NANA V  
That's not a bad idea.

The FIRE SAFETY INSPECTOR arrives at the door. NANA V opens the door to the fire officer in uniform. He's in his thirties. Hunk.

FIREFIGHTER DAMON PEACHEY  
Good morning. Did John Pruddah say to expect your annual fire check?

NANA V  
He certainly did

FIREFIGHTER DAMON PEACHEY  
Firefighter Damon Peachey.

NANA V

FIREFIGHTER DAMON PEACHEY  
Is that a dog?

NANA V  
Aah. Week old pup.

FIREFIGHTER DAMON PEACHEY

course I didn't mean blow in that

FIREFIGHTER DAMON PEACHEY  
You need to stand your gas fire on

FIREFIGHTER DAMON PEACHEY (CONT'D)  
And remember to open a door or  
window whenever it's turned on.

TONY  
That doesn't make any sense. I'm  
paying to heat the yard.

NANA V  
And I don't want a draft on these  
puppies.

FIREFIGHTER DAMON PEACHEY looks at NANA V's chest.

FIREFIGHTER DAMON PEACHEY  
Can you just do up your cardigan?  
Oh the dogs, right. Sorry.

Through the window we see ERON kicking the ball in his school uniform. JASMINE holds up a sachet of microwave porridge.

JASMINE  
How do I do this Nana V? It says  
microwave for two minutes.

NANA V  
You'll have to put it in a pan.

FIREFIGHTER DAMON PEACHEY  
Any cars must be parked a minimum  
of six meters away from the mobile  
home.

NANA V  
Where's the pen so i can get all  
this down Tony

She gives DAMON the puppy to hold. He holds it awkwardly away from him.

NANA V (CONT'D)  
Just hold this pup for me will you,  
love? Yeah, she needs to keep warm.  
She's been rejected. Her mother's

10:04:47 SCENE IN: INT. NANA V'S CARAVAN KITCHEN - DAY

FIREFIGHTER DAMON PEACHEY (OOS)

**10:04:09 SCENE IN: INT. NANA V'S CARAVAN - DAY**

FIREFIGHTER DAMON PEACHEY  
And this won't do. If you must use  
candles, and we don't recommend it,  
don't put it in a plastic bottle.  
A ceramic saucer is best.

NANA V blows out the candles on the table.

FIREFIGHTER DAMON PEACHEY (CONT'D)  
And remove the rubbish from  
underneath the van.

NANA V  
Okay, got it. Thanks very much for  
that love. Oh come on baby

NANA V takes back the puppy.

FIREFIGHTER DAMON PEACHEY  
Actually that wasn't as bad as I  
thought.

NANA V  
Aah, it's lucky she didn't have a  
widdle on you.

FIREFIGHTER DAMON PEACHEY  
Could I just wash my hands, again?  
Just hands...

NANA V  
Have another shower. I might join  
you. Just joking.

**10:05:18 Music In: "Porridge on Fire"**

DAMON and NANA V walk over to the shower and kitchen. We see  
that the porridge sachet has been left in the pan with no  
water. The porridge sachet goes up in flames in the pan.

NANA V (CONT'D)  
(Sharp intake of breath)

DAMON grabs the fire extinguisher and squirts it at the pan.

NANA V is aroused/thrilled.

NAOMI (CONT'D)

NANA V

RECEPTIONIST

LILLI KUSIAK  
Oh Mrs Fazakerley. She's recovering

NANA V

LILLI KUSIAK  
No. Hopefully if the meds to the

NANA V  
What and try her again feeding her  
babies?

LILLI KUSIAK  
You know I think it might have been  
the pain in the abdomen that caused  
her to push them away.

NANA V  
Mmm

LILLI KUSIAK  
Or maybe she was taken away from  
her own mother too young and she  
just doesn't know what to do.

NANA V  
Or she's just knackered. I couldn't  
get out of bed for three years

NANA V (CONT'D)

LILLI KUSIAK

pups could pay half your vet's  
bills.

LILLI KUSIAK  
And? And the other half?

NANA V  
I was not wondering if we might not  
come to some kind of arrangement.  
Aah Aaah, now bare with me. We  
could barter a bit of our  
expertise.

LILLI KUSIAK

**10:13:16 SCENE IN: INT. NANA V'S CARAVAN - DAY**

NANA V is holding one of the puppies under her arm. She is looking at the Moroccan marriage blanket.

