**EXT. WALKWAY. PRE SCHOOL. 07:30 - DAY.**

1

AMY strides towards school, full of nervous excitement.

AMY (INTO PHONE)  
Well you would say that, you're my  
mum. Just feels like it's my chance  
to show them what I'm about.  
Anyway, I'll let you know how it  
goes. Call you later yeah?

Amy stops in her tracks as she reaches the playground and  
hangs up the phone, closes her eyes and takes a deep inhale.

AMY (CONT'D)  
(to herself)  
You've 100% got this.

A man is watching her from afar. FRED has a toothbrush  
hanging out of his mouth and looks like he's just woken up.  
He's stood in front of a van with '*PLAYFUL SPIRITS*'  
emblazoned across it. Fred's eyes narrow as he watches Amy  
disappear inside.

CUT TO:

2

**INT. RAFFERTY HOUSE. LIVING ROOM. PRE SCHOOL. 07:32 - DAY.** 2

KELLY JO is having a meltdown, flinging stuff everywhere. NICKY (in pinny) and PRESTON (in running gear) stare agog. DEBS is visibly mortified. TONYA munches on toast, watching the drama unfold.

KELLY JO  
I'm not having it! People messing  
with my stuff!

DEBS  
(impatient)  
Every morning it's the same.

KELLY JO  
(turning on Tonya)  
She's stolen them!

TONYA  
As if I'd steal your socks.

Kelly Jo now has Preston's red bag but he snatches it back fast.

PRESTON  
What you playing at - that's mine!

KELLY JO  
(overwhelmed)  
I need to find the ones I like, I  
can't wear the scratchy ones.

PRESTON  
(furious)  
Touch my bag again, *you are dead*.

NICKY  
*Preston.*

PRESTON  
(wound up)  
I'm not dealing with this.

Kelly Jo throws something in Preston's direction as he leaves with the bag. Nicky goes after Preston.

DEBS

Just rein it in Kelly Jo.

KELLY JO

Why you on at me? Why is it always  
*me*? I can't stand my life!

CUT TO:

3

**EXT. RAFFERTY HOUSE. PRE-SCHOOL. 07:35 - DAY.**

3

The front door flies open and Preston hurries out, followed by Nicky. She shuts the door behind her as Preston is about to head off on a run.

NICKY

Wait, I need to speak to you.

PRESTON

(snappy)

What?

NICKY

*This*, this attitude. What's going on?

PRESTON

Nothing.

NICKY

Oh pull the other one, you've been like this all week. Even Samia says you've been moody.

PRESTON

Why you talking to Sami?

NICKY

(delicate)

Look, I heard what happened at school last week, love. The panic attack?

PRESTON

(caught off guard)

- What? No.

NICKY

It's nothing to be embarrassed about but clearly something's up.

PRESTON

Yeah living with that demented cow -

NICKY

It's more than that. I can tell.

PRESTON

(covering)

Mum, seriously. It was literally nothing. People love a drama. I've got more important things on today yeah? My basketball game?

Preston jogs away plastering on a smile.

PRESTON (CONT'D)

Come on. Waterloo Wasps!

NICKY

(calls)

You're going to smash it!

But as Nicky watches him go, she's still worried.

CUT TO:

4

INT. STAFF ROOM. PRE SCHOOL. 08:00 - DAY.

4

Amy is a bag of nerves as she addresses the rest of the staff - KIM, JOE, LINDON, NEIL, VALERIE. CORAL struggles to contain her irritation.

AMY

(visibly nervous)

And I toured with Playful Spirits doing performances and workshops like this one. They've usually got more than one facilitator but a couple of them are off sick so I've offered to step in.

(drops her pen)

So it'll be Year 11's in the morning and the Year 12's joining us in the afternoon - Oh and a couple of the BU kids who I really wanted to offer it out to -

CORAL

I'm sorry.

Amy sees Coral's half raised hand and a look of disdain.

CORAL (CONT'D)

This is all very nice, but I'm still struggling to comprehend why this workshop hasn't been booked in non-curricular time?

Some murmurs of agreement.

AMY

Well it's sort of an all day thing -

CORAL

And with the exam year groups of all students? Who are already woefully behind.

JOE

Look, if we don't get this stuff right then some of them won't even make it to their exams.

CORAL

But a whole day? So they can what? Roll around on the floor, talking about their feelings? I mean I'm sure they'll all love it.

A few laughs.

AMY  
(thrown)  
Well - that's not really -

KIM  
(rescues)  
Actually aren't you mostly off  
timetable today, Coral?

CORAL  
Yes, but I'm up to my eyes with the  
department budget review, not to  
mention planning these school  
council elections -

KIM  
But you can work from the drama  
studio can't you?

Amy looks horrified. Coral goes to object.

KIM (CONT'D)  
I think you'd really benefit from  
seeing this workshop up close, help  
you get a better understanding of  
why it's important. Anything else  
Amy?

AMY  
Erm - no, just that.

Amy retreats. Coral fumes; if looks could kill.

KIM  
So, lots in the building today. We  
also have our inter-school  
basketball match -

LINDON  
(springs up)  
If our lads win today, they'll play  
the best team in Greater  
Manchester. They could win the  
league. So, let's get behind them.

KIM  
Right if that's everything? Have a  
great day everyone.

Everyone disperses as Kim approaches Joe.

KIM (CONT'D)  
You're with Donte this morning?

