1 **EXT. THE EARTH - NIGHT** 1

FX SHOT: The EARTH from space - moving slowly into shot,
the entire sphere -

Over this - gradually fading up - the NOISE of the
planet. Satellite bleeps, mobile phone ring tones,
Western pop music, the Islamic call to prayer, a
political speech, the hubbub of thousands of different
languages - building up and up and UP and then -

CUT TO:

2 **OMITTED** 2

3 **INT. SARAH JANE'S ATTIC - NIGHT** 3

SARAH JANE and RANI stand before MR SMITH -

On Mr Smith's screen, GRAPHICS read **ENERGY TRACE SCAN**.
Beneath this, a chitter of random numbers and symbols
(earthly ones) screeing wildly - NOISE of the planet
under it all -

SARAH JANE
Mr Smith! Maximum scan!

MR SMITH
Locator sweep in operation, Sarah Jane.

On the screen, a WHITE VERTICAL LINE sweeps over the
chittering mass of data - scanning back and forth -

CLYDE in with pot of of tea and cups from downstairs
kitchen -

CLYDE
Tea up!
(registers mood)
what's going on?

RANI
Mr S picked up an alien energy trace.
Just for a second, then it vanished.

SARAH JANE
(indicates the screen)
Somewhere in all of that.

CLYDE
And what is all of that?

SARAH JANE
Transmissions from radio, tv,
satellites. That's every signal, every
energy source, on the planet. It's the
sound of the Earth.

They listen for a second -

CLYDE
Noisy, aren't we?

The cursor on the screen STOPS with a DOINK -

MR SMITH
I'm afraid I cannot locate the energy
trace, Sarah Jane.

RANI
Okay, then what kind of alien energy is
it?

MR SMITH
I regret I do not have that information,
Rani.

Sarah Jane turns to them -

SARAH JANE
Leave it to me. You've got school
tomorrow morning, go home and get some
sleep.

CLYDE
I just made teas.

Sarah Jane pours herself a cup -

SARAH JANE
Good, this could be a late one. Hop it.

Sarah Jane hustles them to the door -

RANI
What if it's an invasion?

CLYDE
World gets blown to smoky bits, and we
weren't there to stop it because it was
a school night?

SARAH JANE
Go on, home! If I need you I'll shout,
don't you worry.

Clyde and Rani out -

Sarah Jane, restless, turns to Mr Smith - teacup down -

SARAH JANE (CONT'D)
Keep scanning for that energy trace, Mr
Smith. Let me know the moment you
locate the source!

The cursor starts moving through the chitter again -

SARAH JANE (CONT'D)
Come on!!

RANI hands CLYDE a CD. TV on in b/g -

*

RANI
There you go. I want it back in on
piece though, know what you're like.

*

*

CLYDE
Night then.

*

*

RANI
Gotta finish Great Expectations for
English tomorrow.

*

*

CLYDE
I might start it.

*

*

RANI
Start it!? It's five hundred pages!

*

*

CLYDE
I can skim it! Any book - read the back
cover, page 73, and the last chapter,
and you'll pretty much get the gist.

*

*

RANI
Enough to get a string of Ds, brilliant
plan. See ya at school then.

*

*

CLYDE
If we're not invaded.
(to the ceiling)
Come and have a go, then. If you think
you're hard enough.

*

*

*

*

RANI
Night!

*

*

And she scoots him out -

RANI (CONT'D)
Hi Dad. What do you want?

HARESH
Just to catch up. Haven't seen you at all today.

RANI
Here I am!

She holds up the book -

RANI (CONT'D)
Quite enjoying this actually.

HARESH
I read that when I was your age.

RANI
For school? Or just because you wanted to?

HARESH
Both. I really loved school.

RANI
So much you never left. And I've got to get to the end tonight.

HARESH
Am I being chucked out?

RANI
Yep. Goodnight.

Haresh leans over and kisses her on the cheek - very proud -

HARESH
Night night bookworm.

Haresh out - Rani smiles - loves her dad -

Early night for me. Nothing on telly.
I want to sleep.

Clyde turns off the music as Carla picks up the book -

CARLA (CONT'D)

Haven't you got to read this?

CLYDE

Done it. Bloke gets mucked around by
women. Big deal.

Carla points at the sketch pad -

CARLA

Let's have a look -

Clyde shows her - it's a comic strip futuristic city - in
the foreground, a comic strip SHAN-SHEETH -

CARLA (CONT'D)

Ooh, that's good. Where d'you get your
imagination from? Not from me.
Certainly not from your dad.