NANA V  
Hey, this is nice isn't it? Ah No  
Name will like that when she get's  
back home. I'll pop it in her  
basket.

NANA V points at the new microwave, which Tony is changing the plug on

NANA V (CONT'D)  
Oh and Jaz, thank your mum for that  
will you. Very nice of her. This  
old one here hasn't worked. Not  
since the mouse got itself trapped  
between the magnetron and the  
stirrer.

TONY  
I still say we could have stuck a  
bottle brush down the side and  
cleared the charred corpse from the  
doings.

JASMINE is sitting relaxing with her feet in a bowl of warm water surrounded by tea lights.

NANA V  
Hey Jaz, you want to be careful  
with these tea lights.

ERON crashes in through the front door.

ERON  
I'm sorry babe. No sign of Charlie.

JASMINE  
Nana V found his collar at the  
vets.

NANA V  
Eron son, I need to talk to you in  
the bedroom, now.

SERON sits on his bed next to NANA V.

NANA V  
**It was just a few cuts.**

(reference to self harm @ 10:14:25)

ERON  
Mum's not going to die is she Nana?

NANA V  
No...No. She's pulling the sympathy  
vote. A lot of the inmates do it.  
Probably just trying to get out of  
basket weaving...

ERON sits trying to keep it together. A tear falls down his  
cheek. NANA V hands him the puppy to cheer him up.

NANA V (CONT'D)  
She needs her bottom spanked.

ERON  
Go and stop her doing it, Nana.

NANA V  
I can't, son.

ERON  
But you're her mum.

A look crosses NANA V's face. This is an indisputable fact.

**10:15:02 SCENE IN: EXT. NANA V'S YARD. AFTERNOON - DAY**

NAOMI's car pulls up into the yard. She gets out of the car  
phone in hand. NANA V appears at the door of the caravan.

10:15:06 Music Out: "Mum"

NAOMI

Ravi I don't care if you're at the top of the Jotenheimen or the bottom of the Grand Teton. Can you please call me I really, really need to access our Number One House Account.

NANA V

Can you move that car at least six meters away please? It's a fire hazard.

NAOMI

Did you find an online banking plastic pin thingy in one of the box I gifted you this morning?

NANA V

No, but someone found your dog's collar...

**10:15:26 SCENE IN: EXT. CALDY WOODS. AFTERNOON. DAY SIXTEEN.**

NANA V and NAOMI are trudging through the woods. NANA V is carrying a dog bowl and a container of water.

NANA V

Yeah well a new dog can cause marital discord. Little Jackie was the reason that Tony and I broke up in the first place.

NAOMI

Well, Ravi and I are seriously considering conscious uncoupling.

NANA V

Yeah Tony and I did a bit of that when we were getting back together. Oh no, that was unconscious coupling...after a few bevvies.

NAOMI

It was definitely here. I remember that honey fungus.

NANA V

Oh I had that once. Very itchy.  
Okay

NANA V puts the bowl down and fills it with water.

NANA V (CONT'D)  
Right take off your top.

NAOMI  
I beg your pardon.

NANA V  
Or your trousers. Whichever stinks  
of you the most.

NAOMI  
Well what else am I supposed to  
wear?

NANA V  
Alright, if you don't want to get  
your dog back.

NAOMI  
Oh for heaven's sake.

NAOMI takes off her trousers.

NAOMI (CONT'D)  
Well he's not having this blouse.  
It's new.

She hands the trousers to NANA V who makes them into a little nest and places them beside the water bowl.

NANA V  
Now, if your dog is still alive,  
we'll find him nestled in there in  
the morning.

NAOMI stands in her top, ankle pop socks and court shoes.

NANA V (CONT'D)  
Right I'm off to give a lecture.

NAOMI  
Well how am I supposed to get back?

NANA V  
Well you can always walk.

NAOMI  
I need to get home before the  
contractors knock off.

NANA V  
Well then I'll drop you somewhere  
nice and convenient.

**10:16:34 SCENE IN: INT. THE HOYLAKE VETERINARY PRACTICE -DAY**

The lecture is in full flow. LILLIE KUSIAK and NANA V are stood at the top of the reception area.

A picture of a Staffy comes on the screen.

