RANI crumples to the floor, clutching her knees and  
hiding her face. EVE looks down at her.

EVE  
(gentle)  
Rani?

RANI  
(quiet)  
Why did you show me that?

EVE  
I thought it'd stop the confusion in  
your head about your mum and GCSEs and  
boys and-

RANI looks up, crying. She turns to the mirror on the  
wall, staring at her reflection, horrified.

RANI  
I'm going to end up like that? An old  
woman? Alone? I could feel it... I  
was...

Dazed, she puts her hand on her face's reflection.

CUT TO:

16 **INT. SAM'S BEDROOM -- MORNING**

16

LUKE staring at his reflection in the mirror, still a bit dazed.

LUKE

What just happened?

He takes out his mobile.

SAM

Calling mummy?

LUKE stung. Puts his mobile back.

LUKE

Don't you think that was... weird?

SAM

You're the weird one. You're not even human.

LUKE

I am.

SAM

I saw you. You were made. You're like Frankenstein.

LUKE

Actually, I'm more like the creature. Frankenstein was the name of the man who made the creature.

Hint of a smile on SAM's face.

SAM

Rani said you were clever.

LUKE

She said a few things about you as well.

SAM

What do you mean?

(CONTINUED)

16 CONTINUED:

16

LUKE

She was really upset when you started ignoring her.

SAM

Yeah, right. She was too busy to be upset. She just kept going on about you and Clyde and Sarah Jane and Sontarans and space and... I was stuck here. By myself. I couldn't listen to it any more.

LUKE

Rani told you about what we do. Do you know how big that is? That's breaking every rule.

SAM shrugs.

LUKE (CONT'D)

You tricked her into coming here.

SAM

I didn't trick her. I asked her to come.

LUKE

Why? Because someone saw something in a theme park? You'd ignored her for months.

SAM

(quiet)

I was scared.

LUKE

(beat)

It was you, wasn't it. You went into the park. You met the demon.

SAM

She's not a demon. She's called Eve. And she's my friend. She... she read my mind and because I knew about Rani meeting aliens and that, Eve knew.

LUKE

So she wanted you to bring Rani here?

SAM

Eve won't hurt her.

LUKE

Do you know that for sure?

SAM isn't sure.

CUT TO:

17 **EXT. THE PLEASURE PARK -- MORNING**

17

CLYDE with a dazed SARAH JANE. The red-eyed FOUR PEOPLE watching from their rides.

SARAH JANE

I saw the TARDIS. In the attic...

CLYDE

Sarah Jane, look at me! That face in the mirror, it's dangerous. Rani's here somewhere and we've got to find her.

She snaps out of it.

SARAH JANE

You're right. Sorry, come on.

They look around. Then they spot something.

CLYDE

You thinking what I'm thinking?

SARAH JANE

The park's been closed for months.

CLYDE

Harry seems like an organised kind of guy.

SARAH JANE

So why's the door to the Haunted Mine open?

CLYDE

Sometimes, I think we're too good.

They move towards the Haunted Mine.

EVE

I guess he meant that people would think  
I'm weird.

They keep on moving.

CUT TO:

19 **INT. THE HAUNTED MINE -- MORNING**

19

SARAH JANE and CLYDE walking through the Haunted Mine.

CLYDE

Had to be the haunted mine, didn't it?

SARAH JANE

You're not scared, are you?

CLYDE

Me Clyde. Me not get scared.

SARAH JANE

After everything we've seen?

CLYDE

Me get scared sometimes. You?

SARAH JANE

Me? Nah!

They turn a corner and there's a clown mannequin. SARAH  
JANE jumps and CLYDE sniggers, but takes her hand.

CUT TO:

20 **INT. THE HAUNTED MINE -- MORNING**

20

EVE and RANI walking... Eve's looking around the Haunted  
Mine.

EVE

So you lot like being scared?

RANI

Well, no. Sort of. It's difficult to  
explain.

(CONTINUED)

20 CONTINUED:

20

EVE

The Universe is full of nightmares and  
you make fake ones.

RANI

Yeah. We're weird.

They see a shadow coming round the corner...

EVE

(whispers)

What is it?

RANI

I dunno...

CUT TO:

21 **INT. THE HAUNTED MINE -- MORNING**

21

SARAH JANE and CLYDE stop.

