

1.
Ep 3 (MBB) May the Best Berry Win

1 EXT. CASTLE COURTYARD - ENTRANCE - DAY 1

SUPER: "May the Berry Best Win!"

BWS castle and streets. Closer shot of streets.

Tom and Twigs are in the streets walking along

1 TWIGS 1
(holds up berry)
Tom, guess what kind of berry
this is!

2 TOM 2
Well, it looks like...

Twigs juggles fruit

3 TWIGS 3
(manic, rapid-fire)
I'll give you a hint: It's not a
blueberry, blackberry, raspberry,
strawberry, boysenberry,
cranberry or elderberry.
Gooseberry's out, as is goji
berry, lingonberry, juneberry and
mulberry. And don't even mention
huckleberry, juniperberry or
banana.

4 TOM 4
Banana?

5 TWIGS 5
I told you not to mention it.

6 TOM 6
<Laughs>

7 TWIGS 7
You laughed! You're getting
warmer!

8 TOM 8
(confused)
Huh?

Twigs tosses him the berry which makes a <LAUGHING SOUND>.

9 TOM (CONT'D) 9
Am I hearing things, Twigs, or
did this berry just laugh?

10

TWIGS

10

Yes! It's a chuckleberry!

He drags Tom off. They emerge in the courtyard

11

TWIGS (CONT'D)

11

And today is the "Biggest
Chuckleberry in Treetopolis"
contest!

2

EXT. CASTLE COURTYARD

2

which is filled with sprites preparing their chuckleberries
for display. Tom tosses the berry up in the air again; it
<CHUCKLES>!

12

TOM

12

<Laughs>

13

TOM (CONT'D)

13

(to US)

Cool, huh? A berry that laughs!

14

TWIGS

14

Mine's too small to win, but...

Tom tosses the berry back to Twigs.

They stop outside and see Ariela at the trophy

15

TWIGS (CONT'D)

15

...I don't care - Ariela wins the
prize every year, she always
grows the biggest berry,
don'tcha, my butterfly buddy?

She flies over and leans on Twigs

16

ARIELA

16

Twigs is right, Tom and that
there's my trophy!

She points to a golden trophy in the courtyard in the form
of a pedestal holding a spherical berry. Stink sticks his
nose into the conversation.

17

STINK

17

Enjoy it now, 'cause by the end
of the day, it's gonna be ours!

Puffy pokes out from behind the pedestal

18 PUFFY 18
That's right, rodeo girl our
chuckleberry is so big it's gonna
make yours look...

But she's not clever enough to pull off the simile.

19 PUFFY (CONT'D) 19
...uh... small!
(turns to Stink and they
run off)
That told her eh Stink?

20 STINK 20
Sure did Puffy.

They <CACKLE> together as they exit.

21 STINK & PUFFY 21
<Cackle>

22 ARIELA 22
(panics)
You really think those mushas are
fer real? Oh they can't win--
they're... they're... mushas!

23 TWIGS 23
She's got a point.

24 TOM 24
Don't worry, Ariela. Even if
your berry doesn't win, you can
st..

25 ARIELA 25
What?! Doesn't win?! Are you
pullin' my wing?! Of course,
it's gonna win! It's huge!

26 TOM 26
I'm just saying, there's no
reason to get upset. Just forget
about those silly mushas. I'm
sure your chuckleberry is great,
really great.

Ariela calms down a bit.

27 ARIELA 27
Ok. Thanks, Tom.

28 TOM 28
Come on, let's go to your ranch
so I can see your prize
chuckleberry.

They fly off and camera tightens on trophy

CUT TO:

3 INT. BARN - BRANCH RANCH - A LITTLE LATER 3

We see Puffy pushing the door ajar and looking out of the barn

Puffy and Stink are in the process of siphoning Ariela's chuckleberry of its juice. A tube runs from the berry to a large barrel. Stink pushes down on a pump.

29 STINK 29
<Exertion noises>

30 PUFFY 30
That la-dee-dah butterfly thinks her chuckleberry's so great! By the time we're done pumping the juice out of it, it'll look more like a shriveled up chuckleraisin! <Laughs>

She <laughs> hysterically at her own lame joke. With each pump, the berry deflates and gets smaller.