NANA V  
So here we have now, there's a Staffordshire Bull Terrier. I've got one of these myself. Lovely, lovely breed. Very good with small children. And that could help you Gemma, with your child care problems. They do have a tendency to experience a little eczema isn't that right Mrs Kusiak?

LILLI KUSIAK  
There can be, and any skin complaints, for any breeds can be treated here. At this surgery. (mumbles)...or at any reputable veterinary practice.

A picture of a Neopolitan Bull Mastiff.

NANA V  
Okay the Neopolitan Mastiff. A big dog. Now this dog doesn't live long. Might suit you Maureen.

MAUREEN is a very elderly lady.

NANA V (CONT'D)  
Yeah and she's buying a puppy and you've bought a new coat love. Yeah you are obviously a glass half full kinda girl. Aren't you? Yes.

MAUREEN looks confused

NANA V (CONT'D)  
I want you all to think of this.  
Picture it. When you get your  
puppy, you are everything to that  
dog for a lifetime.

LILLI KUSIAK  
And in that lifetime, any puppy  
inoculations that you might need  
can be undertaken here at this  
surgery. (mutters) or obviously at  
any other reputable veterinary  
surgeons.

A picture of a veruccaed foot on screen.

NANA V  
Ah, sorry, no that's Tony's verucca  
that. I just brought a picture of  
it down to show the vet. He's  
caravan bound, which proves you  
don't just get them from swimming  
pools.

NANA V's phone rings, "HMP HARROCK", she switches it off.

NANA V (CONT'D)  
I was brought up in childrens'  
homes...

CUT TO NANA V clearing away the chairs after the lecture.

NANA V (V.O.) (CONT'D)  
...so dogs are my life.

LILLI KUSIAK comes out of the back.

LILLI KUSIAK  
Mrs Fazackerly I'm sorry you won't  
be able to take her home after all.  
She's got a temperature of 42.

NAOMI (CONT'D)  
can I pin this to your board? He's  
been missing for twenty four hours  
now.

NAOMI takes out a MISSING - LABRADOR RETRIEVER - £200 REWARD  
notice, with a picture of CHARLIE on it.

RECEPTIONIST  
I'll just ask.

NAOMI stands waiting impatiently.

FIREFIGHTER DAMON PEACHEY walks in carrying a scruffy moggy  
at arms length. NAOMI glances at him, admiringly.

NAOMI  
Hello.

DAMON PEACHEY  
Hello....

NAOMI  
Of all the emergency services I do  
think you firefighters are jolly  
brave. I mean I wouldn't want to  
head into a burning building  
surrounded by flames and caught in  
a sudden back draft...

DAMON PEACHEY  
Thankfully most of our time is  
spent in prevention and this sort  
of thing...

DAMON holds up the cat.

DAMON PEACHEY (CONT'D)  
I can't remember when. Touch wood.

LILLI KUSIAK comes in.

DAMON PEACHEY (CONT'D)  
Mrs Kusiak, can I wash my hands?

She takes the cat from DAMON.

LILLI KUSIAK  
You know where everything is Damon.

DAMON heads off to the back to wash his hands.

NAOMI  
Charlie is still missing Lilli

The phone rings.

LILLI KUSIAK  
Scuse me a minute

NAOMI  
Can I

LILLI holds up her finger to stop her speaking.

LILLI KUSIAK  
Hello Lilli Kusiak speaking. Ah Mrs  
Fazackerly's bitch...yes...the  
father of the puppies is a golden  
retriever...lovely.

NAOMI looks at the picture of CHARLIE on the missing poster.

NAOMI  
I'll pop back later...

NAOMI beats a hasty retreat.

LILLI KUSIAK  
Thank you I'll pass that on by-bye.

**10:19:21 SCENE IN: INT. THE HOYLAKE VETERINARY PRACTICE -DAY**

DAMON walks into the back. NANA is lying on the floor by NO NAME's cage. She wakes up as he walks through...

FIREFIGHTER DAMON PEACHEY  
Sorry did I waken you?

NANA V  
Not really. I've got a little 'un  
in here.

FIREFIGHTER DAMON PEACHEY  
Yeah, I worry about mine and she's  
not even born yet...

NANA V  
You got a name?

FIREFIGHTER DAMON PEACHEY  
Shelley.

NANA V  
After Percy Psysshe the poet?