JOE  
Let you know how he gets on.

KIM

Chlo's inquest is coming up. Really hope this is a bit of a distraction for him.

A nearby Coral bristles at the reminder. Joe sees Valerie .

JOE

So, does your house smell of far flung trainers and wet towels yet?  
(Seeing Val is confused)  
Teenage boys? I had no idea until we fostered Dwayne and Zayne.

VALERIE

Oh Danny? No complaints so far, irons his uniform, makes his bed. Even teaching him a bit of guitar.

JOE

Val, my two can't even flush the toilet. Sounds like you're onto a winner there.

Joe smiles as he leaves. Before Val can head off -

KIM

All sounds very cosy. Just hope it lasts, given social services have bumped him down the priority list.

VALERIE

How do you mean?

KIM

Well now Danny's not in the hostel and we have his mum's permission for him to stay with you, they are no longer trying to find him somewhere more permanent.

VALERIE

Well maybe my place is permanent -

KIM

(firm but fair)

Val. This all happened pretty fast didn't it? Take some time. You want to be absolutely sure before you make any long term promises.

Valerie leaves annoyed. Lindon sees Kim's concern.

LINDON

Look, I may eat my words but I've seen a change in that lad since he moved in with Val.

LINDON (CONT'D)

If this doesn't work out, you  
should know you've done everything  
you can.

As Lindon smiles, Kim looks thankful for his support.

CUT TO:

5

INT. FOYER. PRE SCHOOL. 08:27 - DAY.

5

SAMIA is immersed in her phone as she checks her text to Preston.

MSG "Where r u ???"

Still no reply.

NICKY (O.C.)  
Sam - Samia!

Samia sees Nicky hurrying towards her, holding a cake box.

NICKY (CONT'D)  
What do you think?

Nicky reveals the cupcakes with 'Waterloo Wasps!' flags.

SAMIA  
Yeah great.

NICKY  
Thought they might put a smile on their faces, or Preston's face at least. You had any luck with him?

SAMIA  
(reassuring)  
He's not been himself, but I'm sure he'll be fine. Maybe it's just everything that's been going on?

NICKY  
I tried talking to him but it's like the shutters come down.  
(preoccupied)  
I dunno, something's wrong.

Samia looks worried now too.

NICKY (CONT'D)  
Maybe you're right, maybe I'm just being mother hen but let's both keep an eye on him yeah?

Nicky hurries off, leaving Samia to wonder.

CUT TO:

5A

**EXT.PLAYGROUND. PRE SCHOOL. 8:29 - DAY.**

5A

DONTE is trying to rub a stain off his shirt as IZZY looks mortified. ROLF HIGGINS is doing some maintenance, darkly clocking Donte, the new recruit.

IZZY

How've you got egg on your shirt?

DONTE

Leave it out. Got you, your brother, as well as myself to get out the door. Pair of you about as much help as a wet newspaper.

Izzy spots Tonya.

IZZY

Just remember, you see me today, you don't know me.

The bell for registration goes. Izzy and Tonya join up.

TONYA

Ugh, tragic. Both our parents are here now - there's no escape.

Izzy and Tonya rush in before they're late. Donte stares up at the school building and takes a deep inhale.

CUT TO:

6

INT. DRAMA/MUSIC STUDIO. REGISTRATION. 08:50 - DAY.

6

A large artificial twig tree is being erected. Colourful cushions set out. Fairy lights. Various props in baskets. Amy enters, excited.

AMY

Oooh, here we go.

She sees a man with PLAYFUL SPIRITS across the back of his T-shirt. He turns. Fred is now fresh-faced and handsome.

FRED

Like the good old days, hey?

Amy's face drops. Her body language becomes instantly caged.

AMY

Fred. What are you doing here?

FRED

They drafted me in last minute.  
Feels good to be doing a job that  
actually means something. Not just  
chicken adverts and random  
voiceovers.

(sincere)

It's good to see you.

AMY

Did you know I was working here?

FRED

Thought it might be fun, bouncing  
off each other again?

He sees how wary she is.

FRED (CONT'D)

Aime. A lot has happened since I  
last saw you. I went away - really  
had to work on myself. I know I owe  
you the biggest apology. Look, I  
wasn't going to do this now...

He gets an envelope out of his bag and gives it to her.

AMY

What's this?

FRED

Some of the money I owe you for the  
flat, the bills. It's not the full  
amount yet but it's a start.

(smiles)

(MORE)

FRED (CONT'D)

'No one's a lost cause'. You always  
said that.

But Amy stares at him, still unsure.

FRED (CONT'D)

If this is going to be too weird  
for you...

AMY

No.

(deep breath)

We can be... Professional.

Coral suddenly enters, annoyed.

CORAL

Like I haven't got enough to do  
without being trapped here for the  
day. Is there even a desk?

There are screeches as Coral drags out a table.

AMY

Fred, this is Miss Walker.

Fred playfully eyeballs Amy. The bell sounds.

CUT TO:

6A

INT. ADMIN/WENDY'S AREA. REGISTRATION. 08.55 - DAY

6A

Lindon is heading into Wendy's area from his office.

LINDON  
(into phone)  
Table for two. One of your nice  
ones by the window if you have it?

Lindon is thrown as he sees Donte waiting by Wendy's desk.

LINDON (CONT'D)  
(into phone)  
Perfect. See you at seven.

