1 **EXT. 13 BANNERMAN ROAD -- NIGHT**

1

Establishing shot of SARAH JANE'S house. Threatening and spooky. A rumble of thunder and the sound of a window being broken...

Fade up caption "EALING, LONDON 2059"

FX SHOT: A flash of lightning.

CUT TO:

2 **INT. THE ATTIC -- NIGHT**

2

Close on the Attic door. Silence except for the wind and occasional rumble of thunder outside. Footsteps climbing the creaking stairs, getting closer. The door opens...

ADAM (15, boyish, inquisitive charmer) enters. He looks around and we see his POV of the Attic. Dark. No photos. No alien tech. Nothing. It's a dark, spooky attic with a large, cracked mirror where MR SMITH should be. The rain starts. ADAM sees a shadow in the darkness: OLD RANI standing in front of the mirror. ADAM approaches...

ADAM

Hello?

He takes another step.

ADAM (CONT'D)

Are you all right?

OLD RANI

Who's that? What do you want?

ADAM

It's okay. I'm not going to hurt you.

OLD RANI

No?

(realises)

No. You wanted to see if the stories were true.

The shadow starts to turn towards ADAM.

OLD RANI (CONT'D)

You wanted to meet the mad old woman of Bannerman Road. Well, come closer then.

ADAM moves forward as the shadow turns. A flash of lightning gives us the quickest glimpse of OLD RANI (65, weary, spiky).

ADAM
Who are you?

OLD RANI
The mad old woman of Bannerman Road.

ADAM fighting back fear...

ADAM
But... what's your name?

A loud rumble of thunder and flash of lightning reveals OLD RANI. She stares at ADAM, a terrifying witch.

OLD RANI
My name is Rani. Rani Chandra.

Throughout the Attic scenes, occasional rumbles of thunder, flashes of lightning and the constant sound of rain pitter-pattering on the window.

OLD RANI
Well, sit down then.

ADAM sits at the desk under the window, switching on a lamp.

ADAM
Ms Chandra?

OLD RANI is standing, looking in the mirror. She's staring at her reflection, touching her face. So old.

ADAM (CONT'D)
Are you all right?

OLD RANI
What do you want?

(CONTINUED)

ADAM

It's just... At school, there's all these rumours about this place. About you.

As she talks, she hobbles over towards the desk.

OLD RANI

So you're what? Nosy?

He jumps up and helps her sit down.

ADAM

Inquisitive?

A hint of a smile on both their faces. They sit down.

OLD RANI

Oh I remember being that.

(suddenly)

What year is it?

ADAM

What?

OLD RANI

When you're on your own, you forget things. People, places...

(desperately sad)

I don't even know what year it is.

ADAM

(calming)

It's twenty-fifty-nine, Ms Chandra.

OLD RANI

It's Rani, Ms Chandra makes me sound like a teacher. What's your name?

ADAM

I'm Adam. I live across the road.

OLD RANI

I wanted your name, not your life story. So what do you want, Adam?

ADAM

I want to know who you are.

OLD RANI reaches under the desk for a small wooden box but turns awkwardly and drops it. Photographs scatter on the floor and she starts to panic, tries to reach down.

OLD RANI

No! No!

ADAM to his feet. He stops OLD RANI as she tries to bend down. He bends down, gathering the photographs.

ADAM

It's okay, I've got it.

OLD RANI

They're all I've got!

ADAM looks down at the photos. SARAH JANE, LUKE, CLYDE, RANI, HARESH, GITA, MARIA, CARLA, K9. All real (not publicity pics), old and faded.

ADAM

Who are they?

Close on the photos.

OLD RANI

(heartbroken)

They're gone.

Silence as ADAM stands up with the photos and sitting down, places them on the table.

OLD RANI (CONT'D)

My friends... My mum and dad...

(beat)

This old attic... It's full of ghosts.

ADAM shocked, looking around.

OLD RANI (CONT'D)

Oh, not "oooh"...

She waggles her fingers - an impression of a ghost.

OLD RANI (CONT'D)

I mean, for me. For me, it's full of ghosts. Ghosts of the people I used to love...

INT. THE ATTIC -- MORNING

Full of sunlight. SARAH JANE's fixing a piece of alien technology. CLYDE's drawing a picture of her. LUKE's talking to MR SMITH. SARAH JANE spots what CLYDE is doing and tries to hide her face. Lots of banter and movement.