FIREFIGHTER DAMON PEACHEY  
No, cos we live near a  
beach....what's wrong with her?

NANA V  
Women's troubles.

FIREFIGHTER DAMON PEACHEY  
Right well, good luck with that,  
These hands aren't going to wash

grieving for Jackie.

NANA V nods.

NANA V

NANA V looks very down in the mouth.

NANA V  
Oh no no!

TONY  
Keep calm V! Keep calm, just wait

TONY heads towards the caravan.

NANA V  
Tony no! You've only just got out

fifteen years don't go back!

JASMINE starts wailing.

JASMINE  
Granddad's gonna die!

NANA V  
No Tony...Hurry up!

TONY enters through the door.

ERON runs down the back drive towards the caravan in his  
football kit.

ERON  
Where's where's grandad?

NANA V  
He's in the van!

ERON  
Grandad!

ERON goes towards the van. NANA V holds him back.

NANA V  
No Eron.

JASMINE screams and sobs. In the smoke filled door way, TONY

CUT TO:

NANA V and NAOMI are walking back through the woods

NANA V  
Where are we going to live, now?

NAOMI  
I can't do anymore I'm afraid. The house will be out of bounds from this afternoon, they're rebuilding from the foundations up.

NANA V  
And you're moving into five star accommodation no doubt.

NAOMI  
Well my insurance settlement has come through, so yes I am sorted. Very happy for Jasmine to join me.

NANA V  
And the rest of us can go hang?

NAOMI  
Well sadly resources are finite...

NANA V  
Rubbish. Money grows on trees..

They pass one of the missing posters on a tree.

NANA V (CONT'D)  
...£200 eh? Very nice.

NAOMI  
Well, we paid £600 for him.

NANA V  
Next time get yourself a nice cheap  
little rescue.

NAOMI  
This is hopeless, he's been missing  
for over forty eight hours...

NANA V  
Well with a dog, it's all about the  
nose. Now a dog will scent for his  
kith and kin till it;s last breath.

NANA V points to the honey fungus tree.

CHARLIE lies by NAOMI's trousers.

NAOMI  
CHARLIE! Charlie!

She looks at NANA V, flabbergasted.

NAOMI (CONT'D)  
He came back. He came back. Oh  
Charlie. He likes me. He actually  
likes me. Charlie, oh Charlie

CHARLIE and NAOMI are reunited. She is genuinely  
affectionate.

NANA V  
Yeah which means you owe me for the  
vet's bill for the wear and tear on  
my dog's bits - and for the puppies  
maintenance.

NAOMI  
Well it doesn;t neccesariy mean  
it's this golden retriever.

NANA V  
Well if it looks like a duck and it  
barks like a duck, it is a duck  
bloke down the docks for £10.

NANA V's phone rings.

NANA V (CONT'D)

NANA V  
Tony was a hero.

10:25:36 Music Out: "Back at the Caravan"

FIREFIGHTER DAMON PEACHEY  
No. There is nothing heroic about a member of the public going into a burning structure. I mean after all what is more important a human being or a dog?

NANA V thinks for a moment...she's not sure.

DAMON PEACHEY  
Anyway, it seems to have been caused by an online banking plastic pin thingy stuck under the microwave plate which shorted the system. And now you've lost your home.

NANA V  
It's just tin and paper.

DAMON PEACHEY  
Were you insured?

TONY  
Policy lapsed cos we missed a payment.

NANA V picks up a few charred remains. There is a photograph of a baby in the 1980's.

NANA V  
That's my daughter. You know what Tony, she looks, seh looks like a lovely little girl in this picture.

DAMON PEACHEY  
Where are you going to live?

NANA V  
Something'll turn up.

A horn beeps.

NAOMI  
Hello. John Pruddah has allocated me a pitch next to yours.

NANA V  
Is that a Damon Daybreak Class A 3270 petrol 8 vortex engine on a workhorse chassis?

NAOMI  
I've no idea.

NANA V goes round the back and checks out the signage.

NANA V  
We're sorted. This sleeps five. It's got smart storage and a queen bed with two nightstands. All mod cons.

DAMON PEACHEY  
Can just wash my hands.

NAOMI, rather pleased with herself, invites him in.

NAOMI  
Yes, climb aboard.

NANA V and NAOMI eye each other, and raise their tea mugs in a silent respectful toast.
