more questions when we get to the chalet.

They all stop, confused - they're at the top of the stairs again.

YASMIN KHAN

Did we just go down, to the top?

They look at each other in bewilderment.

CUT TO:

10:17:56 INT. VILLA DIODATI BYRON'S ROOM - NIGHT

BYRON, CLAIRE and THE DOCTOR remain. The skull in a slightly different position to the last time we saw it.

THE DOCTOR

What reanimates bones and leaves
no trace? And why just the hands?
Why only parts?

BYRON

However, my collection is not
demonic?

THE DOCTOR

Correct.

(re helmet)

But I'll probably come back for
this. Strictly for safety
purposes, not because it really
suits me or anything.

CLAIRE

The 'vibe' you mentioned. Is it
still there?

She rubs her temple, trying to focus.

THE DOCTOR

Yeah, but I can't, it's like it
won't let me think -

(struck)

I need to get out of this house!

She bolts for the door. BYRON and CLAIRE follow --

CUT TO:

10:18:29 INT. VILLA DIODATI BYRON'S ROOM - NIGHT

-- and they burst straight back into the same room again.

THE DOCTOR

Easier said than done, apparently.

CUT TO:

10:18:35 INT. VILLA DIODATI STAIRCASE - NIGHT

Alarmed YAZ, RYAN and MARY rush down the stairs, only to
find themselves on the landing at the top again.

YASMIN KHAN

How many times now?

RYAN SINCLAIR

Seven?

MARY

Mrs Doctor said the house was evil. She must be right. It's turning against us.

YASMIN KHAN

A house can't do that. Even an evil one.

At the bottom of the stairs the indistinct man now appears from the shadows. He reaches out, as if desperate.

They all look at the figure, frozen with shock. He reaches out to them then VANISHES. Yaz forces out a whisper -

Mary's fearful. Ryan covers his own concern -

RYAN SINCLAIR

Don't worry, we're great at sorting things out like this. And there's always an explanation for-

(SCREAMS)

Ghost! It touched me!! Ghost!

YASMIN KHAN

Ryan! That was my elbow.

RYAN SINCLAIR

(styling it out)

I knew that! I totally knew that!

The sound of a baby's wail from above.

YASMIN KHAN

Please tell me there's a real baby here?

MARY

My son. William.

MARY urgently attempts to run up the next flight of stairs but instantly appears exactly where she started.

MARY (CONT'D)
(trying to fight panic)
I must get to him.

CUT TO:

10:19:28 INT. VILLA DIODATI CORRIDOR/BEDROOM - NIGHT

WILLIAM'S cries are louder as ELISE hurries down the corridor towards his room.

A violent SLAM - the door and window inside fly open! Inside, curtains fly and the window rattles with the growing force of the storm. She's relieved to find WILLIAM unharmed in his crib.

CUT TO:

10:19:37 INT. VILLA DIODATI BEDROOM - NIGHT

WILLIAM cries as ELISE shoves the window shut, calming the tempest - but then she looks out, her attention caught by something in the distance - reflected in the window we see strange clouds are now building over the lake and the faint outline of a dark figure appearing over it -

10:19:49 Music out 'M6 Down To The Top'

CUT TO:

10:19:49 INT. VILLA DIODATI DRAWING ROOM - NIGHT

10:19:49 Music in 'M7 A Traveller'

GRAHAM polishes off the delicious snack. Behind him, POLIDORI lurches to his feet, unconscious. (Housemaid gone).

GRAHAM O'BRIEN
(without looking)

Oi. You're going nowhere pal.
You're staying right there and I'm
on guard.

But POLIDORI continues to stagger across the room. Uneasy GRAHAM slowly turns to watch him - that can't be good.

Nervy GRAHAM now waves his hand in front of POLIDORI's unconscious face.

GRAHAM O'BRIEN
Hey. Polly. Polly, hello?
Polly?

POLIDORI abruptly turns towards the wall.

GRAHAM O'BRIEN (CONT'D)
Oi. Can you hear me, son? Can you
hear me?

POLIDORI steps forward and lurches clean through the wall.

CUT TO:

10:20:17 INT. VILLA DIODATI BYRON'S ROOM - NIGHT

THE DOCTOR dashes in and out of the door - coming into the same room every time. (The skull is now gone).

CLAIRE
The same chamber over and over.
How is it possible?

THE DOCTOR
It's not. It's -

BYRON
(in, confused)
Like a dream.

CUT TO:

10:20:34 INT. VILLA DIODATI STAIRCASE - NIGHT

MARY, YAZ and RYAN (still stuck on the stairs) freeze having heard the scream too. WILLIAM's cries come to a disturbing halt. MARY's haunted as she listens, fearful.

MARY

Elise?! Can you hear me? Do you
have William?

Silence. YAZ moves to comfort her.

YASMIN KHAN

He'll be okay. Probably just cried
himself out and fell asleep.

But YAZ shares a worried look with RYAN.

CUT TO:

10:20:46 VILLA DIODATI DRAWING ROOM - NIGHT

GRAHAM rushes to the door - thrown to enter the same room. The gaunt HOUSEMAID stands in the centre. The LITTLE GIRL we saw upstairs creeps out from behind her. GRAHAM's breath becomes visible in the cold. He's unnerved.

GRAHAM O'BRIEN

Doc? Poli? Doc? There is something
seriously wrong with this gaf.

They move closer - both have the same, dead eyes. The little girl giggles. He's gripped by unease.

THE DOCTOR (O.S.)

Anyone else trapped!?

GRAHAM O'BRIEN

Yes!! And I think I'm seeing dead
people!

A cold wind rises and whooshes through - extinguishing the fire in the hearth and all the candles.

GRAHAM O'BRIEN (CONT'D)

Perfect.