CLYDE

I just like drawing. Mrs Taylor reckons
I could be a comic strip artist.

CARLA

Go for it. You know, I used to worry
you'd turn out like your dad. Full of
chat, but drifting.

CLYDE

Thanks Mum!

CARLA

I'm just saying, I had you wrong.
Sorry. There's a lot more to you than
there ever was in him, or me.

CLYDE

Don't put yourself down, Mum. And don't
get soppy.

She hands him back the sketch -

CARLA

My son's a genius, I'm allowed to be
soppy. Night!

CLYDE

Night!

Carla goes - and Clyde gives himself a big smile -

CLYDE (CONT'D)

Genius. I like it. Yeah, that'll do.

She pushes through -

RANI
Hello?

What about Mr Smith?

*
*

RANI
He's just gone blank, like he's not in
there any more. And no mobile signal.

*

CLYDE
Yeah, I tried Luke, nothing. And you,
of course I called you. I called you
first.

*
*

RANI
Right, yeah.

*

CLYDE
And I tried 999, nothing. And the
European one, 112, that's supposed to
work after everything's gone down.
Same.

*
*

RANI
Perhaps - if everyone's suddenly gone,
then maybe everybody's gonna suddenly
come back.

*
*

CLYDE
Perhaps. But we can't rely on it, we
can't just sit and do nothing.

*
*

Beat - she touches his shoulder

24

RANI

It's so good to see you. I thought I was going mad.

CLYDE

If you are, then we're both going mad together.

She takes her hand away -

RANI

So what are we gonna do?

CLYDE

Hold on, hold on - it might just be like this around here -

RANI

No! I checked, there's no internet, there's no tv or radio, nothing at all.

CLYDE

Could be something blocking the tv signals just in this area, I dunno.

RANI

No, listen. Really listen!

They listen for a few seconds - deep silence -

CLYDE

This is freaking me out. This is big. This is too big.

RANI

What we gonna do? Back to the attic?

Clyde thinks -

CLYDE

Yes - no, we'll go into town - I mean, there must be somebody -

RANI

(deep breath)

Right. Come on.

They race out -

CUT TO:

25 **EXT. MULTI-STOREY CAR PARK ROOF - DAY**

25

FX SHOT: A slow PAN around the wide London skyline, looking east from Ealing -

Building sites, tower blocks, church spires - far in the distance, the Gherkin, Canary Wharf - silent, deserted -

(CONTINUED)

25 CONTINUED:

25

PAN around to CLYDE and RANI (in the same shot if poss),
looking out from the roof of a multi-storey car park -

CLYDE

There's nobody. It's the whole world.

RANI

Everybody's gone!

CUT TO:

26 **EXT. PAVED STREET - DAY**

26

A street off Ealing Broadway - shops along both sides -

Total silence - a long, slow PAN around - a NEWSPAPER
flutters in the wind - a BABY-BUGGY on the pavement, an
unattended NEWSPAPER KIOSK - a half-assembled FRUIT STALL
with wooden pallets lying askew - CASH hanging from the
slot of a cash machine -

Until we reach CLYDE and RANI, hurrying along -

RANI

Last night, the energy trace Mr Smith
picked up! It must be something to do
with this.

CLYDE

Bit of a coincidence if it's not.
(beat)
So glad you're here.

RANI

Sarah Jane'd be more use to you.

CLYDE

And better use to you than me. She'd be
working things out, calculating stuff.

RANI

Hang on. Your mum just disappeared?

CLYDE

I didn't actually see it happen. She
was saying something, then she suddenly -
stopped. I looked up, she wasn't there.

RANI

Right, so I mean - if everyone suddenly
disappeared the same way, just like
that, then there should be cars crashed
everywhere.

Clyde thinks -

CLYDE

Yeah. There should be planes falling
out of the sky!

(MORE)

(CONTINUED)

26 CONTINUED:

26

CLYDE (CONT'D)

We're right near Heathrow, there's always tons of them circling about up there.

RANI

There aren't now.

She indicates -

RANI (CONT'D)

And there are no cars in the middle of the roads. Only parked cars at the side -

CLYDE

So it's like, when all the people went, whoever - or whatever - took them, they also took all the planes and cars. All the moving vehicles.

RANI

Like they didn't want to damage anything. Or hurt anybody. Is that good? It's certainly weird.

CLYDE

Weird compared to what?

(beat)

I'm starving. I don't think straight if I'm hungry. Shall we get some breakfast? Do something normal?