31 STINK 31
I'm tellin' 'ya, Puffy it's about time a musha won something around here!

His overzealous pumping causes some of the juice to splatter onto the barn floor.

32 PUFFY 32
Hey Stink, watch it! You're wasting precious juice! We need every last drop if my brilliant plan is going to work!

33 STINK 33
Your brilliant plan? I'm the one who thought it up, my dear sister! You always try and steal my ideas.

Suddenly, they HEAR OFF-SCREEN VOICES AND FOOTSTEPS.

34 TWIGS 34
Honestly you're not going to believe it....

35 PUFFY 35
Shhhhh!!! Someone's coming!

36

STINK

36

Quick! Let's get out of here!

Stink seals the now-full barrel and rolls it whilst Puffy carries the siphon. They exit

4

EXT. BARN - BRANCH RANCH

4

Tom, Ariela, and Twigs arrive.

37

TOM (OOV)

37

....really oh it's so exciting I
can't wait to see it....

38

ARIELA (OOV)

38

Well it's all down to the
growin'...
(I/V) And now I present to y'all
the tastiest, loudest, and
altogether BIGGEST chuckleberry
in all of Treetopolis! Taa daa.

She flings open the barn door to reveal...

5

AN EMPTY BOX!

5

Oh, wait. The CAMERA TILTS DOWN and ZOOMS IN to reveal a
tiny, shriveled berry on the box.

39

TOM

39

Oh, uh, Ariela it's not quite as
big as I imagined.

40

TWIGS

40

It's cute.

Ariela flies up closer to it

41

ARIELA

41

No you don't get it! This
mornin' that thing was a big ol'
berry it was huge! Look at it
now! Somethin's gone and happened
to it!

Ariela tests it by flicking it with her finger. It rolls a
few inches, making a tiny, <ICKLY GIGGLING SOUND.> The
mushas <SNICKER> to themselves.

42

PUFFY & STINK

42

<Snicker>

43

ARIELA

43

Oh what'll I do Tom? You gotta
help me!

(MORE)

ARIELA (CONT'D)

I need to make my berry big
again! I've gotta win the
contest!

44

TOM

44

Okay, but it looks like we're
going to need some magic for this
one.

He steps closer to CAMERA.

45

TOM (CONT'D)

45

(to US)

We need to do the moves that turn
our magic powers on. Come on
join in. Time for Tree-Fu.

MUSIC BEGINS - Percussion with a strong Hip-Hop beat

Tom begins INTERACTIVE WARM-UP SONG (recurring in every
episode).

46

TOM (CONT'D)

46

We need to turn the magic on
We need to save the day come on
Just follow me and you will see
The magic comes from you and me
To make magic work do the moves
with me
To make Tree Fu spells do what
you see
Slide to the side
And jump right back
Hold your hands up high
Spin around, reach up for the sky
Touch your nose
Now make a pose
Clap your hands, one two three
Touch your knees and run with me
Tree Fu moves make the magic
When you move you make the magic
Do what I do, to make the magic
Do Tree Fu come on
Turn that, turn that, turn that,
turn that Tree Fu magic on

END SONG - Transition out: set transforms back to the
Branch Ranch Barn.

47

TOM (CONT'D)

47

Look! The sap-stone on my belt is
glowing! Moving turned our magic
on! Thanks for your help

He turns back to the problem at hand. He speaks into his
magic wristband.

The Holopax projects into the air an image of a whimsical instrument resembling a telescope. Tom examines the Holopax for further details. The Holopax speaks in a friendly elfin voice (not a techno/computerized voice).

49 HOLOPAX VOICE 49
The Size-o-scope is what you
need! It makes small things big
and big things small!

50 TWIGS 50

Cool.

51 HOLOPAX VOICE 51
The Size-o-scope belongs to
Zigzoo the inventor.

52 TOM 52
Great! Let's see...

Tom presses a button on the Holopax. An image of ZIGZOO magically appears in the air.