CUT TO:

10:21:10 INT. VILLA DIODATI STAIRCASE - NIGHT

An icy wind plunges the stairs into darkness too:

RYAN SINCLAIR

We're the same! Totally saw a
ghost!

YASMIN KHAN

We're stuck on the stairs!

MARY

Please, how do we move upwards? I
need to check my son is well.

CUT TO:

10:21:18 INT. VILLA DIODATI BYRON'S ROOM - NIGHT

The wind brings darkness to BYRON's room, but THE DOCTOR's relieved to hear the others.

THE DOCTOR

Working on it! Head's a bit fuzzy,
normal service will be resumed
shortly!

(beat)

And ghosts don't exist!

CUT TO:

10:21:25 INT. VILLA DIODATI DRAWING ROOM - NIGHT

Tense GRAHAM stares down the two silent ghosts in moonlight.

GRAHAM O'BRIEN

Course not. You two just need a
spray tan, and a kip.

THE DOCTOR (O.S.)

Graham?! What kind of dead people
exactly?

GRAHAM O'BRIEN

How can I hear your voice, Doc?

THE DOCTOR (O.S.)

I'm using the fireplace chimney.

GRAHAM O'BRIEN

Doc?

THE DOCTOR (O.S.)

Graham? Graham?

He moves to the fireplace where her voice is louder. He glances back at the room and he's relieved to see it's empty.

GRAHAM O'BRIEN

Gone now. So has Polidori. I sort of, lost him!

CUT TO:

10:21:49 INT. VILLA DIODATI BYRON'S ROOM - NIGHT

THE DOCTOR sticks her head into the fireplace.

THE DOCTOR

You had one job!

CUT TO:

10:21:51 INT. VILLA DIODATI DRAWING ROOM - NIGHT

GRAHAM O'BRIEN

Made more challenging by his ability to walk through walls!

THE DOCTOR (O.S.)

(thrown)

Through?

CUT TO:

10:21:56 INT. VILLA DIODATI BYRON'S ROOM - NIGHT

THE DOCTOR's mind races. BYRON joins her at the fireplace.

GRAHAM O'BRIEN (O.S.)

He turned zombie, went clean through.

BYRON

What do you speak of? What is a 'zombie'?

CLAIRE

(worry)

Mrs Doctor?

THE DOCTOR

Kind of a dead person walking. But it won't be that.

CLAIRE

Mrs Doctor?

BYRON

(ignoring CLAIRE)

How do you know?

THE DOCTOR

Well, Polidori isn't dead for a kick off.

CLAIRE

(more insistent)

Mrs Doctor!

THE DOCTOR

Really, just Doctor, is fine -

BYRON

Polidori!

She and BYRON finally turn to see what the fuss is about - POLIDORI now emerging through the wall into the room.

CLAIRE

He emerged from the wall like a phantom!

BYRON

(fear)

Begone demon!

THE DOCTOR rushes to sonic him BYRON subtly manoeuvres CLAIRE in front of him - she's appalled. THE DOCTOR looks closely at POLIDORI's face.

THE DOCTOR
Pulse, check. Breathing, check.

BYRON
May I say, you are quite lovely in a crisis.

CLAIRE looks pained.

THE DOCTOR
No you may not.
(pulling an eyelid up)
Lights are on but he's gone on a mini break.

BYRON
Possessed?

POLIDORI lets out a snore.

CLAIRE
Or asleep. He walks in his sleep.

BYRON
(scathing)
One does not sleep walk through walls.

THE DOCTOR
Not just through, up. He was downstairs a second ago.

THE DOCTOR looks at BYRON - light bulb moment.

THE DOCTOR (CONT'D)
What you said before.

BYRON
About being lovely?

THE DOCTOR
Back a bit.

BYRON
Demon?

THE DOCTOR

It's like dreaming. Only we
aren't, and he is.

She closes her eyes and plunges her arm through the wall -
it disappears! She's fascinated.

THE DOCTOR (CONT'D)

So he can't see the illusion. But
it must be more than that - we're
surrounded, immersed.

(yells, full volume)

It's a kind of perception filter!
Close your eyes, clear your mind!
We're only experiencing what it
wants us to!

CUT TO:

10:23:30 INT. VILLA DIODATI STAIRCASE/CORRIDOR - NIGHT

RYAN, YAZ and MARY all reaching out in front of them with
their eyes closed. Mary connects with something solid -
feels for the knob to an invisible door.

MARY

I can feel it! She's right - our
minds are being deceived. Here is
the door - hidden from our eyes.

She opens it - a different, real corridor can be seen
through it. They link hands and she guides them through --
bringing them into the corridor near William's room. She
quickly moves along, feeling the walls with her free hand.

MARY (CONT'D)

Elise? I'm coming for William!

MARY feels the door jamb and stops. They all open their
eyes - but see only corridor. They blink - then a door
stands in the middle of the corridor, a single rectangle
with space all around it. MARY gets her bearings.

MARY

How are we here now? This is
impossible. This should be
William's room.

She opens it, tense. YAZ peers at the empty space around it.

RYAN SINCLAIR

This place keeps on changing like a puzzle.

YASMIN KHAN

I don't get it. Why hide a house
under a house?

MARY finds crib inside empty.

MARY

William!

She searches the blankets, frantic - then backs away in terror. There, amongst the covers sits the missing SKELETON HAND and SKULL. Her SCREAM fills the house.

CUT TO:

10:24:21 INT. VILLA DIODATI BYRON'S ROOM - NIGHT

Innocent POLIDORI wakes with confusion, takes in the scene.

POLIDORI

I suspect I must have missed
something

THE DOCTOR

Yes, but you've shown us how we
get out of this room.

10:24:33 INT. VILLA DIODATI ENTRANCE HALL - NIGHT

THE DOCTOR hurriedly now leads BYRON, CLAIRE and shell shocked POLIDORI through the entrance hall. The door is missing from the section of wall where it was before. She squints, and suddenly it's back in place again.