CLYDE

Did you hear something?

SARAH JANE nods. They move to go round the corner...

CUT TO:

22 **INT. THE HAUNTED MINE -- MORNING**

22

RANI and EVE watch as the shadows come round the corner.  
RANI adopts a sort-of karate stance ready... And suddenly  
CLYDE jumps round the corner, adopting a similar stance.

CLYDE

Hi-yah!

Everyone jumps and shouts out. A pause.

RANI

Well... I feel a bit stupid.

CLYDE suddenly furious.

CLYDE

Where have you been? We've been trying  
to call you! You could have been lying  
in a ditch...

He trails off as SARAH JANE, RANI and EVE look at him.

CLYDE (CONT'D)

Yeah... Good to see you, mate.

(CONTINUED)

22 CONTINUED:

22

SARAH JANE  
(to RANI)  
Aren't you going to introduce us?

RANI  
This is Eve. It's okay, she's not trying  
to take over the world or anything!

SARAH JANE  
Are you sure about that? Because  
there's a mirror out there that can read  
minds.

CLYDE  
And not forgetting the red-eyed zombies.

RANI  
She only wanted to make them happy.

SARAH JANE  
(annoyed)  
Oh Rani, you haven't got a clue what  
we're dealing with!

RANI  
No, cos I'm just a stupid kid who never  
gets anything right!

She storms off, EVE following.

CUT TO:

23 **INT. SAM'S BEDROOM -- MORNING**

23

The door opens and LUKE enters, carrying two mugs of tea.

LUKE  
Mrs Chang says you have to remember to  
bring the cups back down or...

He trails off. The room is empty. He sees a post-it on  
the computer screen. Puts the tea down and runs over to  
it. "It's not Eve who wanted Rani."

SARAH JANE (CONT'D)

Luke?. Are you okay?

LUKE

I'm fine. It's Sam... He's disappeared.  
He told me about someone called Eve.  
And there was a face in his mirror!  
Mum, he showed me my future!

SARAH JANE

Right, stay there. Check his computer,  
go through his emails. I'll call you  
later.

She ends the call.

CUT TO:

24

**EXT. THE PLEASURE PARK/INT. SAM'S BEDROOM -- MORNING**

24

EVE and RANI are now outside. SARAH JANE and CLYDE leave  
the Haunted Mine.

SARAH JANE

Rani. That mirror, or whatever it was,  
it's powerful. It read my mind. And  
it's read Luke's too. It showed us our  
future.

On RANI. Flash of OLD RANI alone in the ATTIC.

RANI

But... Nothing can know the future. We  
can change it. It's up to us what we  
do.

SARAH JANE is looking past her.

RANI (CONT'D)

Isn't it? Sarah Jane?

RANI turns. EVE is standing, arms outstretched.

EVE

It's beautiful...

RANI

Eve?

EVE

The air! The wind! It's so... Oh,  
Rani! I want to play!

EVE laughing as she starts to fling her hands towards various rides - like a God. As she does, the rides start up. RANI moves towards her.

SARAH JANE

Rani, wait!

RANI

No! Eve, listen to me! Stop this!

HARRY comes out of the Portacabin and runs over to RANI and EVE.

HARRY

Eve! What's going on? What are you  
doing out here?! It's not safe! I told  
you!

SARAH JANE

Eve. You have to stop this! You have  
to let these people go!

EVE just laughing as the rides speed up and a WIND swirls up around her.

HARRY

Stop it! Eve! Listen to me!

EVE suddenly turns on HARRY.

EVE

You can't tell me what to do! Rani  
brought me outside! I'm not a kid any  
more!

SARAH JANE

(to CLYDE)

Come on. The mirror.

CUT TO:

CLYDE and SARAH JANE enter and cross to the mirror.

SARAH JANE

Mirror? Can you hear me?

A pause...

(CONTINUED)

25 CONTINUED:

25

CLYDE

You know, Leonardo Da Vinci used to use mirrors to check that his paintings were accurate.

SARAH JANE looks at him.

CLYDE (CONT'D)

Yeah, I know stuff.

SARAH JANE

People used to believe that mirrors could capture your soul.

They both stare at their reflections.

CLYDE

Yeah, but that's not true, is it?