53 TOM (CONT'D) 53
Zigzoo!

54 ZIGZOO 54
Hello.

55 TOM 55

We need your help; can we borrow
your Size-o-scope to make
Ariela's berry big again?

56 ZIGZOO 56
Of course Tom! I'll be there in
a jiffy!

The connection cuts out and the sparkly cloud is drawn back in to Tom's Holopax.

BACK TO SCENE

57 ARIELA 57
Thanks, Tom. Let's get this li'l
thing ready.

She pushes the berry and box out of the barn.

6 EXT. BRANCH RANCH - LATER

6

Zigzoo arrives at the Ranch on his WAGON with his SIZE-O-SCOPE.

58	TOM	58
	Zigzoo!	
59	ARIELA	59
	Howdy.	
60	ZIGZOO	60
	Hello.	
61	TWIGS	61
	Hi Zigzoo.	
62	ZIGZOO	62
	Sorry I took a while, ran into an inch worm crossing and you know how long they can take.	
63	TWIGS	63
	Oh yeah, ages.	

Zigzoo quickly sets up the large Size-o-scope so it's focused on the small chuckleberry which sits on a rustic bench. He inserts the magic sap cell as Ariela, Tom, and Twigs watch intently.

64	ZIGZOO	64
	Ah yes now let's make sure it's pointing the right way! If we point the small end at it and press the small button, it makes things smaller! <Laughs>	

He spins it round so the big end is facing the berry

65	ZIGZOO (CONT'D)	65
	There! Ready. Now I just push this big button right here and...	

Zigzoo pushes the BIG button and a beam fires from the big end at the chuckleberry which is surrounded by a magical glow and instantly grows!

66	ZIGZOO (CONT'D)	66
	(excited, hopping around)	
	Ooh haha! Hoppity-doodle-doo it works!	

67

ARIELA

67

Wow. Do it again, Zigzoo! That
berry's gotta be bigger'n a cloud
in the sky when it's fixin' to
rain if I'm gonna win this
contest!

68

ZIGZOO

68

The bigger the fruit, the louder
the hoot <giggles> I always say!

He pushes the button and the chuckleberry increases.

69

ARIELA

69

That's better, now it's the same
size as it was before. But could
we just give it another zap,
Zigzoo? I want it to be the
biggest chuckleberry EVER in the
history of Treetopolis!

70

TWIGS

70

Brilliant idea.

71

TOM

71

Er, Ariela. If we make it bigger
than it was before that would be
cheating.

72

TWIGS

72

Oh yeah...

73

TOM

73

You should keep it the way it is.

Ariela looks disappointed.

74

ZIGZOO

74

Tom's right! It wouldn't be fair
to make it any bigger. Now,
let's get some ropes, yes, so we
can get this enormous berry to
the contest!

75

TOM

75

OK!

76

TWIGS

76

Let's do it!

They move away from the Size-o-scope and head towards the wagon. In their absence, Ariela moves closer to the Size-o-scope, looking over her shoulder to make sure the others are preoccupied.

77

ARIELA

77

Surely, making it just a teensy-
weensy bit bigger'd be okay.
Can't see any harm in that! I've
gotta win that contest!

She aims the instrument at the berry and quickly hits the
BIG button lots of times!

78

ARIELA (OOV) (CONT'D)

78

Hmm. Maybe just a bit bigger.

The Size-o-scope fires its beam, SPUTTERING and GROANING
and smoking! The berry expands until it's absolutely huge!
The magic glow stays around the berry and it continues to
grow!

79

ARIELA (CONT'D)

79

(worried)

Uh-oh. Think I mighta over-did
it.

The weight of the berry takes its toll on the flimsy bench,
which starts buckling, jostling the chuckleberry. SFX:
<LOUD CHUCKLES!> Zigzoo turns around.

80

ZIGZOO

80

Er, what happened?!

81

ARIELA

81

Er..well....I...

82

ZIGZOO

82

It's growing out of control!

Suddenly, the box breaks and the chuckleberry starts
rolling... towards Tom!

83

ARIELA

83

(calls)

Oh no! There goes my berry!

