**Sequence 1 Interior. Moving Tube Train. Central Line.**

**Music IN 00:00**

**GILES FRASER:** The mystery plays of the middle ages brought the stories of the bible out of the Church and into the market place. In this new series of commissions, radio 3 has invited some modern playwrights to do something similar- to set some well-known New Testament stories in a modern context and see if a new light can be shed of familiar narratives that many of us think we understand. For the problem is that over familiarity can stop one asking questions and thus set misunderstanding in stone. For example, people commonly misinterpret the parable of the Good Samaritan probably because “being a Good Samaritan” has come to be so common a description of helping out a stranger in need. But there is more to this most famous of parables. Because what’s key is that the person doing the helping is not someone that Jews traditionally admired for their virtue-not a priest, for instance- but a despised political opponent. It’s a bit like the homophobe being helped by the gay man or the racist thug being helped out by the Asian woman, The story is not just about being nice to strangers. It is a story about overcoming prejudice. In this version of the parable, set on the London Underground. Nial finds he has to confront his own preconceptions as he is offered assistance from someone really quite unexpected.

- 17 Niall Good.
- 18 Janine She's proud of me.
- 19 Niall I'm sure she is.
- 20 Janine She's only got one leg.
- 21 Niall What?
- 22 Janine My nan. She's only got one leg.
- 23 Niall Oh. Okay.

**FX                      The train stops**

**FX                      The doors open and close. The train moves on**

5 Janine Next stop is Stratford.

6 Niall Yep.

7 Janine Then it's Mile End. Are you getting off at Mile End?

8 Niall Erm. No.

9 Janine Where you going then?

11 Niall Oxford Circus.

12 Janine Oh Oxford Circus. Christmas shopping?

13 Niall Yeh.

14 Janine Leaving it a bit late.

15 Niall Erm yeh.

16 Janine I get all my Christmas presents online.

17 Niall Do you.

18 Janine Yeh I've got all my Christmas presents. Usually by the end of August.

19 Niall August.

20 Janine I like to be organised.

21 Niall Right.

22 Janine Not like you. Not last minute.

1 Niall Sorry – sorry. I've just got to make a phone call.

2 Janine Ok.

3 Niall Excuse me.

4 Janine                    You go ahead. Make your phone call. Phone a friend.

5 Niall                     Erm yeh thanks.

**Sequence 3      As before (but onto a second mic)**

**Niall moves away. Calls Ali again.**

- 1 Ali                      What?
- 2 Niall                    I'm sorry. I'm really sorry to phone.
- 3 Ali                      What do you want?
- 4 Niall                    Listen. Listen.
- 5 Ali                      What?
- 6 Niall                    There's this woman.
- 7 Ali                      What woman?
- 8 Niall                    I dunno. She just started talking to me. She just started talking to me and I didn't know what to say. I think she's some sort of handicapped.
- 9 Ali                      Don't say that.
- 10 Niall                   Say What?
- 11 Ali                      Handicapped.
- 12 Niall                   Well what are you supposed to call them?
- 13 Ali                      Disabled. Probably. Is she in a wheelchair?
- 14 Niall                   No – she's got legs and everything.
- 15 Ali                      Well some people in wheelchairs have legs Niall.
- 16 Niall                   I know. I know they do. Don't make out like you know more about it than me.
- 17 Ali                      You sure she can't hear you?
- 18 Niall                   I've just moved. I've just moved to the other end of the carriage. She can't hear me now. I've just moved.

- 19 Ali                    You know you've got a voice like a foghorn.
- 1 Niall                   I'm whispering. Can't you hear that I'm whispering?
- 2 Ali                    Your whisper is not particularly effective though is it Niall. I mean even when you're whispering you're like the town crier.
- 3 Niall                   I thought I was a foghorn.
- 4 Ali                    When you're talking normally you're a foghorn. When you're whispering you're a town crier.
- 5 Niall                   So long as we've got that straight.
- 6 Ali                    Is that the only one reason you're calling me? Cos you're afraid of the disabled woman?
- 7 Niall                   No – no – and I'm not afraid of the – of the disabled woman – actually. But no. What I wanted to say is that I'm sorry. I'm very very sorry for what I did.
- 8 Ali                    I know. I know you're sorry. You've said you're sorry. You've said it lots of times.
- 9 Niall                   I just want you to know that I mean it.
- 10 Ali                    I know you mean it.
- 11 Niall                   So you can forgive me then can't you? I mean if someone is really sorry about what they did – then they ought to be forgiven don't you think?
- 12 Ali                    Well that depends a bit on the nature of the crime, Niall.
- 13 Niall                   The crime.
- 14 Ali                    Yes.
- 15 Niall                   Well it wasn't a crime. What I did. It wasn't criminal.
- 16 Ali                    That was just a figure of speech.