POLIDORI

This cannot be the doorway. We
have not descended the stairs.

BYRON

It is, but there should be a door here.

CLAIRe

Please can we get out of here?

THE DOCTOR opens the door. Rainy darkness outside.

THE DOCTOR

In theory, yep. We just have to tell ourselves we can walk through the door we know is right there and -

She connects abruptly with a solid invisible wall - face first - ouch. Fail.

CUT TO:

10:24:58 INT. VILLA DIODATI DRAWING ROOM - NIGHT

Everyone reunited. CLAIRe comforts MARY. The HAND fidgets, now trapped inside a bell jar. BYRON's SKULL, jaws snapping, in another. THE DOCTOR watches the hand, trying to piece things together.

BYRON

My bones have never caused such mischief before, I swear.

THE DOCTOR

Things we know. We can move inside, but not out.

YASMIN KHAN

(re hand and skull)

Dead things don't act dead.

MARY

(fraught)

People vanish. Elise. My poor William.

RYAN SINCLAIR

No sign of Fletcher either. And maybe Shelley didn't turn up 'cause he couldn't get in.

BYRON

I've never believed in such
things, but could this be hell?
Could we be deceased?

THE DOCTOR

Nice blue sky thinking, but no.

RYAN SINCLAIR

The place keeps on folding in on
itself as well.

THE DOCTOR

Exactly. I think we're caught in a
security system. It's turned the
house into a sort of giant panic
room.

GRAHAM O'BRIEN

In eighteen sixteen?

THE DOCTOR

The year without a summer. They
blamed it on volcanic ash covering
the sun. Weather went haywire.

(beat)

What if something came here that
wasn't supposed to? Caused a major
disturbance.

YASMIN KHAN

Like what?

MARY's now looking out the window, ashen.

MARY

That?

Over the lake the clouds are starting to part. Jagged
streaks of lightning crackle and swirl with growing
intensity. In the centre, a dark figure is pulsing into
view - warrior build, suspended over the water. THE DOCTOR
stares out, chilled.

THE DOCTOR

That could be a solid option Mary,
yes.

CUT TO:

10:26:01 EXT. VILLA DIODATI LAKE - NIGHT

MARY

What is it?

THE DOCTOR

Don't know.

The figure remains still, almost serene. Dark body armour covers the expanse of his shoulders. His head moves slowly, assessing, sensing - and then it snaps towards the villa --

CUT TO:

10:26:09 INT. VILLA DIODATI DRAWING ROOM/ENTRANCE HALL - NIGHT

All at the window, transfixed by the figure.

RYAN SINCLAIR

It's sort of just, floating around.

YASMIN KHAN

(a beat, to MARY, struck)

Like a death god rising from Hades.

MARY

(haunted)

Shelley's vision. But we're all having it?

THE DOCTOR

No. It's pushing through. That's what Shelley saw. Not a vision. Never was. It's a traveller. Moving through time.

YAZ follows her serious gaze. As the figure flickers out on the lake, it flickers into the hallway - solidifying.

THE DOCTOR (CONT'D)

It's trying to get in!

YAZ, GRAHAM and RYAN all instantly fearful. He takes full shape, armour burnt and battered. A heavy, metallic thud as his feet connect with the ground. He rises to his full height - augmented but unfinished. Rougher and more primitive than anything we've seen before. Most of his face is uncovered - bolts through his neck where flesh meets metal. He makes bloodshot eye contact with THE DOCTOR.

ASHAD

Are you the guardian?

THE DOCTOR (CONT'D)

That, is a lone Cyberman.

THE DOCTOR instantly kicks the drawing room door shut - locks it with the sonic.

Panicked shoving of furniture. The HAND is now going crazy in the bell jar. THE DOCTOR's mind races, worry rising.

YASMIN KHAN

Jack's warning - beware the lone Cyberman. Don't let it have what it wants.

GRAHAM O'BRIEN

At all costs.

THE DOCTOR

Yes. Thank you! Barricade the door!

MARY

May I ask, what is a Cyberman?

THE DOCTOR

(deep unease)

Someone altered. Organs and flesh surgically replaced with mechanical parts. Without consent.

(beat)

It drives them insane, so they alter the brain too. Switch off all emotion.

MARY's horrified. The sound of CYBERZEALOT/ASHAD calling
Are you the *Guardian*? From the other side of the door.

THE DOCTOR (CONT'D)

Never seen one like him before
though. He's different.
Unfinished.

(realising)

Whatever he came for is hidden
here. Explains the security.

RYAN SINCLAIR

What's hidden?

THE DOCTOR

Not idea. But I need to beat him
to it. Quick.

No pressure then.

CUT TO:

10:27:31 INT. VILLA DIODATI ENTRANCE HALL - NIGHT

ASHAD makes his way through the apparently never ending hall, struggling to compute. He attempts to use a BLASTER in his robotic arm on the wall in front of him, but it only powers up halfway before fading. He smashes it against the wall in anger, simmering. This Cyberman feels things.

FLETCHER (O.S)

Lord Byron?

ASHAD swiftly turns and marches away.

10:27:42 Music out 'M7 A Traveller'

CUT TO:

10:27:42 INT. VILLA DIODATI DRAWING ROOM -
NIGHT

10:27:42 Music in 'M8 The Guardian'

THE DOCTOR moves to the door that isn't barricaded.

YASMIN KHAN
Doctor, what are you doing? Where
are you going?

MARY
You're not leaving us?

THE DOCTOR
I have to find what he's looking
for.

YAZ, GRAHAM and RYAN move to join her.

THE DOCTOR (CONT'D)
Alone.

YASMIN KHAN
You need back up. All of us
against one -

THE DOCTOR
(over)
One Cyberman, but then thousands.
Humans, like all of you, changed
into empty, soulless shells.