84

TOM

84

Run.

85

TWIGS

85

Waaah!

He runs away from it, but the berry picks up momentum.
Before you know it, Tom and the chuckleberry are virtually
Indiana Jones and the boulder!

86

TWIGS (CONT'D)

86

(as they run off)

Waaah!

87

TOM

87

(as they run off)
Waaah!

But accompanied by LOUD (non-human) LAUGHTER from the
chuckleberry) Ariela looks concerned.

88

ARIELA

88

Oh come back here.

She starts to run after it.

EXT. CASTLE COURTYARD

The mood is festive. Treetog speaks to the villagers.

89

TREETOG

89

Harvest season. A time of peace
and quiet and ... ooh.

The speech is interrupted by LOUD LAUGHTER

90

TREETOG (CONT'D)

90

What is that?

She looks up to see where the LAUGHTER is coming from - the
giant chuckleberry is headed straight for the castle!

91

TREETOG (CONT'D)

91

Oh dear! Everybody find shelter!

Treetog majestically waves her arms and conjures up a holo-
mist which features Tom's sparkling face

92

TREETOG (CONT'D)

92

Tom! We need your help! Big
World Magic help! It would seem
that an enormous chuckleberry is
headed straight for the castle!

CLOSE-UP ON TOM

93

TOM

93

I'm on it!

WIDER ANGLE

reveals Tom is literally on the rolling berry! Next to him
is Twigs; both are frantically moving their feet, trying to
get the berry under control as it heads towards the castle.

7 BEGIN ACTION SEQUENCE

7

in which the berry, loosely guided by running Tom (and Twigs who is mostly stuck to the side of the berry going round and round) bounces off a rolls around the natural features of the landscape, down Rickety's canyon (like a skateboard half-pipe), then up in the air, then back down again-- THUD!-- In the park it bounces off branches, then heads right toward the castle where Tom flies up and off the berry, hovering in the air while addressing the kids at home.

94

TOM

<Heavy breathing - running>
(to US - breathless)
As you can see, things have got
pretty serious. We've got to stop
the chuckleberry from smashing
into the castle!

94

95

TOM & TWIGS

<Breathless sounds - running>
<BEING THROWN AROUND WALLA>
Aaarghs, oohs, Wahs, etc.
<Landing sounds> <laughter>

95

96

TOM

<Breathless sounds> I've got a
plan.

96

He flies off the berry and speeds ahead of it.

Twigs gets knocked off and is rolling round with the berry

97

TWIGS

Just a ... whoah-oh-oh-oh-oh.

97

Tom zips down to the ground on the castle bridge. Bridge and castle behind him. We see the berry in the distance coming towards him

98

TOM

We'll have to use Big World Magic
to make a magic wall to stop the
berry from crashing into the
castle, so I'll need your help.
It's time to do the 'Build a
Wall' spell. Are you ready?
Tree Fu go!

98

Tom stomps in to his spell pose which triggers the visual switch in to 'spell time / mode'

Tom conducts INTERACTIVE BIG MAGIC SPELL #1 Kids execute as Tom explains and models.

99

TOM (CONT'D)

Right copy me into your spell pose. Cross your arms in front of you. Stamp one foot. Stamp the other foot. Pat your knees, your chest, then push forward. Now we need to draw one small circle like this and then a big circle all the way round. Oh great. Same moves again.

99

100

TOM (CONT'D)

Cross your arms, stamp one, two, pat knees, chest, push. One small circle, one big circle. Now clap, say "Build-a-Wall!" to send the magic to me.

100

He claps hands, then models "pushing" gesture with two hands away from chest.

The magic glow around Tom peaks in intensity and coalesces in to a ball of magic between his hands which he claps and pushes forward

101

TOM (CONT'D)

Build-a-wall!

101

A glowing shield wall magically starts building at the ground level at the cliff's edge, all the way up to the height of the chuckleberry.

A split second later the chuckleberry rolls into frame, the LAUGHTER very loud until it smacks right into the wall! SPLAT! And silence. Bits of pulpy berry EXPLODE everywhere, but mostly against the magic wall.