SARAH JANE

Of course it isn't.

They both smile

FX SHOT: suddenly SHIP appears in the mirror.

SHIP

What is your wish?

SARAH JANE

Erm... we'd like to know what's going on.

SHIP

Eve! Eve is outside! She must stop! Playtime is over!

CUT TO:

26 **EXT. THE PLEASURE PARK -- MORNING**

26

The music and rides stop. The wind dies down. Sudden silence.

EVE

What's happening? Why is it stopping?

HARRY

She says that playtime is over.

EVE

Playtime's over when I say it's over!

The music and rides start to come to life again.

RANI

Eve! Stop it! You can't control people like this!

HARRY

Please, sweetheart, come inside.  
Please!

EVE ignores them.

RANI

Right. Suit yourself.

She starts to stride off.

EVE

Rani?

RANI

I thought we were mates.

EVE

We are!

RANI

Nah. You just want mates who do whatever you tell them to.

EVE

Don't go! You can't leave me!

RANI

I can.

EVE

Oh no, really you can't.

CUT TO:

27

**EXT. THE PLEASURE PARK -- MORNING**

CUT TO:

28

**INT. PORTACABIN -- MORNING**

SHIP

You must bring her to me. She is too young. She can't control her powers.

(CONTINUED)

28 CONTINUED:

28

CLYDE

Who are you?

SHIP

I am Ship.

SARAH JANE

Eve's spaceship?

SHIP

Yes. My primary function is to keep Eve safe.

SARAH JANE

So why did you let Harry take her?

SHIP

He keeps her safe. I needed to reboot. After the crash. Playtime keeps her occupied.

SARAH JANE

And how are you now?

SHIP

I am at 87 percent. She must stop playing. She will die.

CUT TO:

29 **EXT. THE PLEASURE PARK -- MORNING**

29

SAM comes running in. EVE grinning, HARRY crouched down, head in his hands. RANI is standing with her back to us.

SAM

Eve? What's going on?

(to RANI)

Rani, I'm sorry. I'm so sorry.

(beat)

Rani?

(beat)

Please. Don't ignore me.

RANI turns to face him. Her eyes are red.

SAM (CONT'D)

Rani?

She slowly grins. Then walks to one of the rides. SAM turns around, looks at EVE.

SAM (CONT'D)

What have you done to her?

EVE

She was scared of the future.

(MORE)

(CONTINUED)

29 CONTINUED:

29

EVE (CONT'D)

Scared of growing old. Now she'll be  
young and happy for ever.

FX SHOT: Suddenly red energy from the rides pours into  
EVE, flowing through her.

EVE clutches her head and cries out in pain as the rides  
and noise stop.

CUT TO:

30 **INT. PORTACABIN -- MORNING**

30

CLYDE

What's wrong with her?

SHIP

I knew this world would not be safe for  
her so I boosted her natural telepathic  
power.

SARAH JANE

Can she control it?

SHIP

When she was inside. When she was safe.  
But now she is outside she's trying to  
control too much. She hasn't been taught  
how to use her powers.

EVE screams again.

SHIP (CONT'D)

She's a child trying to be an adult and  
it's going to burn her mind!

CUT TO:

31 **EXT. THE PLEASURE PARK -- MORNING**

31

HARRY and SAM with EVE.

SAM

You've got to let her go. I came back  
for you, Eve. I want to be your friend.

FX SHOT: EVE doubles up in pain as another ripple of red  
energy flows through her body.

HARRY

Please, sweetheart, please stop this.  
You're making yourself ill.

(CONTINUED)

31 CONTINUED:

31

EVE

(scared)

What's happening to me?

HARRY

Ship... Your ship told me. You're too young. The power in you, it's too much for you to cope with.

SARAH JANE and CLYDE coming out.

SARAH JANE

That's why the Ship let Harry look after you. That's why it let you control people. It needed you to stay alive whilst it fixed itself. And playing, enjoying yourself, that's part of being alive.

SAM

Ship wanted me to bring Rani here because it knew she knew about aliens.

SARAH JANE and CLYDE notice RANI on the ride.

CLYDE

What have you done? Let her go! Let her go, now!

EVE

No! I don't want to be lonely.

SAM

You won't be! You've got me!

SARAH JANE

Eve, you've got to let them go!