OLD RANI (V.O.)
My friend Luke used to live here. He
was the same age as me. Well, sort of.
And he lived here with his mum.

Move into CLYDE's brilliant drawing of SARAH JANE...

OLD RANI (V.O.) (CONT'D)
Sarah Jane Smith was mysterious and
moody and, oh, you didn't want to get on
the wrong side of her. But she was
wonderful. She saved the world so many
times. She changed my life and I never
told her how grateful I was.

Close on CLYDE's brilliant drawing of SARAH JANE.

CUT TO:

6 **INT. THE ATTIC -- NIGHT**

OLD RANI looking down at the desk. Looking at the faded,
crumpled old picture that CLYDE drew fifty years before.

OLD RANI
The things we did. The... people we
met.

ADAM
People?

OLD RANI
(nodding)
In those days, well it wasn't like
today. Everyone knew about them, of
course. They'd seen the Daleks and the
Cybermen... But they didn't know
everything.

She looks up, towards the window... Flash of lightning...

OLD RANI
Monsters... aliens... They don't scare
you?

ADAM shakes his head.

OLD RANI (CONT'D)
Not even a little bit?

ADAM shakes his head.

OLD RANI (CONT'D)
Not even the one behind you now?

ADAM quickly turns around. Nothing there. Turns back to
face OLD RANI as she cackles.

ADAM
Yeah, funny.
Well if you had all these friends, if
you had such a great life, how did you
end up like this?!

OLD RANI stops laughing. Sad and serious.

OLD RANI
Because I made a mistake.

ADAM
What do you mean?

OLD RANI stands and hobbles back to the mirror.

OLD RANI
When I was a girl, I wanted to be a
journalist...

Staring at her reflection, OLD RANI pushes a strand of
hair behind her ear...

Every morning, I'd go on the internet looking for stories. Things that might be worth investigating.

RANI stops on a news story - "BT TOWER DAMAGED The Mayor of London has confirmed that the strange light that surrounded the BT Tower last night was merely lightning. The Tower suffered minor structural damage during the storm..."

We've just been talking to Maria.

RANI

Never mind that! Wait till you see what I've found.

She rushes over with a print-out. Hands it to SARAH JANE. Doesn't notice SARAH JANE's face whose seen it before.

It was lightning. Mr Smith checked it out this morning. It really was just lightning.

RANI

Oh. Right.

LUKE

Maria's been helping aliens hide from the government.

RANI

What?

CLYDE

Oh, haven't you heard, she's the new Sarah Jane!

SARAH JANE

Oh, Clyde.

LUKE

Last week she met a race of aliens who look exactly like the Fimbles.

CLYDE

She was winding you up.

SARAH JANE

Oh no she wasn't. I've met the Zodin before. Stripey...

She mimes a long nose and big floppy ears. All laughing except RANI...

OLD RANI (V.O.)
It really wasn't cool. Maria was this
girl they knew before me who'd moved to
America. And so that morning, it just
felt like I wasn't one of the gang.

SAM, with his back to her.

RANI

(grins)

Sam!

He turns around. He looks cold and miserable. Eyes full
of resentment.

RANI (CONT'D)

Sam?

SAM

Hi, Rani.

She runs over to him and hugs him. He doesn't react.

RANI

So, how are you doing? And why haven't you come to visit me yet? I told you, London's brilliant.

She looks around.

RANI (CONT'D)

I don't remember it being so... grim here.

*

SAM doesn't respond.

RANI (CONT'D)

Are you all right?

SAM

I'm fine. Why wouldn't I be?

RANI

Well, it's just...

She stops walking. SAM stops as well but doesn't look at her.

RANI (CONT'D)

(quiet)

Why did you start ignoring me?

SAM

I didn't. It doesn't matter.

RANI

But we said. When I moved away, we said we'd stay friends. I missed you.

SAM turns away and starts walking. She goes after him.

SAM

I was busy, okay? Anyway, you had London and Sarah Jane Smith and the aliens.

RANI looks around, nervous.

RANI

I told you that was a secret!

SAM

You told me you deal with stuff like this, so deal with it.

SAM looks up. So does RANI. They're approaching an old abandoned pleasure park, looming over them. Two huge old-fashioned gates padlocked.

*

RANI

Wow - even the Pleasure Park's closed down.

*

*

They look through the gates as SAM talks...

*

SAM

Over the last three months, four people have disappeared. They were homeless so no-one cared.