102

TWIGS

<Laughs> Oh it tickles. Whoah.
<Impact noise>

102

103

TOM

Well done! We did it! Our Big World Magic wall worked!

103

104

TWIGS

<Dizzy sounds>

104

Suddenly, a very dizzy Twigs stumbles forward, his eyes crossed, his face covered in purple pulp.

105

TWIGS (CONT'D)

Ooh. (Slurp) Er.. weugh... wha...

(woozy)

What, what happened to the pretty berrychuckle?

105

Tom <LAUGHS> and pats Twigs warmly on the back.

106 TOM
<Laughs>

106

Ariela (with his Size-o-scope on the wagon) enters

107 ARIELA
Oh no! I'm so sorry, y'all!
Look at the mess I've caused!
And for what? My chuckleberry's
gone! Now I'm never gonna win!

Stink pushes the berry in a cart

108 STINK (O.S.)
No, we are!

108

ARIELA
<Gasps>

109

110 STINK (O.S.)
I am!

Stink <LAUGHS>

111 STINK (CONT'D)
<Long cackling laughter>

111

Ariela turns to see who said this.

They watch him push the cart towards the open castle gates

112 **TOM, TWIGS, ARIELA**
<Gasp>

112

9 EXT. CASTLE COURTYARD

9

Everyone is assembled. Ariela stands on one side of Treetog with Tom and Twigs; Stink stands on the other side of her.

113

Ariela approaches Stink dejectedly. He begins dancing around, taunting the treelings.

114 STINK
Yes, I won! I won and Ariela lost!

114

(His taunting is under Treetop's dialogue)

115 STINK (CONT'D) 115
Nyna-nyna-nyna-nyna-nyna! Stinky
is the winner. Ariela lost it.
Stinky went and won it. <Cheers>

116 TREETOG 116
Congratulations. Ariela, as the
previous winner you must hand
over the trophy to the new
champion.

Ariela walks over to Stink

117 STINK 117
I'm the best. I'm the best
there's ever been.

Ariela holds out the trophy

118 ARIELA 118
Here y're Stink, s'pose I got
what I deserved, huh? I cheated.
And cheaters never really win, do
they? You won it fair and square
though with this huge b...

She pats the enormous berry, something isn't right... looking
at her hand, it's stained berry-juice red!

119 ARIELA (CONT'D) 119
Berry juice? MY berry juice!? I
may just be a country butterfly,
but I do know my chuckleberries,
and where I come from, the juice
is on the inside of the berry,
not the outside!

She holds up her hand, stained in berry juice, for all to
see.

120 ARIELA (CONT'D) 120
This is a pretend chuckleberry.

121 CROWD 121
<Gasps>

122 ZIGZOO 122
A pretend chuckleberry?

123 TWIGS 123
... ooh looked real to me... it's
amazing....

124 TOM 124
Well, I guess there's one way to
find out: Stink, let's hear your
chuckleberry chuckle!

Stink thinks

125 STINK 125
Errr... uhhhh... errrr, ok.

Stink jostles the big berry so it rolls a few inches. The sound that comes out is nothing like the chuckles we've been hearing- more like bad acting.

126 PUFFY (AS CHUCKLEBERRY) 126
Ha ha ha. Chuckle, chuckle. Tee-hee-hee.

127 ARIELA 127
I've heard that voice somewhere before.

Ariela inspects the berry, finds a string and pulls it.

128 ARIELA (CONT'D) 128
Hmmm.

The outer layer of the berry comes undone and we see...
Puffy!