He puts the phone away.

DONTE  
Hot date?

LINDON  
Err, not quite. It's - complicated.

An awkward moment.

LINDON (CONT'D)  
So, your first day. How are you  
doing?

DONTE  
Yeah, yeah all good.

LINDON  
And Izzy? She's all okay?

DONTE  
You know, 13 going on 30.

LINDON  
Tell me about it. Gone are the days  
when I could win Verity over with a  
bag of pick and mix.

They both smile and stand awkwardly again.

LINDON (CONT'D)  
Well, Wendy should be here soon.  
She'll sort you out with your  
lanyard and everything else. Hope  
it goes well.

Lindon exits. Both men relieved the exchange is over.

CUT TO:

7

**INT. MAIN CORRIDOR. PERIOD ONE. 09:01 - DAY.**

7

Students rush down the corridor to get to class. Year 11 head towards the drama studio, including Samia and Kelly Jo. DEAN and NOEL pass by. Kelly Jo smacks Dean's hand away as Valerie passes.

DEAN

Miss, she just groped me!

KELLY JO

Ugh! I'd rather have a UTI!

VALERIE

Women can resist you, Dean Weever.  
I know that's a shocking  
realisation. Now don't make Miss  
Spratt regret getting you out of  
the BU today.

DEAN

(whispers to Kelly Jo)  
I'm on day release babes, better  
make the most of it.

Kelly Jo pulls away in disgust. Samia spots Preston and catches up to him. Kelly Jo waits nearby.

SAMIA

Pres! Waited for you this morning.

PRESTON

Sorry babe, was on a run.

SAMIA

You okay?

PRESTON

Yeah, apart from foghorn over there  
waking me up at the crack of dawn.

SAMIA

Your mum's fretting about you.

PRESTON

Oh my God, why is she talking to  
you? I don't get it.

SAMIA

She's just worried.

PRESTON

Sam, you know what my mum's like.  
She can turn a minor incident into  
a full blown melodrama. Just don't  
give her any ammo yeah?

SAMIA

Sure, whatever. Well good luck today and just think, we've got a whole afternoon together in drama. How good's that?

KELLY JO

Barf.

PRESTON

(smiles)

Catch you later yeah?

He hurries off. Kelly Jo sidles up to Samia.

KELLY JO

Thought it would be well good having them stay but he's a right crank. Barely says two words, then he's always sneaking out -

SAMIA

Sneaking out? Where?

KELLY JO

Dunno. But he's well suss if you ask me.

Samia looks after Preston, now even more concerned.

CUT TO:

8

**INT. HISTORY/HUMANITIES CLASSROOM. YR 12. PERIOD ONE. 09:10 8-DAY.**

DANNY is huddled over revision books with CAZ. There's a noise coming from the grate above the window. Neil peers up at it.

NEIL  
(mutters to self)  
And now even the building is  
turning on us.

He whacks it a few times and the noise stops. Aha! But when Neil walks away the noise picks up again. He silently curses.

CAZ  
(to Danny)  
So that's actually wrong because  
you need to do the squaring first -

DANNY  
How am I going to get this? Resits  
are less than a week away.

Val enters and approaches Danny.

VALERIE  
Totally forgot I'm out tonight -  
wanted to pass on the house key  
before I forget.

DANNY  
Thanks.

Val heads back towards the door but overhears KAI -

KAI  
(joking)  
So you got a school mum now?

DANNY  
(snaps)  
I'm only stopping there. Some of us  
don't have a back up, Kai. Don't  
expect you to get it.

Val looks unsettled by the comment as she leaves.

KAI  
Anyway she's out tonight?  
(joking)  
Party, party.

Danny ignores Kai and turns back to Caz.

DANNY

So I have to do the powers first?

KAI

(to Danny)

Oh come on. How long you going to  
have a cob on with me?

Kai looks hurt when Danny continues to ignore him.

CUT TO:

8A

**INT. LIBRARY/IT SUITE. PERIOD ONE. 09:12 - DAY.**

8A

Joe pulls out a chair indicating for Donte to sit.

JOE

So just jump on here. I see the office have already given you your lanyard. There's your login, you can just fill out the equal opps form via the portal. And I'll be back in a mo to give you the grand tour. All okay?

DONTE

(thrown)

Er...yeah.

JOE

And Donte? We're really happy to have you.

Little shoulder squeeze and Joe whizzes off. Donte stares at the computer like it is a cryptic vault.

CUT TO:

9

**INT. DRAMA/MUSIC STUDIO. YEAR 11. PERIOD TWO. 09:30 - DAY.** 9

The house lights are down, the tree is lit. Amy and Fred are addressing the students in a circle as Coral watches scornfully from behind her laptop.

AMY

And this is the 'Thought Tree'. So any thoughts, any feelings that you have today, just jot them down and hang them on a branch here.

KELLY JO

Going to be full of knobs then.

DEAN

You'd love that.

Kelly Jo glares. Fred suddenly throws a large bouncy ball at Dean who awkwardly catches it.

DEAN (CONT'D)

*Ee are!*

FRED

What's your name?

DEAN

Dean.

FRED

Dean, do you think this ball can be passed around the room to everyone here, without it hitting the ground once?

DEAN

(couldn't care less)  
I dunno.

FRED

Bet you an early lunch break it can't.

Amy sees Coral's disapproving scowl. Dean smirks.