RANI

Sam. You were my best mate.

SAM

There's this kid at school. He came here one night. Broke in.

RANI

Sam... please!

SAM

He said he saw a demon. In the Haunted Mine.

She's intrigued, despite herself.

RANI

A what?

SAM

A red demon. He said it was like fire, you know? Living fire.

RANI

What about you? Have you seen anything?

SAM

I haven't been in there. That's why I emailed you. You do this kind of thing.

RANI leaves him, pushing at the padlocked gates.

RANI

You think what this kid saw is connected to the missing people...

She turns back but he's walking away.

RANI (CONT'D)

Sam!

SAM

Investigate the mystery then. That's what you do.

RANI's about to go after him when suddenly, from within the Park, a voice over the Tannoy. It's oddly ethereal and sounds out of place in a theme park.

SHIP (V.O.)

Prepare for Playtime.

RANI turns back to the gates, intrigued, and pulls at the padlock. She starts to climb.

18

RANI jumps down the other side of the gates.

RANI

Who needs a sonic lipstick!

She starts to explore. The pleasure park is bleak and spooky. Long abandoned rides. The only sound now is wind rattling through the park and seagulls howling above.

RANI takes a portable recorder out of her rucksack and starts to talk into it as she explores...

RANI (CONT'D)

Okay. This is Rani Chandra, investigating the Danemouth Pleasure Park. It's deserted. Empty. But I heard something. A voice. And if Sam says there's a demon here or something...

CUT TO:

19 **INT. THE ATTIC -- NIGHT**

speak when she puts a finger to her mouth. Breathing
from the recorder until, suddenly:

HARRY (RECORDER)
Hello?
(beat)
I can see you, you know.

CUT TO:

20 **EXT. THE PLEASURE PARK -- MORNING**

RANI hurriedly pockets the recorder and then steps out of
the shadows. We see HARRY (60s, sweet old man, shabby
coat, big bunch of keys).

RANI
I'm sorry, this kid threw my rucksack in
here and I had to climb over the
gates...

HARRY
Well now you've got it, you'd best be on
your way.

RANI stands up and grimaces in fake pain.

RANI
I think I've twisted my ankle.

HARRY
Oh. Well, you should erm...

RANI
Is there somewhere I could sit down?
Just for a minute?

He's not sure...

RANI (CONT'D)
It really hurts... Please...

He can't say no...

CUT TO:

21

INT. PORTACABIN -- MORNING

21

HARRY staring into a small mirrored cupboard above a sink. RANI sitting behind him - mirroring Scenes 2 and 4.

HARRY
What's your name?

RANI
Rani. Rani Chandra.

HARRY
Well, Rani...

He turns around.

HARRY (CONT'D)
I'm Harry Sowersby. You really
shouldn't be here, you know. It's not
safe.

RANI
You're here.

HARRY
I'm the caretaker, I'm meant to be here.
How's your ankle?

RANI
It still hurts...

RANI sees a photo on the wall. YOUNG HARRY in front of a fairground ride.

RANI (CONT'D)
Is that you?

HARRY
Yes. Look, do you want me to call
someone?

RANI
You were really good-looking! And so...

HARRY
Young?
(smiles)
Yes, I suppose I was. That was just out
there, you know. Oooh, fifty years ago
now.

HARRY sits down.

Well done!

HARRY

(wistful)

This land, this town, it's meant so much
to so many children... But it's all gone
now.

RANI

What happened?

HARRY

The credit crunch. People can't afford
to have fun any more.

RANI

So now it's just you.

HARRY

Until they sell the land, that's right.

RANI

(leading)

Just you... here... alone...

He stares at her. Still smiling but scared.

RANI (CONT'D)

It's just... I heard there might be
something else here.

(beat)

In the Haunted Mine?

HARRY

No.

RANI

Sorry?

HARRY

There's nothing here.

He's up. His back to her as he looks in the mirror.

HARRY (CONT'D)

I think you should go.

Suddenly a Tannoy screech sounds outside. RANI heads back to the door as HARRY, with his back to her, looks in the mirror, terrified.

RANI
(quiet)
What's that?

Suddenly, sinister fairground music sounds through a speaker, echoing across the deserted pleasure park.

RANI (CONT'D)
Yeah right, just you here!

HARRY waits for RANI to leave, then turns to the mirror.

FX SHOT: And in it, a woman's face, middle-aged, calm, beautiful, lit up in red where the reflection should be.