- 17 Niall Oh. Oh. I see.
- 1 Ali Although technically. Technically, it is a crime actually.
- 2 Niall What?
- 3 Ali I mean I didn't think of it like that. But actually it was a crime. It is a crime. I mean there is a law against it.
- 4 Niall Don't say that.
- 5 Ali But it's true.
- 6 Niall But it wasn't like that was it.
- 7 Ali Wasn't like what?
- 8 Niall Ali.
- 9 Ali Don't call me Niall. I don't want you calling me.
- 10 Niall Ali. Alison.
- 11 Ali I mean it.
- 12 Niall We're going into a tunnel– in a sec – I'll call you when I get to –
- 13 Ali Don't call me.
- 14 Niall Just to finish the conversation.
- 15 Ali The conversation is finished.
- 16 Niall Just to finish the conversation.
- 17 Ali The conversation is over.
- FX** **The signal goes**
- 18 Niall Well it is now.

**Sequence 4      As before****FX                      The Tube just judders. And stops****Niall sighs.**

- 1 Niall                      That's just great. That's just bloody marvellous.
- 2 Driver (Tannoy) *Ladies and Gentlemen. I'm afraid we're experiencing a slight technical hitch.*
- 3 Niall                      Did he just say that? Did he really just say that?

**Beat**

- 4 Niall                      Do you speak English?
- 5 Kofi                      Sorry?
- 6 Niall                      Oh you do.
- 7 Kofi                      Yeh. I do.
- 8 Niall                      You are English. Sorry. Sorry about that. I just thought for a second you was foreign.
- 9 Kofi                      No.
- 10 Niall                     Sorry.
- 11 Kofi                      It's alright.
- 12 Niall                     It was just cos you didn't reply straight away. It wasn't cos of anything else. I thought you couldn't understand me.
- 13 Kofi                      Yeh. No. I know.
- 14 Niall                     I just couldn't believe he said that thing about a technical hitch. I mean it's not very reassuring is it.
- 15 Kofi                      I suppose not.

- 16 Niall I mean it's very non-specific is what I mean. I mean it could be a brake light or it could be a jumper – a suicide – or it could be a terrorist attack.
- 1 Kofi Well hopefully it's not a terrorist attack.
- 2 Niall **(laughs nervously)** Exactly. Exactly.
- 3 Driver (Tannoy) *I'm afraid we're going to be held in this tunnel for fifteen or twenty minutes.*
- 4 Niall Fifteen or twenty minutes – he's having a laugh isn't he – fifteen or twenty minutes. I've got to be at Oxford Circus-bloody hell.

### Beat

- 5 Driver (Tannoy) *I'm very sorry about this ladies and gentlemen.*
- 6 Niall Oh well that's alright then.
- 7 Driver (Tannoy) *We will have the problem resolved as quickly as possible.*
- 8 Niall But what is the problem mate? What exactly is the problem? I mean a bit more information wouldn't go amiss would it? They think we're stupid. They think we're all like sheep. Sheep are very stupid. But we're not sheep are we? We're not animals. We're humans. The whole system's knackered anyway. Don't you think?
- 9 Kofi Sorry?
- 10 Niall The system – it's knackered.
- 11 Kofi You mean the tube?
- 12 Niall The tube – course. It's falling apart. Like the country.
- 13 Driver (Tannoy) *I'm very sorry about this ladies and gentlemen.*
- 14 Niall Why don't you piss off! Can you hear me! Can you hear me!

15 Kofi Christ.

16 Niall oh man. Where you going? Oy! Where you going?

**Kofi doesn't reply. Moves off.**

1 Niall Unbelievable.

**Sequence 5      As before**

**Janine comes down the carriage.**

- 1 Janine                      Are you alright Niall?
- 2 Niall                        I'm fine.
- 3 Janine                      What you shouting for?
- 4 Driver (Tannoy) *Ladies and Gentlemen – the tannoy cuts out - in a minute – the tannoy cuts out*
- 5 Niall                        Because the system is knackered.
- 6 Driver (Tannoy) *Ladies and Gentlemen – the tannoy cuts out again – I'm told it's no cause for concern.*
- 7 Niall                        Piss off!

**Niall starts breathing funny.**

- 8 Janine                      Niall?

**Niall doesn't answer.**

- 9 Janine                      Are you sure you're alright?
- 10 Niall                        I don't feel good. I don't feel right.

**Niall still breathing funny.**

- 11 Janine                      Shall I pull the emergency thingy?
- 12 Niall                        Yes.