129 ARIELA (CONT'D) 129
<Gasps> It's Puffy!

130 TWIGS 130
(points)
That berry is a mushroom!

131 PUFFY 131
(to Stink)
I told you this was a bad idea!
Why do I let you talk me into these messes?

132 STINK 132
My idea?! It was your idea,
fungle-bungle!

Ariela lassos the trophy away from Stink

133 ARIELA 133
I may not deserve this trophy,
but you don't deserve it either!
You cheated!

134 STINK 134
Hey, give it back! That's ours!

135 PUFFY 135
Yeah, we cheated really hard to
get that trophy!

Puffy makes a grab for the trophy but Ariela flies up in the air

136 PUFFY (CONT'D) 136
Give it here!

137 ARIELA 137
No! You're not gettin' it!

Ariela flies off and flits up on top of the wagon behind the size-o-scope (at the small end), Puffy lumbers after her

138 PUFFY 138
<Effort noises>

139 STINK 139
Go on Puffy - go on grab it.

140 PUFFY 140
Give me the trophy!!

Puffy clambers up onto the wagon ending up on the other side of the scope (at the big end), she stands up and swipes and then unsuccessfully tries to climb over the scope

141 ZIGZOO 141
Oh no. Don't do that, no, no,
don't press the buttons!

Puffy's big feet press the buttons

The Size-o-scope fires out of both ends surrounding Ariela and Puffy in the magical glow.

142 PUFFY (NORMAL INTO GIANT VOICE) 142
(Unison)
No.

143 ARIELA 143
(Unison)
Noooo.

Suddenly, Ariela shrinks to about 1/3 of her size!
Simultaneously, Puffy expands! She becomes a big, lumbering Godzilla-like monster!

MIX:

Puffy tries to grab Ariela and the trophy

144 PUFFY (AS GIANT) 144
Give me that trophy!

Tom flies up. Ariela tries to lift the trophy but it's too big and heavy

145 ARIELA 145
You're not getting the trophy!

146 TOM 146
<ACTION WALLA> Hey / No Puffy! /
Ariela's right / Give it back!

Tom gets it instead. Puffy takes one GIANT step towards him.

147 PUFFY (AS GIANT) 147
It's mine. I want it.

Puffy stamps her fist. Tom dodges out of the way just in time

148 TOM 148
Yaaaaahhhh!!!

He flies off

149 TOM (CONT'D) 149
You can't have it - you cheated.

150 SPRITES 150
<PANIC WALLA>

151 PUFFY (AS GIANT) 151
<Effort noise> Come here!
<Groans>

Puffy chases after Tom and squashes things in her path.
She heads towards Treetog's tower

EXT. TREETOG'S TOWER

152 SPRITES 152
<PANIC WALLA>

153 TOM 153
Puffy! Stop!

Treetog sweeps some treelings to safety

154 STINK 154
Go on get that trophy, it's ours.
Go on Puffy.

155 PUFFY (AS GIANT) 155
Where's that trophy?

She reaches to try and get to Tom - he flies off just in time

156 TOM 156
Aargh!

Puffy's hand causes the pillar to crack

157 PUFFY (AS GIANT) 157
Come here! It's mine!

Tom flies off

159 PUFFY (AS GIANT) 159
No!

Tom runs inside and up the tower

160 **TOM (OOV)** 160
<Breathless running> Oh.

Tom arrives at the top of the high balcony of the tower. He looks down from the balcony to Puffy.

161 PUFFY (AS GIANT) 161
Gimme that trophy.

Puffy can't reach so starts clambering up the outside of the tower, with great difficulty. Her size and weight greatly endanger the integrity of the castle structure.

162 PUFFY (AS GIANT) (CONT'D) 162
<Effort noises>

163 SPRITES 163

<PANIC WALLA>

164 STINK 164
<ENCOURAGING PUFFY & ACTION
WALLA>

Ariela does her best by annoying and distracting Puffy by yelling into her ear and flying around her face.

165 ARIELA 165
How dare you shrink me! I do not
like being 'itty or bitty, you
understand me?!

166 TWIGS 166
Go for it Ariela.

167 ARIELA 167
That trophy should be mine.

168 TWIGS 168
Go on girl.

Puffy swipes at Ariela

169 PUFFY (AS GIANT) 169
<EFFORT> Get off! <EFFORT>

The tower wobbles

170 TOM 170
(to US)
Oh, no! Puffy's going to break
the tower! And Ariela doesn't
look too happy being tiny either!
(beat)
Our only hope is to point the
Size-o-scope at both of them and
turn them back to their normal
sizes!

He looks around.