Playtime begins.

CUT TO:

22 **EXT. THE PLEASURE PARK -- MORNING**

The music continues as RANI runs into the middle of the park. Then: FOUR PEOPLE (homeless, various ages, red eyes) leave the Haunted Mine. As the music plays, they walk to four different rides, climb in and sit down. RANI takes out her recorder.

RANI
I... I... Well this is weird...

Slowly, big grins appear on the FOUR PEOPLE's faces as the music builds up and it's creepy and scary and...

Suddenly, all the rides light up and start! RANI spinning round, scared as the park comes to life around her!

CUT TO:

24 **INT. THE ATTIC -- MORNING**

24

SARAH JANE enters the Attic, looking thoughtful. CLYDE
and LUKE on SARAH JANE's computer.

SARAH JANE
Either of you heard from Rani?

CLYDE
Not since she came round earlier.

SARAH JANE
Gita just phoned. Rani told her she was
spending the day with us.

LUKE takes out his mobile, calling RANI.

LUKE
Why would she lie to her mum?

SARAH JANE
I don't know. I hope she wasn't upset
about earlier.

CLYDE
What're you on about?

SARAH JANE
I was maybe a bit... dismissive. About
the lightning at the BT Tower.

LUKE
She's not answering her phone.

CLYDE
Do you reckon that's where she's gone?

SARAH JANE shrugs.

She's lied to her mum. She's up to something.

CLYDE

Well then, we'll have to find out what.

Oh no! I seem to have left that Really Important Book at Rani's house.

(beat then to LUKE)

You not going to ask "what book"?

LUKE

There isn't one. It's a trick to see if there's any clues over there.

CLYDE

Lukey-boy, you're learning!

He rushes off, grinning. SARAH JANE still worried.

LUKE

Mum?

SARAH JANE

You might be learning, but sometimes I think I never will.

LUKE takes out his mobile. Calls RANI...

CUT TO:

25 **EXT. THE PLEASURE PARK -- MORNING**

25

Sinister fairground music plays as before. RANI is in front of one of the people.

RANI

Can you hear me? Hello?

They just grin and ignore her. Then from the Tannoy:

SHIP (V.O.)

Playtime is over.

RANI looks around her as the music stops and the rides start to slow.

RANI's mobile rings. She looks at it.

RANI

Sam Lloyd. Danemouth. Missing people.
So. Many. Stairs.

SARAH JANE
Danemouth? Isn't that where Rani used
to live?

CLYDE hands SARAH JANE a print-out of SAM's email.

SARAH JANE (CONT'D)
(reading the email)
I thought I could trust her...

LUKE
Mum?

SARAH JANE
Rani's been telling this boy about
everything we do! Mr Smith, I need you!

Fanfare as MR SMITH opens.

MR SMITH
What can I do for you, Sarah Jane?

SARAH JANE
Sam Lloyd. Fifteen. Living in a town
called Danemouth. Can you find him?

MR SMITH
Searching... Samuel Lloyd.

MR SMITH (CONT'D)
Born on the 23rd of June 1994.
Currently resides in the Saint Anthony's

Why? You weren't a kid.

OLD RANI

Did you tell anyone where you were going tonight?

ADAM shakes his head.

OLD RANI (CONT'D)

So nobody knows where you are. I'm the mad old woman of Bannerman Road. I could eat children for all you know!

ADAM

(laughs)

Mr Smith, I think I need you!

OLD RANI

Oh, he stopped working years ago. He died.

It's definitely alien. And that means
there's an alien here-

She gasps, shocked, as hand falls on her shoulder. She turns to see HARRY.

HARRY

Your ankle seems to have got better

RANI

Are you an alien? I've met them before.
I'm not scared of you.

HARRY

Oh, sweetheart, you wouldn't understand.
You should just go.

RANI determined, shaking her head.

RANI

You've got people here. You're keeping
them prisoner.

HARRY

It's not like that! They're happy!

RANI

They came from in there.

RANI striding over towards the Haunted Mine.

HARRY

What are you doing?

She stops outside the Haunted Mine. Stops at the cut-out of Death, with red eyes, pointing the "Way In".

There's nothing going on. It's fine.
Everything's fine.

Yeah, Rani told us about you. Said you were good mates.

SAM

We were.

Awkward pause... SARAH JANE steps in front of CLYDE.

SARAH JANE

I know about your parents. It's not easy, is it?