They're brought up short by her intensity.

THE DOCTOR (CONT'D)
No feeling. No control. No way
back.
(beat)
I won't lose anyone else to that.
Do not follow me.

She walks through the door and she's gone.

CUT TO:

10:28:11 INT. VILLA DIODATI ENTRANCE HALL - NIGHT

Disoriented FLETCHER comes into view in the now apparently infinite hall.

FLETCHER
Lord Byron? Is it you? I feel I
have lost my faculties entirely -

ASHAD is suddenly powering towards him - clutches his throat, lifts him into the air.

ASHAD

Are you the guardian?

FLETCHER

(pained)

No sir. I am the valet.

We hear a SNAP. FLETCHER lands, lifeless at his feet.

CUT TO:

10:28:40. INT. VILLA DIODATI ENTRANCE HALL - NIGHT

ASHAD pauses - listening to the sounds of William crying. He rips the door off an armoire revealing ELISE huddled inside - WILLIAM clutched to her chest. He lowers himself to meet her fearful gaze.

ELISE

Que ton nom soit sanctifié,
Que ton règne vienne,
Que ta volonté soit faite sur la
terre comme au ciel...

She stops praying. He reaches out, takes WILLIAM carefully from her grasp. She starts to protest in panic but he stills her - hand pushing her face out of view as he holds WILLIAM up with fascination. Her ragged breaths cease abruptly.

ASHAD (CONT'D)

Don't be afraid little one. You
will be like us.

CUT TO:

10:29:51 INT. VILLA DIODATI DRAWING ROOM - NIGHT

Back to the gang, urgent -

MARY

What if it finds William?

POLIDORI

We need to find the child.

BYRON

And a way out.

CLAIRE

We are not safe here. It could
pass through a wall at any moment.

Pained YAZ doesn't know what to say.

RYAN SINCLAIR

The Doctor told us to wait.

YASMIN KHAN

Technically, she only told us not
to follow her. Let's split up.

CUT TO:

10:30:06 INT. VILLA DIODATI BYRON'S ROOM - NIGHT

ASHAD violently searches the room - books, papers and
relics flying everywhere in his destructive wake.

THE DOCTOR (O.S.)

Tell me what you're after, and I
might be able to help.

THE DOCTOR reveals herself in the doorway. He regards her
briefly, then flips the desk over.

THE DOCTOR (CONT'D)

It was never going to be under
there. Unless, you don't actually
know what it looks like.

He stops, laughs coldly, tiny bit unhinged.

ASHAD

Funny.

It's chilling.

ASHAD (CONT'D)

This dark age is surprising. You
are not as primitive as I
expected.

She's fascinated and horrified in equal measure.

THE DOCTOR

You're not as cyborgy as I
expected.

ASHAD

You've met my kind before?

THE DOCTOR

Could say that.

He touches his temple, scanning her.

ASHAD

You appear courageous. But your
vital signs betray a heightened
state of anxiety.

ASHAD

Or as I like to call it, Tuesday.

He moves closer. She fights deep unease as she studies him.

THE DOCTOR (CONT'D)

Interesting look. They get bored
halfway through or something?

Rage plays across his face. He abruptly points his arm
BLASTER towards her, icy.

ASHAD

I am complete enough to serve my
purpose.

The BLASTER powers up --

THE DOCTOR stares down the BLASTER - it shorts, crackles
and loses power.

THE DOCTOR

Bit embarrassing.

(beat)

Time hop took a load of juice. Now
you're fresh out?

ASHAD bristles, she observes closely.

ASHAD

You irritate me.

THE DOCTOR

How very human. Still feel things
then? No inhibitor yet?

ASHAD

I do not need to be stabilised.

But he makes an erratic grab for her throat - she evades
him.

THE DOCTOR

Okay, here's the thing. There's a
chance I'm the guardian, only I
don't know what I'm meant to be
guarding.

He takes this in, calculating.

THE DOCTOR (CONT'D)

This isn't my time either. Maybe
we're supposed to work together?

ASHAD

Together?

THE DOCTOR

Anything is possible.

She connects with the wall - out of space. He raises his
BLASTER arm again -- she braces herself -- SMASHES it
straight through the window next to her.

10:31:29 Music out 'M8 The Guardian'

CUT TO:

10:31:29 INT. VILLA DIODATI SHELLEY'S ROOM - NIGHT

10:31:29 Music in 'M9 Shelley'

MARY, YAZ, RYAN and BYRON continue their search into one of
the bedrooms. Shock at the state of it - the walls are
covered in numbers (co-ordinates) scrawled repeatedly in
neat rows of black ink. Pages ripped from a leather bound
notebook litter the floor, every inch covered in the same
way.

MARY
The house still shifts.

YASMIN KHAN
Who's room is this?

BYRON
No one's. I thought it was empty.

YASMIN KHAN
But the writing on the walls, and
all these papers ..

YAZ moves to pick up the notebook, MARY'S disconcerted.

MARY
The writing! It's .. Shelley's.

CUT TO:

10:31:48 INT. VILLA DIODATI CELLAR DOORWAY - NIGHT

GRAHAM, CLAIRE and POLIDORI reach the cellar door.

GRAHAM O'BRIEN
Cellar. We'll give that a miss.

CLAIRES
Could the coal hatch not be a
means of escape? We must try
everywhere.

A slow, ominous creak as reluctant GRAHAM pushes the door open. Ancient looking stairs are revealed leading down into pitch darkness.

POLIDORI
Is it too late to choose the other
group?

CLAIRES shoves him impatiently ahead. Thunder RUMBLES, loud.

CUT TO:

10:32:09 EXT. VILLA DIODATI - NIGHT

A bolt of white hot lightning STREAKS across the night sky

-

CUT TO:

10:32:11 VILLA DIODATI BYRON'S ROOM - NIGHT

ASHAD concentrates, arm extended through the window - hand open, summoning. Almost nose to nose with THE DOCTOR.