TOM'S POV:

Way down below, on the complete opposite side of the
courtyard is Twigs and the Size-o-scope.

171 TOM (CONT'D) 171
(yells)
Twigs! I need the Size-o-scope!

172 TWIGS 172
(yells, confident)
I'M ON MY WAY!

Twigs strains to pick up the scope. He <GRUNTS> but can't
budge it.

173 TWIGS (CONT'D) 173
<Grunts>
(yells)
NO, I'M NOT! PLAN B!
(does Tree Fu move)
<Spell noises> Lifto!

It lifts slightly but that's all

174 TWIGS (CONT'D) 174
(to himself)
This is actually sort of
embarrassing.

175 PUFFY (AS GIANT) 175
<Exertion noises>

176 TOM 176
(shouting)
No problem, Twigs!
(to us)
We need to get the Size-o-scope
over here now!
(MORE)

Ep 3 (MBB) May the Best Berry Win

TOM (CONT'D)

(shouting)

We'll have to use Big World
Magic!

177

TWIGS

(shouting)

I know! Why don't you use Big
World Magic? (to self) I am a
genius!

177

Puffy still climbing tower

178

PUFFY (AS GIANT)

178

<Effort noises>

179

TOM

179

(to US)

I'm going to need your help.
It's time to do the 'Mega
Attracter' spell. Are you ready?
Tree-Fu Go!Tom stomps in to his spell pose which triggers the visual
switch in to 'spell time / mode'

Tom conducts INTERACTIVE BIG MAGIC SPELL #2

180

TOM (CONT'D)

180

Right copy me, into your spell
pose.Step forwards, reach and pull
back. Other foot, step, reach
and pull back.Make a big circle back with one
arm, a big circle back with the
other arm, and a big circle back
with both arms.

Now reach up and pull down.

That's really good. One more
time. Step forwards, reach, pull
back.Step forwards, reach, pull back.
Big circle back. Another big
circle back. Both arms together.
Up, down.Now clap and, say 'Mega
Attracter' to send the magic to
me.

He claps hands.

181

TOM (CONT'D)

181

(with audience)

'Mega Attracter'

Tom models "pushing" gesture with two hands away from
chest.

The "fishing line" materializes as a laser-like beam that shoots out across the courtyard and to the Size-o-scope below, Twigs leaps on top

182 TWIGS 182
Hey I'm coming too!

Tom pulls the magic beam to which the Size-o-scope and Twigs are now attached towards him.

Stink grabs onto Twigs' foot and is pulled up too

184 STINK 184
Oh no you don't. <Leap> Come ba-
a-ack.

185 TWIGS 185
Woah, get off.

186 STINK 186
Woah.

187 ARIELA 187
I worked so hard I grew that
chuckleberry all year long and
then you just walk in and think
that you can just steal my
trophy. Well I don't think so.
This tree ain't big enough for
the two of us.

188 PUFFY (AS GIANT) 188
<Climbing, breathing noises>

Stink loses his grip on Twigs

189 STINK 189
Aaaaaaahhhh! <Landing>
<headshake>

Stink lands in a box of chuckleberries.

Puffy tries to grab Ariela but she gets out of the way

190 PUFFY (AS GIANT) 190
<SWIPE MISS OFF-BALANCE STEADIED>

Then Puffy starts climbing up the tower again

191 PUFFY (AS GIANT)(CONT'D) 191
<CLIMBING EFFORT>

Tom continues to bring the Size-o-scope up with Twigs holding on - he's now sitting astride the size-o-scope

192	TOM Okay, Twigs - remember to push the big and small buttons at the same time to change them both back, okay?	192
193	TWIGS (nervous) Big and small, right. Two buttons. Not one.	193
194	TOM (shouts) FIRE THE SIZE-O-SCOPE!	194
	Twigs pushes two buttons on the Size-o-scope. It zaps both Puffy and Ariela simultaneously! Puffy decreases to her normal size and Ariela increases to her normal size.	
195	PUFFY (AS GIANT TO NORMAL) (Shrinking) Waaaaah.	195
196	ARIELA Aargh.	196
	Puffy falls down in a spiral around the tower like a helter skelter and lands on top of Stink in the courtyard below. The two siblings roll into a big pile of squashed chuckleberries!	
197	PUFFY <FALLING (down slide) LANDING ROLLING>	197
198	STINK Dah oh.	198
199	PUFFY & STINK <ROLLING & SCRAPPING>	199
	Zigzoo covers his eyes	
200	STINK (to Puffy) I'm getting out of here before they make me clean this mess up!	200
201	PUFFY Not before me!	201
	They make a beeline out of there	
202	PUFFY & STINK Waaaaah! Ow. <Effort sounds>	202