DEAN

Sound. Alright, spread out people.

FRED

(playful whisper)  
And we're off.

Fred gets the game going. Amy rallies herself: 'let's do this'. Amy and Fred's eyes meet. He grins mischievously. Amy can't help but smile.

12

**INT. LIBRARY/IT SUITE. BREAK TIME. 11:10 - DAY.**

12

The break bell sounds, students rush past the door. Donte painfully tries to work the computer mouse. He's increasingly frustrated, on the verge of ripping it out of the computer when he sees ZAYNE pass by.

DONTE

You.

Donte quickly drags Zayne inside.

ZAYNE

What are you doing, man?

DONTE

I need help.

Zayne looks at him weird.

DONTE (CONT'D)

Sort me out, just log in for me.

ZAYNE

You don't know how to log in?

DONTE

I use my phone - *shut-up*. Just help me get this form thingy up.

ZAYNE

(weighs him up)

Well we do get house points for helping old people.

DONTE

Cheeky little -

ZAYNE

But I'm not wasting my break.

Donte searches his pockets, pulls out a fiver. Zayne tries to snatch it, Donte pulls his hand away.

DONTE

Hop to it.

Donte closes the door and pulls down the blind.

Lindon has Preston, Danny, Kai, JAKE and the basketball players gathered in a circle. On the other side of the gym, the OPPOSING TEAM are warming up.

LINDON

I've had assurances there'll be no repeat of last year.

KAI

They're still homophobic scumbags.

LINDON

Hey, you know I went to war for you on that one, Kai. But let's channel that aggression. We can't take anything for granted today boys. We're going to go out there and play hard, play smart. Right let's get warmed up. Ten laps.

Lindon holds Preston back as the other players head off for a jog around the gym.

JAKE

Come on lads let's go!

LINDON

How you doing? Still need to catch up. Did you see your GP in the end?

PRESTON

Oh yeah. Not much to say though.

LINDON

Well so long as you're talking -

PRESTON

To be honest, I just wanna move on. It was a little wobble, wish everyone would chill. Sorry sir, I'm not being funny. Just wanna keep my head in the game yeah?

LINDON

Sure, I get it.

Lindon pats him on the back, but as Preston joins the others, Lindon's concern lingers.

JOE

What's going on here?

Donte springs up.

JOE (CONT'D)  
Zayne. Break is almost over.

ZAYNE  
I need my fiver first.

JOE  
Your fiver?

ZAYNE  
I'm helping him.

JOE  
(realising)  
No one's paying anyone. Get to  
lesson. We'll speak at home later.

ZAYNE  
Aww what? Bang out of order.

Zayne slopes off, annoyed. Joe eyeballs Donte.

DONTE  
It's not my fault you've got the  
first ever Macintosh here.

JOE  
Donte. If you needed help, you  
could have asked me. Do you know  
what this looks like?

Donte realises.

DONTE  
What this looks like?

JOE  
We have safeguarding rules -

DONTE  
What? Like I'm a kiddy fiddler?

Donte screws up his face before grabbing his coat, leaving -

JOE  
I didn't mean that -

Donte swings round on Joe, nostrils flaring.

DONTE

Watch what you say next.

Joe has his hands up, peacemaker.

JOE

You weren't to know - there's

Lots of chatter and buzz in the room. Wooden brick towers are being built. A small divide between partners. One partner has to describe their building to the other, the other attempts to build a replica of it. Dean lays the last brick on his tower. He and Noel slowly lift the divide to see if their buildings are the same. They spring up, fist pumps.

DEAN  
Ah! Nailed it, man!

NOEL  
Yeah boi!

FRED  
Excellent job you two.

Samia is painfully attempting to instruct Kelly Jo.

SAMIA  
Are you even listening? Have you done the last four blocks?

KELLY JO  
I've done your stupid four blocks!

They remove the divide - their buildings look nothing a like.

SAMIA  
You didn't listen to anything!

Dean is clapping two blocks together.

DEAN  
'My name's Kelly Jo'!

KELLY JO  
I'll clap 'em round your head.

Kelly Jo kicks over Dean and Noel's tower.

DEAN/NOEL  
Nooooo! What you doing?

CORAL  
(bellows)  
Kelly Jo, outside!

Amy and Fred watch Coral make a beeline for Kelly Jo and usher her to the door.

AMY  
(under her breath)  
Oh God...

FRED

(to Amy)

Hey. This is your workshop.

Fred gives a supportive look. Amy braces herself.

AMY

Can I - a little word, Miss Walker?

Coral glares at Amy a moment, before reluctantly obliging.

AMY (CONT'D)

It's just really important to keep  
a positive atmosphere -

CORAL

If you hadn't noticed, she's been  
non-stop messing about.

AMY

I can keep a close eye on her. Any  
more bother and you've got full  
permission to turf her out.

CORAL

Fine. But take it from me, you're  
not doing your students any favours  
by trying to be their best mate.

Amy blanches at Coral's parting shot. Fred reappears smiling.

FRED

Wow, jealous much?

(sees Amy's confusion)

Her. You're young, fresh. The kids  
love you. Why wouldn't she be?

(sincere)

Still don't know how good you are?

Fred heads over to a student.

FRED (CONT'D)

Wow, look at this. A work of art!

Amy watches Fred and tries not to feel anything, but another  
smile creeps up her face.

The game moves fast and intense around Preston, who wipes sweat onto his top. Lindon paces the side lines.