**FX                      Janine pulls the cord**

**The tannoy responds with:**

- 13 Driver                      *Hello – hello – tannoy cuts out.*
- 14 Niall                        Tell him – I'm having a heart attack.
- 15 Janine                      Erm – erm excuse me can you hear me –

16 Driver *Hello.*

17 Janine - yeh erm there's a man having a heart attack.

1 Driver *Hello – hello –*

**Kofi calls from the other end of the carriage/ far enough away**

2 Kofi Is he alright?

**Niall breathing heavily.**

3 Driver *We'll – be – moment. Just -*

4 Niall I'm going to die in this tunnel cos of a knackered tannoy

5 Kofi What's the matter?

6 Niall Heart attack.

7 Janine It might not be.

8 Niall What?

9 Janine It might be something else.

10 Niall What are you – bloody doctor?

11 Janine No. I'm not a doctor.

12 Niall You surprise me.

13 Kofi What's wrong with him?

14 Janine Niall thinks he's having a heart attack but I think it might be anxiety.

15 Niall Anxiety?

16 Janine Like my nan gets.

**Kofi comes**

17 Kofi Do you two know each other?

18 Janine Yes.

19 Niall No. I mean we just met.

- 1 Janine Niall's going Christmas shopping in Oxford Circus. He's left it to the last minute. My name's Janine. What's your name?
- 2 Kofi Kofi.
- 3 Janine Kofi, that's a nice name.
- 4 Kofi Thanks.
- 5 Driver *Hello?*
- 6 Kofi Hello.
- 7 Driver *We'll be – can you –*
- 8 Kofi Hello?
- 9 Janine My nan. She can't breathe sometimes. But it's not her heart. It's anxiety. She can't breathe and she has to say things to herself. Like nothing bad is going to happen. Nothing bad is going to happen. Nothing bad is going to happen. And that helps her. That helps her breathe again.
- 10 Niall Oh right. I see.
- 11 Janine That's what you've got to do.
- 12 Niall Do what?
- 13 Kofi You've got to say it.
- 14 Niall Say what?
- 15 Kofi Nothing bad is going to happen.
- 16 Niall Erm.
- 17 Janine Go on.
- 19 Kofi Say it.

**Beat**

- 1 Janine You're not saying it.
- 2 Niall I am. I am saying it.
- 3 Janine I can't hear you.
- 4 Kofi Me neither.
- 5 Niall In my head. I'm saying it in my head.
- 6 Janine You've got to say it out loud for it to work.
- 7 Niall Nothing bad is going to happen.
- 8 Janine But you say it over and over.

**Niall sighs**

- 9 Niall But it's not true is it?
- 10 Kofi What's not true?
- 11 Niall Bad things happen all the time. So in actual fact... In actual fact bad things happen all the time.
- 12 Janine On the news.
- 13 Niall Yeh on the news. And that. All over the place. I mean how did your nan lose her leg. I mean how does that work – if your nan lost her leg-
- 14 Kofi Your nan lost her leg?
- 15 Janine Yeh.
- 16 Kofi How?
- 17 Janine Cancer –
- 18 Niall See – there's cancer – cancer is just one of the many, the millions of bad things and then she knows doesn't she – that bad things happen. So then how does it work then – for her if she knows that bad things happen.
- 19 Janine She's just a very positive person.

- 1 Niall A positive person who has panic attacks.
- 2 Janine Yeh.
- 3 Kofi The two things aren't mutually exclusive.
- Janine: No, they're not.
- 4 Niall My wife's going to leave me. She's thinking about it.
- 7 Janine Oh.
- 8 Niall She's staying with her sister at the moment. Her sister Louise. The one who hates me.
- 9 Kofi But she hasn't decided yet? It's not final sort of thing.
- 10 Niall No.
- 11 Janine So maybe she'll come back.
- 12 Niall Maybe.
- 13 Kofi So you've got to hope for the best.
- 14 Niall I hit her.
- 15 Kofi What?
- 16 Niall On Tuesday I punched her in the face.
- 17 Kofi Jesus.
- 20 Janine That's terrible.
- 21 Kofi That is bad. That is very bad.
- 22 Niall I know.
- 23 Janine You shouldn't hit people.
- 24 Niall I know.
- 1 Janine You should say sorry.
- 2 Niall I have.
- 3 Kofi I think she *should* leave you.

- 4 Niall Don't say that.
- 5 Kofi But she should. I mean if you've hit her once you'll hit her again. Blokes like you they say sorry but they don't mean it. They say sorry but it's only til next time.
- 6 Niall I'm not like that. I'm different from that. I've never hit her before.
- 9 Janine You should say sorry. A bigger sorry. The biggest sorry you can say. That's what I think.
- 10 Kofi And then she should leave you.

**Niall is still struggling with his breath.**

- 11 Janine We could all say it together.
- 12 Niall Say what?
- 13 Kofi Nothing bad is going to happen.
- 14 Janine Yeh.
- 15 Niall Nothing bad is going to happen.
- 16 Janine Nothing bad is going to happen.
- 17 Kofi Nothing bad is going to happen.

**(They say it all together 3x. Then they stop.)**

**Beat**

- 18 Janine How you feeling?

**Niall laughs small embarrassed laugh**