THE DOCTOR

Ever considered breath mints?
Recharging? Not good.

- Connecting with ASHAD's open palm. He JOLTS as energy begins to flow through his body. THE DOCTOR swiftly escapes her position.

THE DOCTOR

--Figuring out how to manipulate the elements and creating an extremely sophisticated and probably unlimited external power source.

He CONVULSES and disconnects - a new man. He seems to stand even taller. The blue circle on his chest plate illuminates, his arm blaster CHIMES - ready. His eyes are brighter, brimming with a dangerous new energy. He smiles.

ASHAD

That's better!

For him, maybe.

CUT TO:

10:32:41 INT. VILLA DIODATI CELLAR - NIGHT

Nervy GRAHAM, POLIDORI and CLAIRE have split up to search the cavernous cellar - their flickering candles create disconcerting moving shadows all around.

POLIDORI

(feeling the wall in vain)

The coal hatch is gone. There is no way out.

CLAIRE's candle suddenly goes out. She's engulfed by the dark. GRAHAM's aware of this from the corner of his eye.

GRAHAM O'BRIEN
Claire? You okay?

Nothing.

POLIDORI
Miss Clairmont!?

A long, uneasy beat.

CLAIREE
(terrified whisper)
There's something down here with
us.

CUT TO:

10:33:04 INT. VILLA DIODATI BYRON'S ROOM - NIGHT

ASHAD places his hand to the wall, eyes glazing over as he scans. THE DOCTOR watches, uneasy.

ASHAD
I can read the energy field now.
(definitive)
You are not the guardian. The
Cyberium has selected another as
host.

Bingo.

THE DOCTOR
What's a Cyberium?

He ignores her, lashing out at the wall in frustration.

ASHAD
(contempt)
I will find it, and remove it.

THE DOCTOR
What are we talking about here? A
life form? Weapon of some kind?

ASHAD

Both -

ASHAD suddenly JOLTS - tunes into something.

THE DOCTOR

What's happening to you?

ASHAD (CONT'D)

'There's not one atom of your
earth, but once was living man'

THE DOCTOR's uneasy as she takes in his words.

CUT TO:

10:33:44 INT. VILLA DIODATI SHELLEY'S ROOM - NIGHT

MARY's collecting up the papers by the fireplace. ASHAD's words float up:

ASHAD (O.S.)

The sword which stabs his peace -

She's struck by his words and joins in.

MARY

- he cherisheth the snakes that
gnaw his heart. He raises up the
tyrant, whose delight is in woe.

ASHAD (O.S.) (CONT'D)

- he cherisheth the snakes that
gnaw his heart. He raises up the
tyrant, whose delight is in woe.

BYRON

Shelley's words.

MARY

(alarm)

How does it know them?

CUT TO:

10:34:05 INT. VILLA DIODATI CELLAR - NIGHT

CLAIRE's huddled back to back with POLIDORI and GRAHAM as they desperately attempt to see what's lurking.

CLAIRE

Something crept in front of me. I heard its vile breath. Listen!

A long beat then - a GASP in the dark! GRAHAM swings his candle and they catch the briefest glimpse of a human shape.

SHELLEY

(faint, desperate)

I'm sorry.

GRAHAM jolts his candle up to illuminate a human face, twisted in agony.

SHELLEY (CONT'D)

I tried to hide it. I have to keep him out.

He's pressed up against the wall - exhausted - body and mind at war. Bones all around him. CLAIRE and POLIDORI recognise him, terrified.

GRAHAM O'BRIEN

Who are you?

SHELLEY digs deep, struggling. His eyes cloud and flash with tiny scrolling numbers - the same we saw on the walls.

SHELLEY

(wretched)

I am the guardian. I am -

ASHAD (V.O.)

Percy Bysshe Shelley.

SHELLEY (CONT'D)

Percy Bysshe Shelley.

SHELLEY winces as he fights harder -

CUT TO:

10:34:40 INT. VILLA DIODATI BYRON'S ROOM - NIGHT

ASHAD
Percy Bysshe Shelley.

ASHAD's connection is repelled. He removes his hand from the wall, thwarted. THE DOCTOR attempts to stall.

He stares at her, cold, determined.

ASHAD
He is who I seek. But he is
fortified against me.

THE DOCTOR
Okay, good to know. I vote we
split up and get on with this
search! You go that way, I'll -

She ducks out, fast.

CUT TO:

10:35:00 INT. VILLA DIODATI ENTRANCE HALL - NIGHT

A small heap lies at the very end of the hallway - still.

THE DOCTOR steels herself to check as she slowly approaches the bundle. She can barely bring herself to look - pulls back the blanket to reveal -WILLIAM sleeping soundly amongst the folds.

YASMIN KHAN
Doctor! You're here!

THE DOCTOR
Come on then (to William).

MARY
William!

Relief as THE DOCTOR picks him up. Byron spots FLETCHER lying just around the corner - dead. A grave POLIDORI and CLAIRE appear.

BYRON
Dear Fletcher. It cannot be.

POLIDORI

Mr O'Brien needs you in the cellar
at once. We found Shelley.

He glances to Mary with concern and she knows it must be bad.

THE DOCTOR
All of you, find somewhere to
hide.

MARY
But I must -

THE DOCTOR
(over, short)
Do you want to listen, or end up
like them? None of this was
supposed to happen.

She points out FLETCHER and ELISE. They move to see,
sobered.

THE DOCTOR
They weren't supposed to die.
Neither are you. Yet. So please,
let's not unravel anything else.
Hide. And stay there. History is
vulnerable tonight. I mean it.

THE DOCTOR, YAZ and RYAN hurry away. After a moment,
determined MARY hands WILLIAM to a surprised BYRON.