CUT TO:

27 INT. CAFE - DAY

27

A small city cafe. A wall-mounted TV above the counter.

RANI at a table. There's a half-eaten fry-up on the next table and a tabloid newspaper and pen -

Her POV - the newspaper crossword. Half-filled in, an incomplete word - SANFRANCI blank blank blank.

CLYDE puts down two coffees and two sausage rolls, sits -

CLYDE

I've left cash on the counter for when everyone comes back. If they come back.

RANI

One second. We're thinking everyone's disappeared. But what if everyone's dead? What if there was some ray or something beamed at Earth, and we weren't affected but everyone else got blasted?

(CONTINUED)

27 CONTINUED:

27

CLYDE

What about the cars and the planes?
Doesn't make sense, and we're not going
to panic.

RANI

I wasn't panicking.

CLYDE

You were. So was I. Like you said. Do
a Sarah Jane. We've gotta stop, think,
work it out.

RANI

What d'you think I've been sat here
doing? Right. First thing.
Everybody's gone except us.

CLYDE

And animals, there are still animals.

RANI

So what's different about us?

CLYDE

And why's Sarah Jane gone? If anyone
round here is different, I reckon it's
her.

RANI

Maybe they just want us.

CLYDE

Or they don't want us. Hold on. Why
are aliens more likely to single us out,
more than anyone else?

RANI

Durr. Cause we know Sarah Jane.

(beat)

Well. Thinking hasn't got us anywhere
much. Just going round in a big circle.

CLYDE

We need logic. We need brains. We need
Luke!

He gets up -

CLYDE (CONT'D)

How long will it take to get to Oxford?

RANI

We are staying put! If he's still
around, he'll come down to us.

CLYDE

What if he's up in the quad thinking
'I'm staying put, they'll come up to
me'?

(CONTINUED)

27 CONTINUED: (2)

27

RANI

What if he's not even there at all? What
if it's just the two of us left in the
whole wide world?

CLYDE

(thinks - serious, the
enormity of it)
Like Adam and Eve.

RANI

Yeah.
(thinks)
No!!! There's gotta be someone else.
There's gotta be!

CUT TO:

28 **EXT. PAVED STREET - DAY**

28

RANI and CLYDE are in the street -

RANI

All right. Where do we start?

CLYDE

Back to the attic. If anything's gonna
happen, it's gonna happen there.

RANI

If anything ever happens again.

Suddenly - CLATTER!

Their heads turn -

One of the wooden pallets by the fruit stall has tipped
over, scattering oranges -

They run over -

CLYDE

Hello?

They get closer - is there anything behind the stall?

They approach more slowly, cautious - tense tense -

RANI

Probably a cat or something -

Suddenly - another CRASH and the sound of running feet!

Rani and Clyde race round the stall -

Another pallet's been knocked over -

The heavy door of a TK Maxx-style clothes shop BANGS shut -

(CONTINUED)

28 CONTINUED: 28

CLYDE

Come on!

Clyde yanks open the door and they race through -

CUT TO:

29 **INT. CLOTHES SHOP - DAY** 29

CLYDE and RANI running through the deserted shop floor -

RANI

Where'd it go?

Their POV - display mannequins looming around them -

Then - a FLASH of a small shape dodging through a door marked PRIVATE: STAFF ONLY - it's too quick to register much about it -

CLYDE

There!

They run to the back of the shop - the door is closing...

CLYDE (CONT'D)

(calling)

Stop! Oi!

They head towards the door...

CUT TO:

30 **OMITTED** 30

31 **EXT. CLOTHES SHOP ALLEYWAY - DAY** 31

...And CLYDE and RANI come out into a narrow back alley -

At the end of the alley, the tail-end of a BIKE disappearing round a corner - on it, a glimpse of GAVIN BROWN, 12, school uniform - (a silver ring on his index right finger) -

Clyde and Rani running -

They spot two more bikes nearby -

CLYDE

Come on!

RANI

One second -

BZZZZ!!! BZZZZ!!! Rani squirts the sonic at the chains -

As they grab a bike each and saddle up -

CLYDE

This is thieving!

(CONTINUED)

31 CONTINUED:

31

RANI
We'll bring them back!
(of the lipstick)
Always wanted a go with that.

CLYDE
Why do you get the cool bike?
(of his bike)
This is shoddy!

RANI
Does it matter?