(gentler)

My parents died. And so did Sam's. And Clyde's dad walked out on him. Life isn't easy, Eve but none of it means you have to be alone. You need friends. Real friends. Not people you're forcing to stay with you. Look at Harry. He could have abandoned you, but he didn't. He took care of you.

EVE

(breaking down)

Harry? What should I do?

He runs over and hugs her.

(CONTINUED)

31 CONTINUED: (2) 31

HARRY  
Stop this. Let them go. It'll be fine.

EVE  
(nodding)  
Playtime is... over.

CLYDE rushes up to RANI, grinning.

CLYDE  
Rani?

A pause. Then EVE gasps.

EVE  
I can't! I can't stop it!

SARAH JANE  
You have to!

EVE  
(devastated)  
I can't. I don't know how.

FX SHOT: She doubles up in pain as another red ripple flows through her.

The others stare up at RANI and the FOUR PEOPLE.

safe.

HARRY  
That's all I wanted for Eve - to keep  
her safe.

CLYDE  
You did your best.

HARRY nods and turns away, blinking back tears.

CUT TO:

SAM  
Do you know where your ship is?

SARAH JANE  
Eve, can you sense it?

EVE  
Yeah... It's... It's here.

CLYDE comes running onto the beach and joins them.

CLYDE  
You found it yet?

Suddenly EVE gasps and stops.

EVE  
I can feel it. I can feel her.

The others run to join her.

PRAC: The sand around them starts to move.

Everyone jumps out of the way as a sheet of white metal

Spooky...

CUT TO:

35 **INT. THE SPACESHIP -- MORNING**

35

It's huge and dark. SARAH JANE and CLYDE leading the way down the steps, the others following.

SHIP

Eve! You are home!

Everyone looking around.

EVE

Ship?

SARAH JANE points over to the one lit-up screen. SHIP's face smiling at them.

EVE (CONT'D)

Ship, is that you?

They head over to the screen.

SHIP

I am glad you are safe, Eve.

EVE

Please Ship... my head hurts... I want this to stop... I want my friends to be... free.

SHIP

Place your hands on the screen. I'll draw the energy from you.

EVE puts her hands on the screen, SARAH JANE gently pulling SAM away from EVE.

HARRY in front of RANI, holding a bottle of water and straw at her mouth.

HARRY  
Come on, sweetheart, just try and take a sip.

A pause then:

FX SHOT: RANI splutters into life, her eyes returning to normal.

The FOUR PEOPLE are already normal, as HARRY hugs RANI.

RANI  
What happened? Where is everyone?

HARRY  
They've gone to the beach to find Eve's ship.

RANI starts to run. She stops and turns.

RANI  
Come on!

HARRY shakes his head.

RANI (CONT'D)  
Eve needs you. You're like her dad.

HARRY pauses then decides. Turns to the FOUR PEOPLE.

HARRY  
Sorry, I've got to go. Help yourselves to anything.

He smiles, throws the bunch of keys to them and starts to run.

CUT TO:

37 **INT. THE SPACESHIP -- AFTERNOON** 37

SARAH JANE  
The ship was boosting Eve's energy. And  
now it's taking it back.

EVE pulls back from the screen.

EVE  
I'm... I'm fine. Playtime's over.

She laughs and hugs SAM who freezes then hugs her back.  
SARAH JANE goes over to the screen.

SARAH JANE  
Ship?

SHIP  
Sarah Jane Smith. It is good to meet  
you.

SARAH JANE  
Ship... Eve's not going to be safe here.  
Not everyone's like Harry and Sam.

SHIP  
That is why I needed you. The darkness.

SARAH JANE  
What do you mean?

SHIP  
The darkness is our fuel. I could see  
it in your mind. The black- The black-  
I think you call it a black hole.

EVE, SAM and CLYDE join them.

SAM  
A black hole?

SHIP  
My engines use them as fuel.

SAM  
But they're massive!

SARAH JANE  
(realising)  
A black hole? Oh easy...

SARAH JANE grins, taking out her mobile.

SARAH JANE (CONT'D)  
Mr Smith, I need you!

EVE grins at him. SAM relaxing with other people now.

SARAH JANE

The spaceship needs a black hole.  
Reckon you can help?

FX SHOT: K9 and the Black Hole.