MARY
You're going to take William for
me. Guard him well. Stay safe! I
need to see Percy!

She follows after THE DOCTOR with stealth.

CUT TO:

10:36:09 INT. VILLA DIODATI CELLAR - NIGHT

THE DOCTOR urgently sonics SHELLEY. YAZ, RYAN and GRAHAM
beside her.

THE DOCTOR

(re sonic)
Shelley in the cellar, hidden away. Cloaked. Too big to register. That's why my readings have been off.

(to SHELLEY)
There's something called the Cyberium,

SHELLEY
(over, faint)
I'm trying to protect it.

Heavy thud as ASHAD appears at the foot of the steps!

SHELLEY concentrates - ASHAD VANISHES!

CUT TO:

10:36:31 INT. VILLA DIODATI - BYRON'S ROOM - NIGHT

ASHAD appears - transported to entirely different surroundings. He ROARS, angered.

10:36:36 Music out 'M9 Shelley'

CUT TO:

10:36:36 INT. VILLA DIODATI CELLAR - NIGHT

10:36:36 Music in 'M10 Quicksilver'

ASHAD sounds further away now, distant. THE DOCTOR's fascinated.

THE DOCTOR
Who moved him? Is it you? Changing the house?

SHELLEY
Some. Not all. It has its own will.

MARY now cautiously comes down the stairs, stricken when she sees Shelley's state. THE DOCTOR looks up, about to protest.

THE DOCTOR

Mary!

MARY

I cannot hide. Not while he suffers.

She sits beside Shelley, defiant. THE DOCTOR chooses not to argue, gently places her hands to his temple.

THE DOCTOR

Show me? What happened to you?

SHELLEY's eyes go dull as they link -

CUT TO:

10:37:04 EXT. LAKE GENEVA - DAY

SHELLEY walks along the lake shore, THE DOCTOR appears like a vision beside him.

SHELLEY (V.O.)

I was out walking alone. There was a glimmer, in the lake.

SHELLEY's face from above through the water - fascinated. He retrieves an iridescent piece of metal and marvels at it.

SHELLEY (V.O.)

Exquisite. Alive, like quicksilver. I fished it out to study it more closely.

The metal melts like mercury in his hand. He holds it out for the THE DOCTOR to see.

SHELLEY (V.O.)

But then - it took root within me.

Wonder turns to shock as it FLOWS around his hand - up his arm and straight to his throat. It claims his mouth, nose,

eyes - pouring itself inside! He cries out in suffocated agony -

CUT TO:

10:37:34 INT. VILLA DIODATI CELLAR - NIGHT

- THE DOCTOR disconnects, pained - she's experienced the full intensity of his violation. MARY's pained as she listens.

SHELLEY

(breathless)

I returned. I was changed. No one could see me. It hid itself in me. And his ME within the villa.

Flashback - the figure of the indistinct man we saw before - only now he has SHELLEY's features - crying out for help. A flash of him throwing the vase for attention, writing the pages of co-ordinates with desperate urgency.

THE DOCTOR

And when it thought it might be discovered, it manipulated all our perceptions.

SHELLEY

Since the quicksilver has taken hold of me, I see symbols ... symbols and numbers. They will not leave my head. No matter how much I transcribe them.

YASMIN KHAN

The symbols were all over his room; all over the walls.

SHELLEY

The house was like shifting sands. I sought solitude here, in the dark.

RYAN SINCLAIR

What happened to him?

GRAHAM O'BRIEN

I'm going to go with alien parasite.

THE DOCTOR

Cyber technology .. the knowledge of the whole Cyber-race.

Surprise all round.

An AI. From the future. Containing all the knowledge and future history of all Cybermen.

(deep worry)

SHELLEY concentrates. Images from an epic future war flash before them: vast armies of Cybermen, explosions, co-ordinates, destruction, mass graves, desolate landscapes ravaged by war. MARY's appalled.

SHELLEY (V.O.)

They scorched and split the sky -
- built the army of all armies.
Left behind only pain. Rage. Fear.
Death.

MARY

How has he seen all this?

THE DOCTOR

(grim realisation)

The Cyberium is burning through his mind .. it'll destroy him if it stays in him much longer. An epic battle. The Cyberium at the heart of it. Controlling data, strategy, decision making.

(beat, impressed)

Clever. Very clever. Someone took it from the Cybermen. Sent it back through time, here. In an attempt to change the future. In an attempt to protect it from that.

ASHAD suddenly appears and vanishes again - Shelley straining to repel him, energy fading.

SHELLEY

I can't keep him away much longer

-

THE DOCTOR makes a split second decision.

THE DOCTOR

Then don't.

All eyes on her, AGHAST. Exhausted Shelley's uncertain.

GRAHAM O'BRIEN

Doc -

THE DOCTOR

(over, to Shelley)

Stop fighting. It's okay.

YASMIN KHAN

Jack's warning -

Something flares inside THE DOCTOR, pressure building.

THE DOCTOR

Jack isn't here, now. Stuck in a house, with that.

RYAN SINCLAIR

Exactly, you didn't want us near it a minute ago!

THE DOCTOR

(re SHELLEY, urgent)

I've just been inside his brain. There's a super computer fused to his cerebral cortex.

(pointing to the stairs)

He's the only one who knows how to get that out.

YASMIN KHAN

Doctor, you can't let the Cyberman have what it wants -

THE DOCTOR

(over, harsh)

I know! Because armies will rise. Billions will die.

GRAHAM O'BRIEN

Shelley's gonna die if that stuff stays inside him --

RYAN SINCLAIR

(to the Doctor)

Shelley's one life. Against all
those others.

MARY

What are you saying? You cannot
condemn him to death like that --

THE DOCTOR

But is he, Ryan? His thoughts, his
words, inspire and influence
thousands, for centuries. If he
dies now, who knows what damage
that has on future history. Words
matter. One death, one ripple. And
history will change, in a blink.
The future will not be the world
you know. The world you came from,
the world you were created in,
will not exist. So neither will
you.