And they ride off FAST -

CUT TO:

32 **EXT. CITY STREET/UNDERPASS - DAY**

32

CLYDE and RANI bombing along on their bikes -
They round a corner -

CUT TO:

33 **EXT. CITY STREET WITH FLATS - DAY**

33

CLYDE and RANI screech around the corner -
An inner city street with blocks of flats on either side -
Rani points -

RANI
There!

Ahead - abandoned in the street - the other BIKE, thrown
down, back wheel SPINNING -

Clyde and Rani skid to a halt, looking round - nothing -

CLYDE
It was a kid! He's gone. Hello? Hello?

No reply -

They clamber off their bikes -

And then Rani whips round because -

Just for a second, a FLASH through the window of the
lobby of a block of flats - GAVIN!

RANI
Hey!

Gavin turns and runs up the staircase of the flats -

RANI (CONT'D)
Come on!

33 CONTINUED: 33

Rani and Clyde run to the flats -

CUT TO:

34 INT. GAVIN'S FLATS STAIRWELL - DAY 34

RANI and CLYDE bombing up the steps of the stairwell -

Clyde and Rani clatter up the stairs -

And through the open door of the top floor landing -

CUT TO:

35 INT. GAVIN'S FLATS TOP FLOOR LANDING - DAY 35

RANI and CLYDE run in to the narrow hallway -

CLYDE

Hello?

RANI

Don't be afraid, you're the only other
person we've seen - hello?

A NOISE from a room at the end of the hall -

CUT TO:

37 INT. GAVIN'S BEDROOM - DAY 37

A Box bedroom, pristine and bare - one nature poster on
the wall - a small framed photo of Gavin as a 6 year old

CLYDE

It's okay, it's okay, we're not gonna hurt you!

RANI

We're so glad to see you! Sorry, yeah, I know, girl in your bedroom.

GAVIN

Where's everybody gone? Did you do this? Why d'you follow me?

RANI

Let's all calm down! I'm Rani, that's Clyde.

GAVIN

Gavin.

RANI

I'll make us a cup of tea, yeah?

CUT TO:

38 **OMITTED**

38

39 **INT. GAVIN'S FLAT LIVING ROOM - DAY**

39

Later. CLOSE on a photo of a nervously smiling Gavin in school uniform - PAN along to a photo of his AUNT and UNCLE (LYNNE and WAYNE, 30s, on holiday) -

RANI and CLYDE on sofa, GAVIN on chair - cups of tea -

RANI

I don't blame you being scared.

GAVIN

I'm not scared!

It's a small flat. TV, sofa, shelves - but very much the home of a childless couple. Two seater black leather sofa - one other uncomfortable chair. Half-empty wine bottle, dirty wine glasses and scattered remotes on the coffee table, not cleared from the night before.

Rani nods to the holiday photo -

RANI

Your mum and dad just disappeared?

(CONTINUED)

39 CONTINUED:

39

GAVIN

They're my uncle and aunt. My mum died years ago. Never knew my dad, he ran off when I was little.

CLYDE

You and me both, mate.

GAVIN

Lynne, my aunt, she just vanished. I knocked on all the doors, there was nothing, so I went into town -

CLYDE

Exactly what we did.

He holds up a Rich Tea -

CLYDE (CONT'D)

(trying to bond)

Got any better biscuits?

GAVIN

How did you get in here, I locked the door!

RANI

Long story.

(beat)

Can you keep a secret?

She gets out the sonic lipstick, holds it up -

Gives it a tiny BUZZ -

The lightshade on the ceiling SPINS, crazy -

Gavin boggles -

RANI (CONT'D)

Sonic lipstick. It's alien technology.

GAVIN

You're aliens!? What??

Clyde shoots Rani a warning look -

CLYDE

Rani!

RANI

No. But we've met aliens, fought aliens.

CLYDE

Why are you telling him this? Ahem, rule number one!

(CONTINUED)

39 CONTINUED: (2)

39

RANI

Gavin's got a right to know. He needs to know, if anything happens to us.

GAVIN

Don't wind me up!

RANI

It's true. Is it any weirder than what's happened today?

GAVIN

Aliens took everybody? That is impossible, this is mad!

RANI

But it's happened. And the three of us are the only ones left, and we've gotta work out why.

GAVIN

My aunt says there's no such thing as aliens.

CLYDE

Your aunt likes rubbish biscuits.

(beat)

Aliens. You ever seen any then? Met any?

GAVIN

What, me? NO! What are you talking about?

RANI

There must be a reason why we've been left behind.