K9

Affirmative mistress. Spaceship, can you read me? I am currently generating a shield around a black hole.

SHIP

If you send me your co-ordinates, I can absorb the energy.

K9 (V.O.)

Sending co-ordinates now.

SHIP's face smiles as the screen glows brighter.

SAM

Eve. What is your wish?

EVE  
I want to go into space and I want to see everything.

SARAH JANE  
Woah, you better let us off first! Clyde's got exams coming up!

(CONTINUED)

SHIP

Of course. Eve, we should thank those who helped us.

HARRY (OOV)

Oh my goodness.

(laughs)

I'm in a spaceship!

They all turn to see HARRY and RANI in the entrance. EVE hugs HARRY while SARAH JANE hugs RANI.

EVE

I can go! I'm free!

HARRY

I'm... I'm happy for you.

EVE turns to RANI and hugs her.

EVE

Thank you. Thank you so much.

RANI

What for?

EVE

For being my friend.

SHIP

That is why we got Sam to bring you here Rani. We knew from his mind that you were clever. We knew you'd lead Eve to freedom.

RANI

Me? Oh... thanks. I just did what I thought was right.

SAM stands in front of RANI.

SAM

I'm so sorry. I was jealous. You were in London and it sounded like you were having such a cool time and I was stuck here. And... I missed you. I'm really sorry.

RANI hugs him.

RANI

I'm just glad you got to see all this.

SHIP

And now we have to go.

SARAH JANE goes over to one of the walls. Touching it. Feeling the vibrations. Watching as the others say goodbye... EVE and RANI hug. RANI turns to leave. Then she turns back for SAM. He's looking at EVE.

SAM

I... I... Well, I should-

EVE

You could stay.

SAM

I could?

EVE

If you wanted to.

SAM

I've nothing to go home to.

EVE

I'd like you to come with us.

SAM

We could really go anywhere? In space?

EVE

Yeah.

SAM

(huge grin)

I... I don't know what to say.

RANI shouts over.

RANI

Say yes, you idiot!!

SAM

Yes!

EVE and SAM hug. CLYDE holds his fist out and SAM fist-bumps it.

CLYDE

Good luck.

He joins SARAH JANE and RANI. HARRY stands in front of EVE and SAM.

HARRY

Well... I'd best get going as well...  
Eve, I know I wasn't like your Dad or  
anything but-

EVE

Stay with me.

HARRY

What?

EVE

Please.

HARRY

But... But I've had my life. I... I  
can't...

He looks back to SARAH JANE, who has her arm around  
CLYDE's and RANI's shoulders.

SARAH JANE

It's never too late.

HARRY

(to EVE)

Really? You really want me to stay?

EVE

More than anything.

He grins and hugs her.

CLYDE

That is one mixed-up family. You think  
they're going to be okay?

SARAH JANE

I think they're going to be fantastic.  
Come on.

SARAH JANE, CLYDE and RANI heading up the stairs...

SHIP

Wait... please.

They stop and turn.

SHIP (CONT'D)

Rani, you helped Eve when I couldn't.  
Before we leave, I need to grant you  
your wish.

RANI

(bemused)

My what?

The screen changes. Shows an extract from 3.45. Where  
RANI's mobile rings and she says *"I don't need them. I  
wish they'd just leave me alone"*.

RANI (CONT'D)

(to SARAH JANE)

I'm sorry.

SARAH JANE

Hey, it's okay.

SHIP

I will grant you your wish.

RANI

I don't get you.

EVE

(realising)

Ship! No!

A look of real horror on SARAH JANE's face.

You must leave now, Rani. Playtime is over.

MERGE TO:

53 **INT. THE ATTIC -- NIGHT**

On OLD RANI - the same look of horror as she looks in the mirror.

OLD RANI  
The spaceship left Earth and I was all alone. Sarah Jane, Clyde and Luke were gone. Because of me.

ADAM takes her hand.

ADAM  
Rani, I'm not from across the road.

OLD RANI  
What?

ADAM  
My mum sent me.

OLD RANI  
I don't understand.

FX SHOT: A red flash in his eyes.

OLD RANI (CONT'D)  
(realising)  
Eve?

ADAM  
She's my mum.

OLD RANI  
But you look human. Sam? Sam's your dad?