(Beat)

It's not just his life at stake,
it's yours. Wanna sacrifice
yourselves for this? Want me to
sacrifice you?

(off the gang's shock)

You wanna call it, do it now! All
of you.

(they're silent)

Yeah. Sometimes this team
structure isn't flat. It's
mountainous. With me at the
summit, in the stratosphere.
Alone. Left to choose.

(to herself)

Save the poet or save the
universe. Watch people burn now or
tomorrow.

(Beat; defeated)

Sometimes even I can't win.

The gang speechless but fading Shelley grasps the Doctor-

SHELLEY

Please- help me.

ASHAD bursts in, materialising instantly! He's straight over to SHELLEY - spreads his palm over his stricken face.

ASHAD

Release what you hold.

SHELLEY

(breathless)

How?

ASHAD

Release it!

GRAHAM O'BRIEN

He doesn't know what that means.
Tell him what he needs to do.

ASHAD

I was addressing the Cyberium. It must execute the host to be extracted.

THE DOCTOR

It's not obeying you.

He computes, dark.

ASHAD

Then I shall execute the host.

He grabs for SHELLEY's throat. THE DOCTOR moves to his aid but Mary is suddenly between them, demanding his attention-

MARY

What is your name sir?

THE DOCTOR

Mary, please. Not a good time to talk.

MARY

Or names. Are you several men? A composite of parts?

ASHAD

I am better than men.

She meets his gaze, searching his face.

MARY

Yet I still see a soul in there.

ASHAD

(covering fascination)

What do you think you see child?

MARY

I see the man who spared my son.
Were you a father, before?

ASHAD

(beat, soft)

I was.

Tense surprise all round - could MARY be getting through?

MARY

You didn't want to be this way.
They hurt you - this modern
Prometheus.

(beat)

You loved once. And were loved in
return. You do not wish to kill.

She holds out her hand to him - he takes it, gentle.

ASHAD

My name was Ashad. I did spare
your son.

(long beat, ice cold)

Because he is a useless runt.
Sickly. And weak.

MARY recoils, but it's too late - she's in his grip now.

ASHAD (CONT'D)

I did have children.

(relish)

I slit their throats when they
joined the resistance.

Disgusted RYAN, YAZ and GRAHAM move to help. He raises the
BLASTER to MARY's temple and they falter.

ASHAD (CONT'D)

In death we are transformed.
Improved. Updated. As you will all
learn --

THE DOCTOR
(realising; a trigger)
Transformed, in death -- I'm
sorry, Percy Shelley -- so very
sorry!

And she places her hands on Percy's temple -- on SHELLEY's eyes - his life flashing before them - future, not past - glimpses of: pages of handwritten verse, petals on the ground, a baby's fist, an empty cot, then crashing waves as his last breath is stolen from his lungs -

MARY
Mrs Doctor! What are you doing to
him?

10:43:20 Music out 'M10 Quicksilver'

10:43:22 Music in 'M11 She Was The Universe'

YASMIN KHAN
The Cyberium! It's leaving his
body!

Shelley is dying --

MARY
What have you done to him?!

And *out flows the Cyberium* - we go in close on its fluid, metallic form, then out again to reveal -

CUT TO:

10:43:27 INT. VILLA DIODATI LIBRARY - NIGHT

The house has reset and they're all in the library: ASHAD still with blaster at MARY, stunned CLAIRE, BYRON (with WILLIAM) and POLIDORI cowering together. RYAN with GRAHAM.

GRAHAM O'BRIEN
What just happened?

YASMIN KHAN

How are we back here?

THE DOCTOR

It's reset the house --

(to YAZ)

Shelley needs help --

(Yaz rushes to start CPR;

to Mary)

I think I've freed him of the Cyberium --

MARY

At what cost?

The Cyberium now hangs above unconscious SHELLEY -

As both THE DOCTOR and ASHAD move fast towards the Cyberium, hands outstretched like the Creation Of Adam --

-- It undulates slightly closer to THE DOCTOR and she snatches it! Success! It flows up her arm.

THE DOCTOR

And it chooses *me*. Interesting.

Time Lord magnetism.

(Beat)

Looks like *I'm* the true guardian.

ASHAD

Surrender it or I execute you --

THE DOCTOR

Oh, I'd be very careful with those execution threats. I can feel it already fusing to me. Feels very at home, recognising great host material. Not to big myself up, but I don't think it'll vacate me without a fight.

She's elated by the victory. ASHAD calculates.

He extends his arm - summoning as before. The storm intensifies outside.

CUT TO:

10:44:15 EXT. VILLA DIODATI - NIGHT

A violent eye starts to form in the raging clouds over the house - the beginnings of a break in reality? -

CUT TO:

10:44:18 INT. VILLA DIODATI LIBRARY - NIGHT

Windows vibrate - the house buffeted by the gale. Now THE DOCTOR a bit less confident --

THE DOCTOR
What're you doing?

ASHAD
Transmitting.

Blinding flashes of electricity from outside. BYRON, CLAIRE and POLIDORI cling to each other in confused terror.

ASHAD (CONT'D)
My ship will lock onto my signal.
It will tear through this reality.
And this planet will remain only
in shreds.

THE DOCTOR
(not sure)
But this world doesn't end in
eighteen sixteen.
(even less certain)
It can't.

ASHAD
It will.

She stares at him. That creeping unsteadiness returns. Is this what's been coming?

YASMIN KHAN
He's bluffing. Don't listen to
him.

But the world is shaking --

THE DOCTOR
(agonised)
But I can't be sure. I can't risk
this planet.

(looks to the others)
I can't win.

ASHAD
We are inevitable.