Gavin getting alarmed -

GAVIN

And now you think I'm an alien? You're weird - this is like some stupid kids' game you're playing - I'm not stupid, there are no aliens!

Suddenly -

LOUD HORN SOUND - medieval, royal-sounding - (like the Horn of Rassilon in old Doctor Who: The Five Doctors) -

Sound FX: Dogs barking/howling -

Clyde and Rani LEAP to their feet -

RANI

What's that!?

CLYDE

Trumpets!?

(CONTINUED)

39 CONTINUED: (3)

39

Then - a distant BUZZING noise - it's mechanical, a 30s sci-fi movie sound effect (like the rocket cars in the Flash Gordon serials) - eerie -

The crockery on the table VIBRATES -

CLYDE (CONT'D)
And what's this now?

The BUZZING is distant but getting - very gradually - louder -

Rani and Clyde to the window - suddenly they're professionals, forgetting Gavin, switch into full Sarah Jane mode -

CLYDE (CONT'D)
Is that like a generator?

RANI
Could be a signal? That trumpet noise, getting our attention?

CLYDE
Could be anything. Could be a stardrive powering down?

RANI
What if it was the alien energy source Mr Smith picked up?

CLYDE
Yeah! No surrounding noise, comes through clear?

During this, Gavin - spooked as much by them as the noise - runs out -

RANI
Gavin, you ever heard anything like this before?

No reply - she turns -

They hear the SLAM of the front door -

RANI (CONT'D)
Gavin!?

They rush out -

CUT TO:

40 **INT. GAVIN'S HOUSE HALLWAY - DAY**

40

CLYDE and RANI rush in to the hallway -

CLYDE
Where's he gone?

(CONTINUED)

40

CONTINUED:

40

RANI
We're idiots! He must be terrified -
They rush out -

CUT TO:

41

EXT. CITY STREET WITH FLATS - DAY

41

RANI and CLYDE rush out on to the street -
Gavin's bike is gone -

CLYDE
Bike's gone.
The buzzing's getting louder -

CLYDE (CONT'D)
It's getting closer -
PAN around the empty street - the eerie sparking BUZZING -
Rani points -

RANI
It's coming from over there.
Clyde gets on the bike Rani was riding before -

CLYDE
Let's take a look!

RANI
Oi, that's my bike!

CLYDE
Does it matter?

Clyde races off -
Rani - irritated - saddles up and rides off after him -

CUT TO:

42

EXT. CITY STREET/UNDERPASS - DAY

42

RANI and CLYDE racing along -

CLYDE
We've gotta find out what it is!
They race on -

CUT TO:

43

EXT. CURVED SHOPPING STREET - DAY

43

CLYDE and RANI skid to a halt in the middle of the empty shopping street -

(CONTINUED)

43 CONTINUED:

43

The BUZZING is fading - fading - GONE -

CLYDE

We've lost it! And we've lost Gavin.

RANI

Weird alien noise, terrified kid, and what do we do? Run to the window and start talking all Star Trek. We must have looked really normal.

CLYDE

Is Gavin normal though?

RANI

What do you mean?

CLYDE

This morning, when I was alone. I thought I was the only person left, it was horrible. If I'd seen anyone else - even if it was Chris Moyles - I'd have run towards them. Not run away, like Gavin did. Wouldn't you?

RANI

Yes. But when you were that age, sixth form kids looked big and scary.

CLYDE

I am not big and scary. And that flat. Apart from that one photo, is there anything that says 'a kid lives here'? No kids' dvds lying about, no photos of them with him. His room, it's like a cell, no computer or games or anything. Isn't that weird?

RANI

Then we should feel sorry for him, not start judging him! He lives a really rubbish life, and what's our first reaction? 'Maybe he's an alien'. What are we?

CLYDE

Are we sure he isn't though?

RANI

NO, I don't know! And neither do you. Leave it!

CLYDE

So you're in charge?

RANI

I think I probably should be.

(CONTINUED)

43 CONTINUED: (2)

43

CLYDE

I've been with Sarah Jane longer than you. I've got more experience.

RANI

What, is it like the army then? We've all got ranks and you're second in command, sir?

CLYDE

We need a plan of action!

CUT TO:

44 INT. CAFE - DAY

44

CLOSE on CLYDE opening two cans of pop behind the counter -

CLYDE

From now on, if we get split up, meet back here, yeah?

RANI

Your HQ, sir? Yes, sir.

RANI on the other side of the counter -

Clyde puts more change on the counter -

CLYDE

Look at me, honest injun. Never have done that before Sarah Jane.