LINDON

Stay with it! Come on Danny! Give him an option! Help him out!

Preston presses on, aware of Lindon's glances.

PRESTON

Come on lads keep your heads up!

Nicky enters the gym carrying a cakebox and an amused Jake nudges Preston to alert him to her arrival. Preston watches as Nicky approaches Lindon. A whistle, the REF tosses the ball. Kai knocks it out of an opposing player's hand, a nimble dribble and pass to Danny.

Preston is distracted by Nicky talking to Lindon. Preston's whole body deflates for a moment.

DANNY

(shouts)

Preston!

The ball flies towards Preston but he misses. It passes to the other team, who shoot and score. Waterloo boys groan.

DANNY (CONT'D)

Why did you miss?

PRESTON

I didn't miss - why can't you pass?

KAI

It's no one's fault!

DANNY

I set you up.

PRESTON

You're miles off.

Preston has squared up to Danny. Danny backs off.

LINDON

(charges in)

Oi! Oi! Oi!

Danny has his hands up - he doesn't want anymore trouble.

DANNY

I'm not doing anything.

LINDON  
(to Preston)  
What's the matter with you?

PRESTON  
It's his weak passes!

LINDON  
Hey, hey.

Aware of the other team watching.

LINDON (CONT'D)  
This isn't how the Captain conducts himself, is it? I'm benching you.

PRESTON  
No! No way!

Preston looks devastated as Lindon sends on a sub. Kai sees.

KAI  
You want some water?

Danny clocks Kai with Preston. Preston heads for the bench. Nicky hurries after him.

NICKY  
What's wrong? You okay?

PRESTON  
What are you doing here?

NICKY  
I came to support you.

PRESTON  
You came to spy! Why are you talking to Mr King? Why are you sticking your nose in?

NICKY  
I just came to watch. I got up early and made the team cupcakes -

PRESTON  
You ruined this for me! Just back off, I don't want you here.

Nicky looks hurt and hurries out. Preston feels horrible as he sees the box left by his mum. He slowly lifts the lid and sees the 'Go Waterloo Wasps!' cupcakes. He tries to watch the game carry on without him but wrestles a familiar urge. Preston picks up the box and storms out of the gym.

Students race to find another person, lots of shouting and mock aggression. Fred and Amy cross each other, laughing.

FRED

Someone to be awkward with!

Shy, bashful faces, lots of laughter.

FRED (CONT'D)

Perfect. Okay everyone, let's sit.

Everyone finds a cushion. Amy joins Kelly Jo.

FRED (CONT'D)

If only emotions were that out there right?

Fred walks between cushions, in his element.

FRED (CONT'D)

But actually, I think what you'll find is that not every emotion inside us is understood is it?

Kelly Jo shoots her hand up.

CORAL

(hisses at Kelly Jo)

Shhhh.

Amy notices as Kelly Jo has to sit on her hands and her leg bounces non-stop as she struggles to wait.

FRED

All these feelings, but some are buried deep. Maybe sometimes they even bubble up as anxiety or anger.

Fred is speaking directly to Amy, an apology. She's drawn in.

FRED (CONT'D)

When we stuff the bad feelings  
down, they can make us act out and  
do things that perhaps hurt other  
people. Things we deeply regret.

Amy has to look away, flushed.

FRED (CONT'D)

(earnest)

You've done some fantastic work  
today, everyone. I think you've  
earned that early lunch break I

Still carrying the empty cake box, Preston marches over and moves between his locker and Samia.

DONTE

I don't mind taking a look?

No answer from Rolf.

NEIL

He's taken his hearing aid out.

DONTE

Why doesn't he just retire and put his feet up?

NEIL

Oh right, yeah. No, not really.

JOE

Donte nods, understanding.

DONTE  
Hard to get past the shock of it.

Joe sees the connection.

Donte turns his attention back to Rolf. Joe looks at Neil, a secret wide eyed look.

AMY  
Um yeah, I kind of recommended you.

FRED  
How good would that be? Me and you, working together again?

The door flings open before Amy can answer. Year 11/12 students filter in, including Noel, Dean, Danny and a forlorn Kai. Preston heads for Samia but Kelly Jo blocks him.

KELLY JO

Kelly Jo looks stung. Fred claps everyone to be quiet.

FRED  
Okay everyone, so this next activity is all about listening. Partner up, nearest person to you.

Kelly Jo is partnered with Kai, Preston wants to partner with Samia but she chooses someone else.

FRED (CONT'D)

AMY

Miss Walker I wonder if we can

CORAL

Coral rolls her eyes, Amy simmers, embarrassed.

CORAL

(overwhelmed)

But they're all pecking me head!

AMY

You're the only one acting up -

KELLY JO

But I can't stand it!

(rattles on)

Miss, it's not fair. I'm sick of this. I can't do it!

FRED

Everything okay here?

AMY

Yes, fine -

KELLY JO

Everyone's on at me, I hate it. I'm not working with anyone!

AMY

*Kelly Jo.*

KELLY JO

I'm not doing it!

AMY

(bellows)

Enough! I'm not having you ruin this workshop for everyone else! Sit down and be quiet. One more word and you're out.

Amy glares at a shocked Kelly Jo. Coral looks grimly satisfied. Kelly Jo sits back down and holds her head.

KELLY JO

Urghhh!