SAM

I was just a kid. I'm fine.

SARAH JANE

My parents died when I was young. I know that it's never fine.

SAM gets up, emotionless, staring into space.

SAM

I'll tell you where Rani is. You don't have to be nice to me.

SAM (CONT'D)

(whispers)

She's with 'her'.

 ADAM
Who? Who was she?

 OLD RANI
The demon...

CUT TO:

34 **INT. THE HAUNTED MINE'S STORE ROOM -- MORNING**

34

A door opens and RANI enters. A big, cracked mirror rests against one wall. Also a bank of CCTV monitors showing the pleasure park in action - the grinning face of each of the FOUR PEOPLE on a different screen. And they're being watched by...

 HARRY (OOV)
It's not what you think. She's not a
bad girl.

... EVE. She's about 16, alien, fiery red skin, watching the TV screens, her back to RANI. RANI steps forward.

 RANI
Hello?

EVE ignores her.

 RANI (CONT'D)
I'm Rani.
 (to HARRY)
Who is she?

 HARRY
She's my little girl. She's my Eve.

 HARRY (CONT'D)
She just wants to play.

The door slams on HARRY, shutting RANI inside. RANI turns around, tries the door but it's locked.

 RANI
Harry! What's going on?

She turns back to face EVE.

 RANI (CONT'D)
Hello?

CUT TO:

35 **EXT. THE CHILDREN'S HOME -- MORNING**

35

SARAH JANE, LUKE and CLYDE exit the Home.

LUKE

A demon?

CLYDE

Must be an alien. We've got to get to the park and find Rani.

SARAH JANE

Someone should stay here and talk to Sam. He knows more than he's telling us.

LUKE heads back.

LUKE

I'll stay. I think I can get through to him.

SARAH JANE torn. CLYDE takes her arm before she can object.

CLYDE

Come on. Ms Smith, I still need you.

CUT TO:

36 **INT. THE HAUNTED MINE'S STORE ROOM -- MORNING**

RANI is looking at EVE.

RANI

My name's Rani. Rani Chandra. It's okay, I've met aliens before.

EVE

(telepathic)

I know.

36 CONTINUED:

36

RANI

Right. So you can read my mind?

EVE

(telepathic)

I can read your timeline.

(beat)

You don't need to keep proving yourself.

RANI

What?

EVE, reading RANI's mind, starts off slow then faster, babbling as she takes the information in.

EVE

(telepathic)

You're worried that your parents are disappointed in you. Especially your Dad. You hide it behind jokes and laughter but it's there deep down. And you worry about a girl called Maria. You worry that Sarah Jane Smith doesn't think you're as good as her.

RANI

(interrupts)

Okay, okay... Can you not read my mind?

EVE

(telepathic)

You shouldn't worry. I can see how they look at you.

RANI

What?

EVE

(telepathic)

Just glimpses... They love you. They're proud of you.

(sad)

You should be happy.

RANI

I... I am happy.

(smiles)

You're... amazing.

EVE turns to face RANI then, suddenly out loud.

EVE

I know.

37 **EXT. THE PROMENADE -- MORNING**

37

SARAH JANE and CLYDE have been running but come to a stop, catching their breath.

CLYDE

Are you sure you know where we're going?

SARAH JANE

I knew I should have brought Luke. He moans less than you.

CLYDE

I run faster though.

SARAH JANE

Hey, I've been holding back so you can keep up.

CLYDE

Yeah, right.

(beat)

Rani'll be okay.

SARAH JANE

It's easy to say, Clyde but if she isn't... I brought you all into this.

CLYDE

Like you had a choice.

SARAH JANE

What?

CLYDE

We chose you, you didn't choose us.

SARAH JANE

I don't think so.

CLYDE

You're old. Your memory's going.

SARAH JANE lost for words. Then she laughs.

SARAH JANE

Come on.

She holds out her hand. He looks down at it and smirks.

37 CONTINUED:

37

SARAH JANE (CONT'D)

You not going to hold the old lady's hand? I might fall if you don't.

CLYDE

S'alright. I've got my phone. I'll call an ambulance if your hip goes.

He grins and starts running. SARAH JANE grins and follows.

CUT TO:

38 **INT. THE HAUNTED MINE'S STORE ROOM -- MORNING**

38

RANI is sitting in a chair, next to EVE.

EVE

Zac Efron?