203	TOM	203
	Yay! We did it! And thanks to you our Big World Magic saved the day!	
204	ZIGZOO	204
	We did it my machine pulled us through. Another brilliant invention from Zigzoo.	
	Twigs and size-o-scope land onto the ground.	
205	TWIGS	205
	It was me I saved the day, there was a little bit of help from other people but basically I'm the hero.	
	Tom and Ariela land - Treetog joins them	
206	TREETOG & TOM	206
	<Laughing>	
	Tom has the trophy	
207	ARIELA	207
	<Sigh> Thanks Tom. It should be those mushas cleanin' up but I did cheat too so maybe mopping up this big ol' mess will remind me that cheatin' don't pay.	
208	TREETOG	208
	Well... it would seem that no-one wins the trophy this year as no chuckleberries survived being squashed by those two naughty mushas.	
209	TWIGS (O.S.)	209
	Ah with all due respect, your Treetogliness...	
	Everyone turns as Twigs steps forward from the crowd.	
210	TWIGS (CONT'D)	210
	...there is... this.	
	He reveals his chuckleberry on the palm of his hand.	
211	TREETOG	211
	<Giggles> Well, by the great tree! One of my students is holding the biggest chuckleberry of the season! You win, Twigs! Congratulations my Treeling.	

Tom hands the trophy to Twigs

212 TWIGS 212
<Laughs> I won! Oh I am the
winner. Oh yes.

Treetog <laughs>

213 TREETOG 213
<Laughs>

214 ARIELA 214
<Reaction> Well done Twigs.

215 TOM 215
Yay Twigs brilliant!

216 ZIGZOO 216
Go Twigs.

217 TWIGS 217
I thank you, Treetog.
(re: the berry)
Now that I've won, no need to
hold onto this anymore. Oop.
<gulp>

He tosses his chuckleberry up in the air and we HEAR its
tiny <CHUCKLE> before it falls into his open mouth.

He shakes his tummy and we HEAR a <TINY CHUCKLE> from
within.

218 TWIGS (CONT'D) 218
(rubbing tummy)
Hmm. Er maybe I shouldn't have
eaten that chuckleberry. I'm
starting to feel a little funny.
<giggle>

Everyone <LAUGHS>, filling the courtyard with the sound of
real laughter.

219 TOM, TREETOG, ZIGZOO & ARIELA 219
<Laughing>

Beat.

220 TWIGS 220
Do you get it? A little funny?!
<Laughs>

221 TOM 221
Nice one Twigs. Time for me to
head home! Bye, everyone!

26.
Ep 3 (MBB) May the Best Berry Win

222	TWIGS	222
	Bye bye Tom.	
223	ZIGZOO	223
	Goodbye Tom.	
224	TREETOG	224
	Thank you Tom.	
225	ARIELA	225
	So long Tom.	
226	TREETOG	226
	Goodbye.	
	Tom flies into the air.	
11	END OF ACTUAL EPISODE - BEGIN RECURRING GENERIC ENDING	11
227	TOM	227
	Thanks for helping me in Treetopolis! See you soon for another adventure! Bye, for now!	
	He does a quick spell movement and swoops off.	
	A BURST OF MAGIC EFFECT and Tom disappears.	
12	EXT. TOM'S BACKYARD - AFTERNOON	12
	Tom pops on screen, right in front of the gnarled tree. He's back to his normal self, his belt stone glows amber again. He runs across the garden up to his house, opens the door, takes one last look back and steps through.	
	Door shuts.	
	THE END