Amy looks at her - this feels all wrong. But before she can say anything else, Fred slides in opposite Kelly Jo.

FRED

I'll work with you, Kelly Jo.

(quietly to Amy)

Don't worry, I can keep her under control.

Amy bristles again. Fred looks at Kelly Jo, flashes a smile.

FRED (CONT'D)

Shall we try this again?

Kelly Jo looks wired, about to blow.

Kelly Jo is holding her head, completely overwhelmed. Amy watches, desperate to bring this to an end.

FRED  
It's very simple, come on. 'My  
name's Kelly Jo'. And?

KELLY JO  
And what? Why don't we do you hey?  
(impersonating)  
My name's Fred, yah. My drama  
school mates are rich and famous  
and I'm a sad, old tosser.

FRED  
(whispers)  
You've got a real attitude problem,  
do you know that?

KELLY JO  
Yer what?

FRED  
Wonder what hole you'll end up in?

Kelly Jo recoils - the match has been lit.

AMY  
(calls)  
Okay and that's the end of the  
exercise. How was that?

FRED  
Good work hey, Kel?

KELLY JO  
What did you just say to me?

AMY  
(concerned)  
Kelly Jo?

Kelly Jo suddenly pushes Amy away.

KELLY JO  
Get off me!

CORAL  
Right, you're coming with me.

KELLY JO

It's him! He can't say that!

AMY

(perturbed)

What did you do?

FRED

There's been a misunderstanding.

SAMIA

Kelly Jo - don't start.

KELLY JO

It's not me!

PRESTON

It's always you.

DEAN

(to Preston)

Was you who threw a wobbler last week.

Kelly Jo's POV: voices are coming at her. It's all white noise...

AMY

Right let's just calm down -

CORAL

If you don't leave *right now!*

...Until Fred's voice punches through.

FRED

No idea what's wrong with her!

Kelly Jo suddenly grabs a large wooden block and launches it at Fred.

FRED (CONT'D)

Hey!

Kelly Jo throws more wooden blocks at him. He tries to dodge.

KELLY JO

Everyone's always blaming me! It's you! *Tell them!*

Kelly Jo launches bigger things - props, balls. They fly past Fred's head.

AMY

Kelly Jo - please!

FRED

Get the silly cow away from me!

Kelly Jo has kicked over the artificial tree. Donte appears.

FRED (CONT'D)

Someone do something!

She has the tree metal stand raised.

KELLY JO

You don't know me! None of you do!

Donte rushes forward -

DONTE

*Don't -*

Kelly Jo throws the metal stand, which smashes through a window. Everyone reacts. Donte grabs hold of Kelly Jo, who suddenly bursts into angry tears. Fred still cowering.

KELLY JO

I said I didn't want to.

DONTE

It's okay. You're okay.

Kelly Jo is red-faced, with everyone staring at her.

CORAL

Right, everyone. Head to the library.

Donte silently implores Amy, who joins him.

AMY

It's okay, Kelly Jo. I'm here.

Amy looks at Donte, grateful.

DEAN

You's were proper snide with her.

Dean disappears as Preston turns back to Samia.

SAMI

Don't always know what's going on with people, I guess.

Samia looks pointedly at Preston before leaving. Kai sees Preston looking fed up.

KAI

Are all the women in your life this wild?

Preston looks troubled.

KAI (CONT'D)

You wanna bitch about it?

PRESTON

Why you being nice to me?

Kai shrugs, he isn't sure.

KAI

Maybe I don't want you to try and take my head off again? Plus you keep clouding up my space with your depressing aura.

PRESTON

I'm sorry I laid into you. No excuse.

KAI

It's okay. Clearly you have a lot going on.

PRESTON

My mum's got it in her head there's something up with me. She's got Sami all wound up too. I just - need them to back off.

KAI

Well take it from someone who has a mother and a sister - when two women get together, no intimate detail of your personal life is safe. They find out *everything*.

This scares Preston more than anything.

KAI (CONT'D)

If you give them something, maybe they'll back off? Just let them in a bit.

PRESTON

(thoughtful)

Yeah, thanks.

Kai watches as Preston quickly leaves.

Donte sweeps up the smashed glass, the debris of Kelly Jo's meltdown everywhere. Amy looks completely forlorn.

DONTE

Don't blame yourself.

AMY

It's my fault. I didn't handle it right. You knew instinctively.

DONTE

Only because of our Tommy. He's got ADD, has big meltdowns. I didn't know what it was but it was Chlo that kept pushing. She just knew something wasn't right.

Something clicks for Amy as she looks at Kelly Jo who sits shamefaced, all the energy zapped from her body.

Coral and Kim enter.

KIM

Looks like this was a spectacular end to the day.

Fred sidles past with a props bag on his way out.

FRED

(light)

Don't worry I'm not pressing charges.

KIM

(coolly)

Make sure you sign out at the office, Fred.

Fred nods, awkwardly slopes off. Amy glares after him.

CORAL

I'm just going to say it - I felt that Kelly Jo needed to be removed earlier, but it wasn't my workshop.

KIM

Miss Spratt?

AMY

I - I could have done more.

KELLY JO

(overhearing)

It was that muppet -

KIM

Enough from you. Nothing excuses  
what you've done here. Someone  
could have been hurt. There are  
serious consequences. My office.

Kelly Jo springs to life.

KELLY JO

I'm not going.

No one listens. Not even you. I'm  
done with this place.