RANI

(laughs)

Okay, really! Stop it now!

EVE

(laughs)

He is... fit.

RANI

(still laughing)

Stop it!

EVE

(full of wonder)

Your mind is so full of... There's so much in there. The things you're going to see, the things you've seen.

RANI

Me? You're from up there! You must have seen loads! I mean, what's your planet like?

EVE's smile drops.

EVE

I don't know.

RANI

What is it?

EVE

There was a war and... it was a long time ago.

(CONTINUED)

RANI

(gentle)

You know about my life.

EVE

There were these two races and they had a war. My people weren't part of it but, because we could read the timelines, they attacked us. So many were exterminated... My parents put me in a ship and sent me out into space.

RANI

Like an evacuee?

EVE

I was so young. I can see into your mind, I can see what your mum and dad look like... I can't remember my mum's face.

RANI suddenly hugs her.

RANI

It's okay. Hey, it's okay.

EVE

I crashed here. I'm so alone.

RANI

So is Harry keeping you prisoner?

EVE

He says it's dangerous outside.

RANI

He sounds like my dad.

EVE

Adults are boring. They should just let us play.

RANI

What about the people outside? The ones on the rides?

EVE

They're my friends.

RANI

What have you done to them?

sonic lipstick at the metal gates. PRAC sparks as they
open.

CLYDE
I could have climbed over.

SARAH JANE
My way's more stylish.

They walk through the gates and see the FOUR PEOPLE.
SARAH JANE scans with her watch as CLYDE runs over to one
of them.

CLYDE
You all right?

The PERSON turns to him, smiling, red-eyed.

CLYDE (CONT'D)
Stupid question...
(shouts)
Sarah Jane!

She joins him.

SARAH JANE
(Gently, to the PERSON)
Can you see me? Hello?

HARRY (OOV)
Hello. My name's Harry. I'm the
caretaker here. Can I help you?

They turn around and he's standing there, smiling. So
sweet and innocent.

LUKE

What do you mean?

SAM

You never had someone leave you? Someone you thought was your best friend forever.

LUKE

I had a friend called Maria. She moved to America.

SAM

Yeah, but you've got your Mum. And Clyde.

LUKE

Don't you have any other friends?

SAM stands up and looks in a mirror. Staring at his own reflection.

SAM

No.

LUKE

But there are kids here. Kids you could be friends with. You don't have to be alone.

SAM

I'm not alone.

HARRY

SARAH JANE

They didn't seem to be having much fun to me.

HARRY

Look, I haven't seen this girl. Why would she come here anyway?

SARAH JANE

Rani's interested in the history of Danemouth.

CLYDE

Yeah. Cos she's...

He does the 'Loser' sign against his forehead.

SARAH JANE

I don't even know what that is.

CLYDE

It's not like she'd find anything, anyway. You know what she's like.

SARAH JANE

What do you mean?

CLYDE

She's stupid.

HARRY

That's rather rude, young man.

CLYDE

You haven't met her, mate. She's thick and stupid.

RANI

Eve, you have to let those people go. I can help you get home.

EVE

But you won't tell your mum about me.

RANI

What?

EVE

You find it so difficult. GCSEs and Judoon. Your parents and Sarah Jane Smith.

RANI

I... Sometimes it's hard, yeah. Trying to do it all. Having to keep this sort of thing secret.

EVE puts her hand on RANI's shoulder and suddenly: Flashes of RANI's life. RANI with SARAH JANE, CLYDE and LUKE. GITA and HARESH. School.

RANI (CONT'D)

LUKE

Maria's been helping aliens hide from the government.

CLYDE

She's the new Sarah Jane!

RANI pulls back from EVE.

RANI

It's not like that. Not really.

EVE

I know how you feel. I can see how it hurt you.

RANI

No. Maybe. Okay, a bit. But that was just a one-off. I over-reacted.

EVE

They've been trying to contact you, but you want to punish them. You need them, Rani. You're lost without them.

RANI

I'm not. I don't need them.

Suddenly her mobile rings. It's SARAH JANE. Rani cuts it off.

CLYDE
What is that?

FX SHOT: The mirror changes, becoming SHIP.

SHIP
Harry. Bring her to me.

HARRY

She won't hurt you.

RANI

But... it's wrong.

EVE

Is that what Sarah Jane tells you?

RANI's eyes narrow and she grins.

RANI

Let's do it.

EVE

You want to see? It'll make everything clearer.