ADAM nods and grins.

ADAM  
Ship had been damaged. It got it wrong.

OLD RANI

Oh it got it so wrong.

ADAM

You helped my mum all those years ago  
and now we want to help you.

OLD RANI

How? What can you do?

ADAM

I can put things right. Return things  
to the way they should be.

OLD RANI

What about you?

ADAM

I'll go back to Ship and you'll forget  
all of this. You'll forget me. So,  
what is your wish?

OLD RANI

I want it put right. Oh please... I  
wish that Ship hadn't taken them from  
me.

ADAM

(cheeky grin)

Your wish is my command.

Suddenly, the storm outside stops. Silence.

ADAM (CONT'D)

(smile)

Goodbye Rani.

OLD RANI

(so grateful)

Thank you. Thank you so much.

Close on OLD RANI as a bright white light surrounds her.

CUT TO:

55 **EXT. THE BEACH -- AFTERNOON**

55

SARAH JANE, CLYDE and RANI step up onto the beach.

CLYDE  
Er... it was quite big down there.  
Shouldn't we move back?

Suddenly, the ground shaking under their feet. They run!

FX SHOT: The spaceship - metallic, pure white, egg-shaped, forces itself out of the sand behind them.

They stop and turn, waving.

FX SHOT: The spaceship hovers above the beach then - woosh - up it goes into the sky.

CLYDE (CONT'D)  
That is...

RANI  
Amazing...

Suddenly she hugs SARAH JANE.

RANI (CONT'D)  
Thank you. Thank you so much for sharing this with us.

She pulls back.

RANI (CONT'D)  
And I'm sorry I told Sam about what we do.

SARAH JANE  
(interrupts)  
Rani.

SARAH JANE

Rani.

RANI

And I'm sorry that I lied to my mum-

SARAH JANE

(interrupts)

Rani! I'm sorry.

RANI

What? What for?

SARAH JANE

Maybe you were right to tell Sam. I've spent so many years alone, I still find it difficult to trust people but, you know...

She looks up at the sky and grins.

SARAH JANE (CONT'D)

They're not all out to get us. Sometimes I forget that. Sometimes visitors to this world just want a friend. Come on. Let's go home.

CUT TO:

56 **INT. THE ATTIC -- MORNING**

56

SARAH JANE, RANI, CLYDE and LUKE enter. CLYDE goes to K9.

CLYDE

K9, my man! How you doing?

K9

I'm doing well, Master Clyde.

SARAH JANE, LUKE and RANI join them.

SARAH JANE

Welcome home, K9.

CLYDE gets an idea.

CLYDE

C'mon everyone, group photo.

SARAH JANE

(to RANI)

You all right?

RANI

Yeah, I just... Eve showed me my future but I'm not going to worry about it. Here and now, that's what matters.

SARAH JANE

That's right.

Close on SARAH JANE then we see a flash of the TARDIS materialising the the attic from 3.6 as she remembers the future ship showed her.

SARAH JANE (CONT'D)

We'll face the future together.

She laughs as CLYDE drags them back to where LUKE has set up his camera-phone and they gather around K9. CLICK - and a picture of the gang all happy together is taken.

MERGE TO:

57 **INT. THE ATTIC -- NIGHT**

57

Close on OLD RANI. The laughter from the previous scene echoes. Pull out to reveal her, as she moves to sit down...

The Attic has changed, it is now her office. Photos of RANI and SARAH JANE and CLYDE and LUKE are on the wall. The big picture of RANI, GITA and HARESH from their living room, is on the wall next to her. OLD RANI's clothes have changed too, something more cheerful

The door opens...

OLD RANI's adult SON, SHURESH, and DAUGHTER-IN-LAW come in with THREE CHILDREN. One of the CHILDREN rushes over and hugs OLD RANI. Lots of noise and banter.

SHURESH

You all right, Mum?

OLD RANI nods.

SHURESH (CONT'D)

How was Washington?

OLD RANI

Oh it was good. Luke and I caught up with Maria and... Oh but I missed you lot.

She looks down at the CHILD hugging her legs.

OLD RANI (CONT'D)

(laughing)

All right, all right, calm down. I'm not as young as I used to be.

Move across to a photograph in a frame. The photograph taken at the end of Scene 52.