Silence between them -

Clyde puts a can down for Rani -

CLYDE (CONT'D)

Okay, okay. Sorry.

RANI

Biggest crisis ever, and it's just us. Not the time traveller, not the boy genius, not the supercomputer or the mega-dog. Us.

CLYDE

We are vital team members.

RANI

The two kids with no reason to be there? The hangers-on? We were both just nosey, that's how we got in to Sarah Jane's life.

CLYDE

She warned us off, gave us the choice to go back and forget it all.

(CONTINUED)

44 CONTINUED:

44

RANI

Maybe she was right. Maybe today's the day it all comes back to bite us on the bum.

CLYDE

Do you reckon - if it wasn't for Sarah Jane and our thing - that we'd have been mates?

RANI

Dunno. Maybe. Maybe not.

(beat)

Not the usual way to grow up, is it? Fighting aliens. Defending the Earth.

CLYDE

Don't really see much of my old gang any more. They're all like 'I met this hottie down Whispers in Acton at the weekend' and what'm I supposed to say? 'I was fighting the Pied Piper of Hamelin'?

They drink -

CLYDE (CONT'D)

I love it though.

RANI

Yeah. With Sarah Jane, half the time I'm terrified, the other half I'm really happy.

CLYDE

I'm leaning towards terrified right now.

RANI

None of this makes sense. If they're clever enough, if they're powerful enough, to magic away - all right, teleport away - everybody -

CLYDE

If that is what they've done -

RANI

Let's say it is - let's say they've got rid of everyone so they can invade, take over Earth for themselves. Then where are they? And why haven't they come to get us?

CLYDE

Don't tempt fate. I'm not like Sarah Jane, I believe in fate.

He thinks -

(CONTINUED)

44 CONTINUED: (2)

44

CLYDE (CONT'D)

What if aliens have decided to start the human race again? Beginning with you and me?

RANI

Clyde. Really. Shut up.

Suddenly - the TELEVISION over the counter snaps on -

On the screen - a rapidly screeing mass of alien symbols - equations, hieroglyphs, all jumbled - a RED INVERTED TRIANGLE remains central throughout - NB It is silent.

RANI (CONT'D)

What's that?

Clyde's phone buzzes -

He brings it out -

On the screen, the same JUMBLE of flashing symbols -

CLYDE

It's on here too!

Rani checks -

RANI

And on mine!

Suddenly - sharply, cutting in this time -

The BUZZING begins again!

RANI (CONT'D)

There it is again!

CLYDE

Yeah, and a lot closer!

They race out of the cafe -

CUT TO:

45 **EXT. CURVED SHOPPING STREET - DAY**

45

CLYDE and RANI heading down the main street - BUZZING -

Rani notices something, tugs his arm -

RANI

Clyde!

In the window of an electronics shop - tvs, computers, anything with a screen - all of them switched on, all relaying the jumbled mass of squiggles -

RANI (CONT'D)

It's on every screen - what's it mean?

(CONTINUED)

45 CONTINUED:

45

CLYDE

Gotta be something to do with the noise.

Clyde points up the street, forwards -

CLYDE (CONT'D)

Definitely coming from up there
somewhere.

Clyde heads forward, cautious -

Rani sees a FLASH of movement down a narrow alley on her
left -

RANI

Gavin? Gavin!

She looks up the road to Clyde -

The BUZZING is LOUD now -

She dashes off down the alley -

CUT TO:

46 **EXT. BACK ALLEY - DAY**

46

GAVIN hides around a corner -

He can hear RANI calling -

RANI (O.S.)

Gavin!

RANI races down the narrow alleyway -

RANI (CONT'D)

Gavin! Is that you?

FOCUS on Rani, calling -

Behind her, out of focus, SOMETHING MOVES -

Rani whirls round -

The BUZZING really LOUD!

Rani startles! OH. MY. GOD.

What can she see?

REVEAL - A RED ROBOT!

CUT TO:

47 **OMITTED**

47

48 **EXT. CURVED SHOPPING STREET - DAY**

48

CLYDE is at a corner - the BUZZING very close -

(CONTINUED)

48

CONTINUED:

48

A FLASH of movement as SOMETHING turns the corner -

And Clyde ducks down behind a car -

He edges up the side, sneaking a peek -

And right in front of him is a YELLOW ROBOT!

It raises a hand and points at Clyde -

FX SHOT: The fingertip GLOWS with PRAC red light -

CLYDE

No - don't - *please* -