Kelly Jo slams out with Amy immediately after her, leaving  
Kim gutted the day ended like this.

AMY (O.S.)  
Kelly Jo, please. Talk to me.

But Kelly Jo runs off upset.

FRED  
(to Amy)  
Just leave her. You're not getting through to that one.

Amy stops and glares at Fred.

AMY  
What did you say to her?

FRED  
Me?

AMY  
You said something, I know you did.

FRED  
She was launching wooden blocks at my face. Aime, come on -

AMY  
No, don't even try. This is what you do. You made everyone think she was the 'crazy' one.

FRED  
I was the one getting attacked. What's the matter with you? We've been getting on today. I don't need anyone else having a go.  
(forlorn)  
Didn't want to say before, but my sister's kicked me out. I've spent the last two nights in the work van. Last thing I need is this getting back to the boss. I could really do with a friend right now. Even hoped we could grab a drink?

A charming look. Amy stares at him, disbelieving.

AMY  
Oh, God. How? How did I almost nearly fall for it again?

FRED

Fall for what?

AMY

Nothing's real with you is it?

FRED

What are you talking about?

AMY

You use people, Fred. All you ever cared about was keeping me small, making me run around after you. You'd put me down, call me names and I'd be the one apologising. You'd make me question *everything*.

FRED

(fuming)

Look, clearly you've got something in your head about me. I may as well get my money back and just go.

Amy laughs in disbelief as she retrieves the envelope Fred gave her. She pauses before deciding to open it and brings out a twenty pound note.

AMY

Twenty quid? You joking?

FRED

Well, give it back then -

AMY

Do you know how much you owe me? Course you do. Bet it wasn't even your sister who kicked you out. Probably some other poor girl.

Amy keeps laughing, hysterical. Fred's furious.

FRED

Just stop that! Don't you look down your nose at me. You're nothing but a fat, frigid, freak.

AMY

(beat)

Wow. You know, I was wrong about one thing. There is such a thing as a lost cause.

She tosses the envelope at him. He fumbles to catch it.

FRED

PRESTON

*This.* Getting annoyed when I don't reply to your texts right away. Getting paranoid when I'm on a run. Ignoring me, shouting at me.

SAMIA

KIM

A broken window, a student threatening to leave and I actually woke up with this mad feeling that today was going to be a good day.

LINDON

When Kelly Jo blows, no human can stop her.

KIM

And if Erica gets wind of this?

LINDON

She won't find out. And hey, maybe a pigeon broke the glass.

(mock serious)

Pigeons are brutal round here.

He smiles as he leaves and Kim can't help but watch after him. Amy barges in, quickly followed by Wendy.

WENDY

Oi, oi, oi. Everyone waits! I've said it before I need access control, Stop them getting in.

KIM

It's okay, Wendy.

Wendy leaves. Amy slams paperwork on Kim's desk.

KIM (CONT'D)

What's this?

AMY

Kelly Jo's reports. Struggles to stay in her seat, struggles to listen, to follow instructions - Constantly restless, emotional, overwhelmed. These outbursts -

KIM

(realising)

- Are you thinking ADHD?

AMY

Well - maybe? Whatever it is, I just *knew* something was wrong. She was finding it hard. I should have stepped in sooner but then Miss Walker -

Amy stops herself.

KIM

Go on?

AMY

(hesitates)

To be honest, I haven't felt entirely supported.

Kim bristles.

KIM

I see. We can start by looking at a referral. Kelly Jo's mum is on her way in, but Kelly Jo is adamant she won't return if it means being put in the BU. And after today, I'm afraid that's where she has to go.

KELLY JO

I said I'll get a job!

DEBS

Who'd want to employ you!

Amy tentatively approaches.

DEBS (CONT'D)

Well you're not stopping at home.

KELLY JO

I'm not being put with a load of sweats either. I don't care!

Kelly Jo buries her head in her school bag, a cry of frustration escapes her.

AMY

Miss Rafferty, I wonder if you might like to head up to see Ms Campbell? We'll follow you in.

Debs looks at Amy, begrudgingly.

DEBS

I just hope everyone sees what I'm dealing with!

Debs strops off. Amy goes to a miserable Kelly Jo.

KELLY JO

Don't even bother. You're the worst, pretending you care.

Amy cringes at her earlier mistake.

AMY

You know, my first day of my teacher training - I almost didn't turn up. I got lost round campus. Squirted ketchup on my new top. Arrived, sweating, close to tears. I thought, I can't do this.

(MORE)

AMY (CONT'D)

See, back then my self-esteem was on the floor. I didn't feel good about myself because - let's just say I'd had a lot of negative feedback. You hear enough bad things you start to believe them, right? I had to build myself up and that took time. I'm still not fully there yet.

(beat)

Kelly Jo, you need to hear this - You are a fiery, bright, kind girl - who's struggling.

Kelly tries not to tear up.

KELLY JO

I get on everyone's wick. I'm horrible.

AMY

You are not horrible or stupid or lazy, you hear me? You're capable.

KELLY JO

I'm not.

AMY

You are. And I promise, if you come back -

KELLY JO

I'm not coming back! Everyone talking about me -

AMY

KIM

This isn't the first time. There's a formal complaint on your file -

CORAL

Years ago, it never came to anything.

KIM

Yes because *that* teacher left!