The world feels like it might break. We close in on the Doctor. Heart breaking, mind bending --

THE DOCTOR
Yes. You are.

Deep breath -- she releases the Cyberium.

GRAHAM, RYAN and YAZ all STUNNED.

YAZ KHAN
What're you doing?!

THE DOCTOR
Giving it what it wants.

ASHAD snatches it from the air, the atmosphere rips around him -- and he's gone.

The storm instantly ceases, darkness lifts. Sunlight pours in through the curtains. The only sound is YAZ working on SHELLEY -- who finally coughs and splutters, shocked but alive. Emotional MARY hurries to him. YAZ looks to THE DOCTOR, full of doubt and confusion.

THE DOCTOR doesn't speak. Fully fledged doubt now coursing through the gang.

She remains quiet. It's unnerving. Ambiguous. Looks at them but can't reply.

MARY
What did you do to Shelley?

THE DOCTOR
Old timelord trick. Not a nice one. Pushed his mind to his future death. Tricked the Cyberium into letting go. And hoped his body would survive the trauma. Sorry. I hope you can forgive me?

GRAHAM O'BRIAN

Saved Shelley. But what does that mean for the future?

THE DOCTOR

It means I just put it in the gravest danger.

RYAN SINCLAIR

Please tell me that was part of the plan?

THE DOCTOR

(to Ryan)

Yes. A last minute, imperfect, all-I've-got-plan. Saving Shelley was step one.

YAZ KHAN

What's step two?

THE DOCTOR

Fix the mess I created in step one.

(beat)

Go to the future, find him, and stop him from rebuilding the Cyber army. Shelley can you give Yaz those symbols and numbers?

On the gang: dread, ominous. They don't have an answer. Close in on the Doctor.

CUT TO:

10:45:57 EXT. LAKE GENEVA - DAY

We pick up Polidori, Byron and Claire now walking together.

POLIDORI

Well, that was quite the evening.

CLAIREE

Indeed.

BYRON

(suggestive, to CLAIREE)

Perhaps Miss Clairmont would care to retire? A lie down might prove restorative.

CLAIRE pretends to consider.

CLAIRE

You pursued Mrs Doctor without a care for my presence. Belittled my thoughts and opinions. And then proceeded to use my person as a human shield.

BYRON

(not fazed)

And?

CLAIRE

The spell is broken, my Lord.

Shocking news for BYRON. POLIDORI greatly amused to see him lost for words.

CUT TO:

10:46:48 EXT. LAKE GENEVA - DAY

The gang now say their goodbyes with shell shocked MARY, CLAIRE, BYRON, POLIDORI and SHELLEY (holding WILLIAM).

SHELLEY

(to The Doctor)

You returned me to life. Although I feel as if I have none left to live.

THE DOCTOR

Sorry about the sneak peek.

MARY

Every moment will be precious. How can we repay you?

THE DOCTOR

(a beat)

Just don't lose hope.

MARY's not sure she understands, but she will, later.

RYAN SINCLAIR

Keep doing that writing thing. If
you like.

Mary smiles, she will.

The gang head back to the TARDIS in the woods, THE DOCTOR lagging behind a little as GRAHAM reflects with RYAN and YAZ.

GRAHAM O'BRIEN

So, if all the weirdness was the
Cyberium - the bones, Shelley
floating about - why did it
reanimate a couple of stiffness, just
to bring me a sanni?

They both look baffled.

GRAHAM O'BRIEN (CONT'D)

You know, the maid and the creepy
little kid.

YASMIN KHAN

Er, no. We thought you saw
Shelley, like we did.

GRAHAM O'BRIEN

Come on. Beady eyes - made the
room feel arctic? How did they fit
in?

He glances back at The Doctor but she's lost in thought.

RYAN SINCLAIR

Not sure they did.

GRAHAM O'BRIEN

(unnerved)

Doc, this is where you jump in
with the rational explanation.
Ghosts don't exist.

They all look to her as she considers.

THE DOCTOR

Unless they do. Inside you
three, we need to talk.

Not the response Graham was hoping for. The mood grows more serious as they head into the TARDIS.

THE DOCTOR (CONT'D)

Listen. You don't need to come me.

(beat)

Cyber warzones and people don't really mix. I'll drop you back in twenty twenty.

An uncertain moment - will they accept her offer? YAZ hands her a page of Shelley's notebook from his pocket.

YASMIN KHAN

Or we could use Shelley's numbers.
Co-ordinates right?

RYAN SINCLAIR

If you think whatever's there is a good place to start?

GRAHAM O'BRIEN

With step two.

They're solemn, more cautious now - but still there. THE DOCTOR agrees, quietly heartened.

CUT TO:

10:48:14 INT. TARDIS - DAY

GRAHAM and RYAN use the co-ordinates to set the destination. THE DOCTOR and YAZ prepare to set off, serious. We hear BYRON's words:

BYRON (V.O.)

- The world was void,
The populous and the powerful was
a lump,
Seasonless, herbless, treeless,
manless, lifeless-
A lump of death - a chaos of hard
clay.

Ships sailorless lay rotting on
the sea,

And their masts fell down
piecemeal: as they dropp'd
They slept on the abyss without a
surge—
The waves were dead; the tides
were in their grave,
The moon, their mistress, had
expir'd before;
The winds were wither'd in the
stagnant air -

CUT TO:

10:48:56 INT. TARDIS - DAY

As the poem continues THE DOCTOR looks to each member of the gang - a silent question: ready? They all give confirmation, steeling themselves for the danger mere moments away, but there's a sense of distance between them. A slight rift of remaining doubt as they let her take the controls, alone.

BYRON (V.O.)

And the clouds perish'd; Darkness
had no need of aid from them.

THE DOCTOR moves the dematerialisation lever -

BYRON (V.O.)

She was the Universe.

And they're gone.