(calm)

The Head of Department role is an opportunity to prove you can motivate and inspire others - not intimidate them. An ECT looks up to you - that's a big responsibility. And you're now staff rep on the school council. I'd just hate to think I've got the wrong person in these positions.

Coral looks incandescent.

KIM (CONT'D)

This is a warning, Miss Walker. Do *better*.

Kim holds Coral's look, deadly serious. A knock and Wendy appears. Coral leaves.

WENDY

Kelly Jo's mother.

(eyeballs)

Good luck.

Debs boulders in.

DEBS

Look I know she's done wrong but what do you want me to do with her? I'm at my wits' end.

Kelly Jo walks in shamefully and slumps down next to Debs.

KIM

Thank you for coming back, Kelly Jo. It can't have been easy.

DEBS

So what do you have to say? Do you even care about all the trouble you've caused? Are you even sorry?

KELLY JO

I am sorry! My head - it just blows. I can't stop myself -

DEBS

As if you can't stop yourself!

AMY

Why do you think today happened?

DEBS

Because she acts like a toddler!

KIM

Miss Rafferty -

DEBS

Oh what's the point? She's not going to change.

AMY

(forceful)

Of course she can change, she's 16. But she needs our help. She needs people who care about her enough to listen -

DEBS

All I do is listen to her, she never stops.

AMY

Otherwise she'll end up sat back in that chair, time and time again until she gets kicked out and we completely miss our chance. I'm sure you don't want that, Miss Rafferty?

Debs begrudgingly shuts up. Kim looks impressed.

AMY (CONT'D)

Kelly Jo. Why do you feel these outbursts happen?

KELLY JO

Things get on top of me. I don't know why. Stuff that doesn't even bother anyone else bothers me.

AMY

Like what?

KELLY JO

Like even this morning, I flipped because I couldn't find the right socks. I can never get myself together. Everything's always too hard, too much. It's the same in class. Feel like I'm always wrong. I'm always behind. Like I've missed what we're supposed to be doing. And it's the noise and the people and teachers on at me. I just blow.

AMY

It sounds like you spend a lot of the time feeling overwhelmed?

Kelly Jo quietly nods.

AMY (CONT'D)

(delicate)

Kelly Jo, Miss Rafferty, we'd like to make a referral for an ADHD assessment.

DEBS

(scoffs)

ADHD? What they call naughty kids?

KIM

It's an impairment that may be affecting Kelly's ability manage.

DEBS

But this is just her personality, isn't it?

KELLY JO

So - there could be a reason I do  
everyone's head in?

This sinks in for Debs. Kelly Jo smiles to herself, this  
means something. Then -

KELLY JO (CONT'D)

But I can't go in the BU.

KIM

I'm afraid I have to follow the  
same rules for everyone.

DEBS

(concerned)

So you're going to throw her in  
with a load of kids worse than her?

AMY

Well the alternative is she's home  
schooled.

Debs shuts up again.

KIM

We want to find out how we can  
better support Kelly Jo.

AMY

This isn't a diagnosis. It's just  
the start. We're not giving up on  
you Kelly Jo so don't you dare give

PRESTON

You two talk. Call you later, Sami?

Sami goes to protest but Preston pulls away.

But doesn't this explain so much -

SAMIA

Samia stalks on.

KELLY JO

Well yeah, that's kind of the

Kelly Jo follows, a little hurt. Danny sees Kai waiting for him.

KAI

Should we arrange a meeting next

KIM

Yes that sounds great. Well done

DONTE

Deer? Deer in headlights.

AMY

Oh yeah. Lay off the ale, Amy.

DONTE

Anyway, don't do yourself down. I've seen you around school. You're a proper natural.

Amy sees Donte is sincere.

AMY

Yeah. I am you know. I'm bloody made for it.

Donte laughs. They clink. Amy looks at him. A Donte crush is born.

Neil is cornered by Joe. Lindon has joined them.

JOE

It was really something that you did tonight. Because I know it wasn't your thing.

NEIL

Just felt like I should.

JOE

And was it good? Was it useful? For you too, I mean?

Donte arrives back, handing a pint to Neil.

DONTE

Top bloke you've got here, Joe. Our new Friday night this hey? Spilling our guts to strangers.

Donte has an arm around Neil, jokingly. Neil slugs down his beer shamefully.

Lindon's phone buzzes in his pocket. He glances at it realising the time. He downs his drink quickly.

LINDON

Got to go.

DONTE

Your 'complicated' date is it?

Lindon looks awkward.

DONTE (CONT'D)

Well try and have a good one.

Life's too short not to be happy.

Lindon nods at Donte's words, heads out.

**INT. PUB. AFTER SCHOOL. 18:04 - DAY.**

60

Kim is coming out of the toilet as she sees Lindon leaving.

KIM  
Off already?

LINDON  
Sadly. Got somewhere to be. Was  
looking forward to that drink too.

KIM  
(joking)  
And I'm a tight arse so might not  
happen again.

They smile, hesitate at each other.

LINDON  
Better go.

KIM  
Sure -

As they go to hug, she kisses him on the cheek and he  
accidentally turns into it. They kiss. They pull back and  
look at each other, startled.

LINDON  
(awkwardly)  
I'm meant to be meeting Hannah.  
So.

KIM  
(caught off guard)  
Right, yeh. Of course. See you  
Monday then.

Lindon wishes he could stay as he watches Kim head off,  
before reluctantly leaving.
